# Mobiclinic Lala Potty Training Toilet Seat with Ladder Instruction Manual

Model: QA-00037/37-RB

## 1. INTRODUCTION

Thank you for choosing the Mobiclinic Lala Potty Training Toilet Seat with Ladder. This manual provides essential information for the safe assembly, operation, and maintenance of your product. Please read these instructions carefully before use and retain them for future reference. This product is designed to assist children aged 1 to 8 years in their potty training journey by providing a secure and comfortable experience.

## 2. SAFETY INSTRUCTIONS

- **Adult Supervision Required:** Always ensure an adult is present to supervise the child during use.
- **Stability Check:** Before each use, verify that the toilet seat and ladder are securely placed on the adult toilet and are stable.
- **Weight Limit:** This product is designed for children weighing up to 65 kg (approximately 143 lbs). Do not exceed this weight limit.
- **Non-Slip Features:** Ensure all non-slip pads on the feet and seat are clean and properly positioned to prevent slipping.
- **Proper Assembly:** Assemble the product strictly according to the instructions provided to ensure maximum safety and functionality.
- **Avoid Standing:** Instruct the child not to stand on the toilet seat or the top step of the ladder.
- **Regular Inspection:** Periodically check for any signs of wear, damage, or loose parts. Discontinue use if any damage is found.
- **Cleaning:** Clean the product regularly to maintain hygiene. Refer to the Maintenance section for details.

### 3. PACKAGE CONTENTS

Please ensure all the following components are present in your package:

- Potty Training Toilet Seat
- Ladder Side Supports (2 pieces)
- Ladder Steps (2 pieces)
- Connecting Pins/Screws (for assembly)
- Non-Slip Pads (for feet and seat)
- Soft Seat Cushion with Velcro Fastener
- Instruction Manual

### 4. ASSEMBLY INSTRUCTIONS

Assembly of the Mobiclinic Lala Potty Training Toilet Seat is designed to be straightforward and tool-free. Follow these steps:

1. **Attach Ladder Supports:** Insert the top ends of the ladder side supports into the designated slots on the underside of the toilet seat. Ensure they click securely into place.
2. **Install Steps:** Slide the two ladder steps into the grooves on the ladder side supports. Adjust their height as needed by pressing the buttons on the side supports and sliding the steps up or down. Secure them at the desired height.
3. **Apply Non-Slip Pads:** Attach the small non-slip buttons to the bottom of the ladder feet. Also, apply the larger non-slip strips to the underside of the toilet seat where it contacts the adult toilet.
4. **Place Seat Cushion:** Secure the soft seat cushion onto the toilet seat using the Velcro fastener.

**Image:** The Mobiclinic Lala Potty Training Toilet Seat fully assembled and positioned on a standard toilet, ready for use.

## 5. PRODUCT FEATURES

- **Adjustable Height:** The toilet lift can be adjusted in height between 37 cm and 42 cm to accommodate the child's height and different toilet sizes.
- **Foldable Design:** The unit can be easily folded for simple storage and convenient transport, making it ideal for small spaces or travel.
- **Enhanced Safety:** Features small non-slip buttons on the legs for secure floor grip and an additional non-slip point under the seat for better adhesion to the toilet. The steps also have a pattern of non-slip dots.
- **Easy Assembly:** Designed for quick and easy assembly without the need for any tools.
- **Universal Adaptability:** Compatible with most standard toilet types, excluding square toilets.
- **Comfortable Seat:** Includes a soft, removable seat cushion for added comfort during use.

**Image:** A diagram illustrating the key dimensions of the Mobiclinic Lala Potty Training Toilet Seat, including its height, width, and depth, both in its open and folded configurations.

**Image:** The Mobiclinic Lala Potty Training Toilet Seat shown in its compact, folded state, highlighting its space-saving design for easy storage.

## 6. OPERATING INSTRUCTIONS

1. **Positioning:** Place the assembled potty training seat securely on top of your adult toilet seat. Ensure the non-slip features are engaged and the unit is stable.
2. **Adjusting Height:** If necessary, adjust the height of the ladder steps to match your child's comfort and the height of your toilet. Press the side buttons on the ladder supports to slide the steps up or down.
3. **Child's Use:** Guide your child to use the ladder to climb onto the seat. Ensure they are seated comfortably and securely.
4. **After Use:** After your child has finished, assist them in dismounting. The unit can be left on the toilet or folded and stored away.

## 7. MAINTENANCE AND CARE

- **Cleaning:** Clean the potty training seat regularly with a mild soap and water solution. Wipe with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the plastic.
- **Drying:** Ensure all parts are thoroughly dry before next use or storage to prevent mildew.
- **Cushion Care:** The soft seat cushion can be removed for separate cleaning. Hand wash with mild soap and air dry.
- **Storage:** When not in use, fold the unit and store it in a clean, dry place away from direct sunlight or extreme temperatures.

## 8. TROUBLESHOOTING

- **Instability:** If the unit feels unstable, ensure all ladder supports are fully clicked into place and all non-slip pads are correctly positioned and clean. Verify that the unit is placed on a flat, dry surface and securely against the adult toilet.
- **Difficulty Adjusting Steps:** If the steps are hard to adjust, ensure the side buttons are fully depressed when attempting to slide them. Check for any debris in the grooves.
- **Product Does Not Fit Toilet:** This product is designed for most standard toilets. It is not compatible with square toilets. If your toilet is not square and the product still doesn't fit, double-check the placement and ensure the non-slip grips are not obstructing the fit.
