## GGIB CF3028

# Calming Dog Bed Instruction Manual

Brand: **GGIB** | Model: **CF3028**

### INTRODUCTION

This manual provides detailed instructions for the setup, operation, maintenance, and care of your GGIB Calming Dog Bed. Designed to offer superior comfort and support, this plush dog mat also serves as a furniture protector. Please read these instructions carefully to ensure proper use and longevity of the product.

Figure 1: GGIB Calming Dog Bed with a dog resting on it.

## PRODUCT FEATURES

- **Enhanced Comfort and Support:** Features a unique curved design and soft plush fabric for a secure and comfortable resting space. Raised edges provide head and neck support, aiming to reduce muscle pain.
- **High-Quality Materials:** Constructed with a warm and comfortable soft plush surface that is tough and claw-resistant. The fill is high elasticity 3D PP cotton, providing additional neck support.
- **Removable and Washable Cover:** Equipped with a zipper at the bottom for easy removal of the cover, allowing for convenient cleaning.
- **Non-Slip Bottom:** Designed with a multi-dot non-slip bottom to help secure the bed in place on various surfaces.
- **Multi-Functional Handle:** Includes a handle for easy portability and to help fix the bed into couch gaps, preventing slipping.
- **Versatile Use:** Suitable for use on floors, couches, beds, and in vehicles, providing a consistent comfort zone for your pet.

## SETUP INSTRUCTIONS

1. **Unpack the Bed:** Carefully remove the dog bed from its packaging. The bed may be tightly shrink-wrapped for shipping.
2. **Allow for Expansion:** Due to compression during shipping, the bed may appear flat or less fluffy initially. Allow it to sit for several hours, or up to 48 hours, to fully expand and regain its shape.
3. **Fluff the Bolster:** Gently break apart and fluff the stuffing within the raised bolster sections with your hands to achieve maximum loft and support.
4. **Position the Bed:** Place the dog bed in your desired location, ensuring the non-slip bottom is in contact with the surface to prevent movement.

## OPERATING INSTRUCTIONS

The GGIB Calming Dog Bed is designed for versatile use to provide a comfortable resting spot for your pet in various settings.

- **On Furniture:** Place the bed on your sofa or armchair to protect furniture from pet hair and dirt while providing a designated cozy spot for your pet. Utilize the multi-functional handle by tucking it into the couch gap to help secure the bed and prevent slipping.
- **On the Floor:** Ideal for use as a standalone bed on any floor surface. The non-slip bottom helps keep it in place.
- **In Crates:** The bed can be placed inside a pet crate to enhance comfort and provide a soft, supportive surface.
- **In Vehicles:** Use the bed in the rear seats of cars or in the trunk area to provide a comfortable and secure space for your pet during travel. The bed can be rolled up for easy transport.

## CARE AND MAINTENANCE

Proper care ensures the longevity and cleanliness of your dog bed.

1. **Removing the Cover:** Locate the zipper on the underside of the bed. Unzip it completely and carefully remove the internal padding.
2. **Washing Instructions:** The cover is machine washable. Use a gentle cycle with cold water.
3. **Drying Instructions:** Tumble dry on a low temperature setting. To maintain fluffiness, it is recommended to dry at a low temperature after washing.
4. **Precautions:**
  - Frequent high-temperature washing may cause the fabric to stiffen or pill.
  - The long plush material may tangle or shed if not cared for properly.
  - Do not bleach or iron.

# Removable Cover

1 Unzip the back side.

2 Take out the headrest padding cotton.

3 Put the dog bed cover into the washing machine and dry it at low temperature after washing.

**Precautions:**

Frequent high-temperature washing may cause the fabric to stiffen or pill, and the long plush may tangle or shed.

## TROUBLESHOOTING

Problem	Possible Cause	Solution
Bed appears flat or not fluffy enough.	Compression during shipping.	Allow 24-48 hours for the bed to fully expand. Manually fluff the internal stuffing, especially in the bolster areas.
Bed slides on smooth surfaces.	Non-slip nubs may not provide sufficient grip on all surfaces, or may have worn off.	Ensure the non-slip bottom is clean and free of debris. For furniture use, utilize the multi-functional handle to secure it in couch gaps. Consider placing a separate non-slip mat underneath for floor use if needed.

Problem	Possible Cause	Solution
Fabric stiffens, pills, or sheds after washing.	Incorrect washing or drying temperature/cycle.	Always wash on a gentle cycle with cold water and tumble dry on low heat. Avoid high temperatures and harsh detergents.

## PRODUCT SPECIFICATIONS

Attribute	Detail
Brand	GGIB
Model Number	CF3028
ASIN	B09XT29YHX
Color (Current Model)	Camel
Size (Current Model)	45.0"L x 37.0"W x 6.0"Th
Material	Polyester (Plush Fabric), 3D PP Cotton (Fill)
