# Bissell Little Green Pet Deluxe Portable Carpet Cleaner - Instruction Manual

Model: 3353 | Brand: Bissell

## INTRODUCTION

---

The Bissell Little Green Pet Deluxe Portable Carpet Cleaner is designed for effective spot and stain removal on carpets, upholstery, and car interiors. Its compact and portable design makes it ideal for tackling unexpected messes quickly and efficiently. This manual will guide you through the proper use and care of your new appliance.

## IMPORTANT SAFETY INFORMATION

Please read all instructions before using your appliance. Failure to follow these instructions may result in electric shock, fire, or serious injury.

- Always connect to a properly grounded outlet.
- Do not leave appliance when plugged in. Unplug from outlet when not in use and before servicing.
- Do not immerse in water or liquid.
- Use only as described in this manual. Use only manufacturer's recommended attachments.
- Do not use with damaged cord or plug. If appliance is not working as it should, has been dropped, damaged, left outdoors, or dropped into water, return it to a service center.
- Do not pull or carry by cord, use cord as a handle, close a door on cord, or pull cord around sharp edges or corners. Do not run appliance over cord. Keep cord away from heated surfaces.
- Do not unplug by pulling on cord. To unplug, grasp the plug, not the cord.
- Do not handle plug or appliance with wet hands.
- Do not put any object into openings. Do not use with any opening blocked; keep free of dust, lint, hair, and anything that may reduce air flow.
- Keep hair, loose clothing, fingers, and all parts of body away from openings and moving parts.
- Turn off all controls before unplugging.
- Use extra care when cleaning on stairs.
- Do not use to pick up flammable or combustible materials (lighter fluid, gasoline, kerosene, etc.) or use in areas where they may be present.

- Do not use in an enclosed space where vapors are given off by oil base paint, paint thinner, some mothproofing substances, flammable dust, or other explosive or toxic vapors.
- Do not use to pick up toxic material (chlorine bleach, ammonia, drain cleaner, etc.).
- Do not pick up anything that is burning or smoking, such as cigarettes, matches, or hot ashes.
- Do not use without filters in place.
- Do not use on hard or bare floors.
- Do not use on wet surfaces.
- Do not use for any purpose other than described in this User's Guide.
- Always disconnect this appliance from the power outlet before connecting or disconnecting hose.
- Use only BISSELL cleaning products intended for use with this appliance.
- Keep openings free of dust, lint, hair, etc.
- Do not point nozzle at people or animals.
- Store appliance indoors.
- Use only soft, dry cloths for cleaning exterior surfaces.

## WHAT'S IN THE BOX

---

Your Bissell Little Green Pet Deluxe Portable Carpet Cleaner comes with the following components:

- Bissell Little Green Pet Deluxe Unit
- 3" Tough Stain Tool
- Stain Trapper Tool
- HydroRinse Self-Cleaning Hose Tool
- 8 oz trial-size PET Spot and Stain formula
- 8 oz trial-size PET OXY Boost formula

Figure 2: All components included with the Bissell Little Green Pet Deluxe.

## SETUP

Before first use, ensure all components are present and the unit is assembled correctly.

1. **Attach Hose Storage Clip:** Locate the hose storage clip and slide it into the designated slot on the base of the unit until it clicks into place.
2. **Fill Clean Water Tank:** Remove the clean water tank (located on the left side of the unit). Unscrew the cap at the bottom of the tank. Fill the tank with clean water up to the 'WATER' fill line. Add the recommended amount of BISSELL cleaning formula up to the 'FORMULA' fill line. Securely replace the cap and reinsert the tank into the unit.
3. **Attach Cleaning Tool:** Select the desired cleaning tool (e.g., 3" Tough Stain Tool or Stain Trapper Tool) and firmly attach it to the end of the hose until it clicks into place.

## OPERATING INSTRUCTIONS

---

Follow these steps for effective cleaning:

1. **Power On:** Plug the unit into a grounded electrical outlet. Press the power button located on the top of the unit to turn it on.
2. **Pre-treat (Optional):** For tough stains, pre-treat the area by holding the cleaning tool just above the stain and pressing the spray trigger to apply cleaning solution. Allow the solution to sit for a few minutes before proceeding.
3. **Spray and Scrub:** Place the cleaning tool directly on the stained area. Press the spray trigger to release the cleaning solution while simultaneously scrubbing the stain with the brush bristles on the tool.
4. **Suction:** Release the spray trigger and apply downward pressure on the cleaning tool. Slowly pull the tool across the stained area to suction up the dirty solution. Repeat this step until the stain is removed and no more dirty solution can be suctioned.
5. **Cleaning Different Surfaces:**
  - **Carpets:** Use the 3" Tough Stain Tool for general carpet cleaning. For pet messes, the Stain Trapper Tool can be used to contain solid debris before it enters the machine's main dirty water tank.
  - **Upholstery:** The 3" Tough Stain Tool is effective for cleaning upholstery. Ensure the fabric is suitable for wet cleaning before use.
  - **Car Interiors:** The compact design and various tools make it easy to clean car seats and floor mats.

## MAINTENANCE

---

Regular maintenance ensures the longevity and performance of your cleaner.

1. **Empty Dirty Water Tank:** After each use, or when the dirty water tank reaches the 'FULL' line, remove it from the unit. Unlatch the tank cover and pour out the dirty water. Rinse the tank with clean water.
2. **Clean Cleaning Tools:** Remove the cleaning tool from the hose. Rinse the tool under running water to remove any debris. For the HydroRinse Self-Cleaning Hose Tool, attach it to the hose and place it on the designated holder on the unit. Turn on the machine and press the spray trigger for 10-15 seconds to flush the hose with clean water.
3. **Clean Stain Trapper Tool:** If using the Stain Trapper Tool, detach the clear collection cup and empty any trapped debris. Rinse the cup and the tool thoroughly.
4. **Store Unit:** Wrap the power cord around the cord wrap. Secure the hose by wrapping it around the unit and clipping the tool into the hose storage clip. Store the unit in a dry, indoor area.

Figure 6: Using the HydroRinse Self-Cleaning Hose Tool to clean the hose.

## TROUBLESHOOTING

Problem	Possible Cause	Solution
Reduced spray or no spray	Clean water tank empty; Tank not seated properly; Nozzle clogged.	Refill clean water tank; Remove and re-seat tank; Clean nozzle.
No suction	Dirty water tank full; Tank not seated properly; Hose/tool clogged.	Empty dirty water tank; Remove and re-seat tank; Clear any clogs in hose or tool.
Cleaner not turning on	Not plugged in; Power button not pressed.	Ensure unit is securely plugged into a working outlet; Press the power button firmly.
