AECOJOY 7-Piece Patio Furniture Set Instruction Manual

Model: B09XQF2YJF

INTRODUCTION

This instruction manual provides detailed guidance for the assembly, operation, maintenance, and troubleshooting of your AECOJOY 7-Piece Patio Furniture Set. Please read this manual thoroughly before assembly and use to ensure proper function and longevity of your furniture.

IMPORTANT SAFETY INFORMATION

WARNING:

- Do not assemble in wet conditions.
- Do not expose to extreme heat.
- Keep away from open flames.
- Not suitable for indoor use.
- Always follow assembly instructions carefully to prevent tip-over risks.
- Keep sharp edges away from children and pets.
- Do not place hot food directly on the table surface as it is not heat resistant.

PACKAGE CONTENTS

Your AECOJOY 7-Piece Patio Furniture Set will arrive in 3 boxes. Please ensure all components are present before beginning assembly. In case of missing parts, contact customer support.

- 3 x Ottoman Chairs
- 3 x Corner Sectional Loveseat Sofa
- 1 x Patio Dining Table
- All necessary hardware and instructions
- Cushions for sofas and ottomans

SETUP AND ASSEMBLY

Assembly and handling will require two people. Please follow the included hardware and instructions carefully. It is recommended not to fully tighten screws until all pieces are aligned to ensure proper fit.

Assembly Tips:

- Do not tighten screws completely until all parts are loosely assembled and aligned. This allows for flexibility to adjust pieces, especially for the corner sofa and table.
- Ensure all connections are secure before use. The furniture will become sturdy once fully connected.
- If using a 10mm socket, assembly can be faster than with included tools.

Visual Assembly Guide:

WIDE&DEEP OUTDOOR SEATING SET DINING TABLE

– The New Material Itself Does Not Conduct Heat
– Please Do Not Place More Than 50 Degrees Celsius

OPERATING INSTRUCTIONS

The AECOJOY 7-Piece Patio Furniture Set is designed for versatile outdoor use, accommodating various social settings from casual gatherings to dining. The modular design allows for flexible arrangement to suit your space and needs.

- **Seating Arrangement:** The 3 corner sectional loveseat sofas and 3 ottoman chairs can be arranged in multiple configurations to create a large seating area or separate zones.
- **Dining Table Use:** The patio dining table provides a spacious surface for meals, drinks, or other items. Remember that the table is not heat resistant; avoid placing hot items directly on the surface.
- **Ottoman Versatility:** Ottoman chairs can serve as additional seating, footrests, or small side tables when

needed.

MAINTENANCE AND CARE

Proper care will extend the life and appearance of your patio furniture set.

- **Cleaning:** Wipe surfaces with a dry or damp cloth. For deeper cleaning, use a mild soap solution and rinse thoroughly.
- **Cushion Care:** The upgraded fabric material offers splash-proof ability (not rainproof). All cushions and pillows feature a zipper design, making covers convenient to remove for cleaning or replacement.
- **Weather Protection:** While made of weather-resistant PE rattan, it is recommended to use a waterproof cover to protect the furniture from prolonged exposure to sun, rain, and other harsh weather conditions, especially during off-season.
- **Moving Ottomans:** When moving the ottoman chairs, lift them by the base rather than the cushion to prevent damage.
- **Table Protection:** To prevent damage, do not place hot items directly on the dining table surface.

TROUBLESHOOTING

Here are solutions to common issues you might encounter:

Problem	Possible Cause	Solution
Screws not aligning during assembly.	Screws were tightened too early.	Loosen all screws, align the pieces, then gradually tighten all screws once everything is in place.
Furniture feels unstable after assembly.	Screws are not fully tightened.	Ensure all screws are securely tightened. The furniture gains stability once fully assembled and tightened.
Cushions appear thin or flat.	Cushions are vacuum-packed for shipping.	Allow 24-96 hours for cushions to return to their original state after unpacking. You may also add more stuffing if desired, as covers have zippers.
Rust spots on the table after rain.	Welding points are not water-resistant.	Use a protective cover to prevent direct exposure to rain and moisture. Regularly wipe dry any wet surfaces.

SPECIFICATIONS

Feature	Detail
