Zinus ZU-ABS-7FS

Zinus 7-Inch Full Metal Smart Box Spring Instruction Manual

Model: ZU-ABS-7FS

INTRODUCTION

Thank you for choosing the Zinus 7-Inch Full Metal Smart Box Spring. This product is designed to provide a durable and stable foundation for your mattress with a quick and easy assembly process. Please read this manual thoroughly before assembly and use to ensure proper setup and longevity of your product.

SAFETY INFORMATION

- Exercise caution to avoid pinch points during assembly.
- Do not exceed the maximum weight limit of 700 lbs (317.5 kg).
- This box spring is intended for use with a compatible bed frame or platform bed (sold separately).
- Keep small parts away from children during assembly.

PACKAGE CONTENTS

Verify that all components are present before beginning assembly. The package includes:

- Steel Frame Components
- Tool-Free Locking Brackets
- Poly Jacquard Cover
- Assembly Instructions

ASSEMBLY INSTRUCTIONS

This Zinus Smart Box Spring features a new quick assembly design with fewer bolts and tool-free locking brackets for a straightforward setup. Assembly typically takes minutes to complete.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, flat surface. Refer to the included parts list to ensure all pieces are present.
2. **Assemble Frame Sections:** Connect the steel frame sections using the push-pin system. Align the pins with the corresponding holes and push until they click into place. No tools are required for these connections.

DURABLY ENGINEERED

Ultra-strong steel structure

Image: Demonstration of the push-pin system for tool-free frame assembly.

3. **Attach Locking Brackets:** Secure the frame corners and central supports using the tool-free locking brackets. These brackets slide into place and lock the frame sections together for added stability.

Image: Close-up of the tool-free locking brackets for intuitive setup.

4. **Install Support Bars:** Place the steel support bars across the frame, ensuring they are evenly spaced and securely seated in their designated slots.
5. **Apply Cover:** Once the frame is fully assembled and stable, stretch the poly jacquard cover over the entire structure. The elastic band ensures a snug fit and is easy to put on and take off.

Push-pin system
No tools required

Image: Hand applying the elastic band cover to the box spring frame.

6. **Placement:** Position the assembled box spring onto your existing bed frame or platform bed.

OPERATING INSTRUCTIONS

The Zinus Smart Box Spring serves as a foundation for your mattress. Once assembled and placed on a compatible bed frame, simply place your mattress directly on top of the box spring. Ensure the mattress is centered and fully supported by the box spring.

TOOL FREE LOCKING BRACKETS

For intuitive setup

MAINTENANCE

- **Cleaning:** The poly jacquard cover can be removed for spot cleaning. For deeper cleaning, follow the care instructions on the cover's label. The steel frame can be wiped clean with a damp cloth.
- **Inspection:** Periodically check all connections and fasteners to ensure they remain tight and secure. Re-tighten if necessary.
- **Weight Distribution:** To prolong the life of both your box spring and mattress, ensure weight is distributed evenly across the surface.

TROUBLESHOOTING

Squeaking Noises

If you experience squeaking, check the following:

- Ensure all frame connections and locking brackets are fully engaged and secure.
- Verify that the box spring is sitting evenly and stably on your bed frame. Uneven surfaces can cause stress points.

- Check if the mattress itself is causing the noise by removing it and testing the box spring alone.

Instability

If the box spring feels unstable:

- Re-check all assembly steps to ensure correct installation of all frame components and brackets.
- Confirm that the box spring is placed on a sturdy and level bed frame or foundation.

SPECIFICATIONS

Model Number	ZU-ABS-7FS
Size	Full
Product Dimensions (L x W x H)	74" x 53" x 7" (188 cm x 134.6 cm x 17.8 cm)
