3. ASSEMBLY INSTRUCTIONS

Assembly of the HOOBRO Dog Crate Furniture requires careful attention to detail. All parts are numbered, and a step-by-step guide is included with the product packaging. Please ensure all components are present before beginning assembly.

3.1. Before You Begin

- Unpack all components and verify against the parts list provided in the packaging.
- Ensure you have the necessary tools (typically a screwdriver, not always included).
- Assemble on a soft, clean surface to prevent scratches.

3.2. General Assembly Steps (Refer to included manual for detailed steps)

1. Attach the side panels to the base frame.

2. Secure the front and back panels, ensuring door mechanisms are correctly aligned.
3. Install the top panel, which forms the furniture surface.
4. Insert the pull-out tray into its designated slot.
5. Attach and adjust the leveling feet to ensure stability.

4. OPERATING INSTRUCTIONS

4.1. Pet Placement and Access

The crate features double doors, one on the front and one on the side, allowing flexible placement within your home and easy access for your pet. To open, unlatch the sturdy lock and swing the door outwards. Ensure the door is securely latched when your pet is inside.

4.2. Using as Furniture

The sturdy top surface can be used as an end table, tea table, or nightstand. It is designed to support decorative items, books, or other household essentials. Avoid placing excessively heavy items or liquids directly on the surface without protection.

Multifunctional as a Side Table

Spacious tabletop can bear up to 165 lb.

5. MAINTENANCE AND CARE

5.1. Cleaning the Pull-Out Tray

The integrated pull-out tray is designed for easy cleaning. Simply slide the tray out from the bottom of the crate, dispose of any waste, and wash with mild soap and water. Ensure the tray is completely dry before reinserting it into the crate.

5.2. General Cleaning and Care

- Wipe down wooden and metal surfaces with a damp cloth. Avoid harsh chemicals that may damage the finish or be harmful to pets.
- Regularly check all screws and connections to ensure they remain tight.
- Periodically inspect the metal bars for any signs of damage or wear.

6. TROUBLESHOOTING

6.1. Stability Issues

If the crate appears unstable, check that all screws are tightened. Utilize the adjustable feet on the bottom of the crate to level it on uneven floor surfaces. Rotate the feet clockwise or counter-clockwise until the crate is stable.

6.2. Pet Adaptation

If your pet is hesitant to use the crate, introduce it gradually. Place familiar bedding or toys inside. Never force your pet into the crate. Consult a professional dog trainer for crate training advice if needed.

6.3. Damaged Components

In case of damaged or missing parts, do not attempt to modify or repair the product with non-original components. Contact HOOBRO customer support for assistance.

How to Choose a Right Crate?

Step 1: Length

Measure the length from the nose to the tail by keeping your dog in normal standing.

Step 2: Height

Measure the distance from dog's ears or head to its paws in normal sitting as the height.

Step 3: Space Reservation

It is recommended to reserve 4" more than the measured length and height for the dog's activity space.
