

LEGO 75323

LEGO Star Wars The Justifier 75323 Instruction Manual

Brand: LEGO

Model: 75323 (Item Model Number: 6379150)

INTRODUCTION

This instruction manual provides detailed guidance for assembling and understanding the features of your **LEGO Star Wars The Justifier 75323** buildable toy starship. Recreate epic scenes from *Star Wars: The Bad Batch* with this superb LEGO brick-built model of bounty hunter Cad Bane's starship. This set is designed for children aged 9 and over, offering an engaging and rewarding building experience.

The set includes 1,022 LEGO building elements and features 4 LEGO Star Wars minifigures: Cad Bane, Omega, Fennec Shand, and Hunter, along with a Todo 360 LEGO droid figure. Prepare for imaginative play and exciting adventures!

ASSEMBLY INSTRUCTIONS

Assembly of The Justifier starship is a step-by-step process designed to be enjoyable and straightforward. Please follow the included printed building instructions carefully. Each bag of LEGO elements corresponds to a specific building stage.

- **Sorting:** Before beginning, sort your LEGO elements by color and size to make the building process smoother.
- **Step-by-Step:** Follow the visual instructions provided in the manual. Each step clearly indicates which pieces are needed and where they should be placed.
- **Firm Connections:** Ensure all bricks are firmly pressed together to create a stable and durable model.
- **Digital Instructions:** For an enhanced building experience, digital instructions are often available via the LEGO Building Instructions app.

PRODUCT FEATURES AND OPERATION

The Justifier starship is packed with authentic details and interactive features for dynamic play and display.

Starship Design and Functionality

Image: The completed LEGO Justifier starship model, showcasing its overall design and scale, accompanied by the included minifigures.

- **Adjustable Rear Engine:** The starship features a detailed rear engine that can be folded up for flight mode and down for landing mode, mimicking its appearance in the series.
- **Detailed Cockpit:** The easy-to-access minifigure cockpit allows for placement of a pilot minifigure, enhancing role-play scenarios.
- **Spring-Loaded Shooters:** Located on the wingtips, these shooters can be activated to launch projectiles, adding an action element to play. Spare ammo is stored within the wing.
- **'Laser' Jail Cell:** A unique feature of The Justifier, this jail cell is designed to imprison minifigures, allowing for exciting rescue missions.

Minifigures and Accessories

The set includes key characters from *Star Wars: The Bad Batch* to bring your adventures to life:

- **Cad Bane:** The notorious bounty hunter, complete with his signature hat and blaster pistols.
- **Omega:** The young clone, central to many Bad Batch storylines.
- **Fennec Shand:** Another skilled bounty hunter, equipped with her own weapons.
- **Hunter:** The leader of Clone Force 99 (The Bad Batch), featuring his distinctive armor and knife.
- **Todo 360:** Cad Bane's loyal droid companion.
- **Additional Accessories:** Includes 2 thermal detonator elements and handcuffs for diverse play scenarios.

MAINTENANCE AND CARE

To ensure the longevity and appearance of your LEGO Star Wars The Justifier set, follow these simple care guidelines:

- **Cleaning:** Use a soft brush or a damp cloth with mild soap and water to gently clean the bricks. Avoid harsh chemicals or abrasive materials.
- **Drying:** Allow all pieces to air dry completely before reassembling or storing.
- **Storage:** Store your LEGO set in a cool, dry place away from direct sunlight and extreme temperatures to prevent discoloration or warping of plastic elements.
- **Handling:** Handle the assembled model with care, especially when moving it, to prevent pieces from detaching.

TROUBLESHOOTING

If you encounter any issues during assembly or with the functionality of your LEGO set, consider the following:

- **Missing Pieces:** Double-check all packaging and sorting areas. If a piece is genuinely missing, contact LEGO Customer Service for replacement parts.
- **Loose Connections:** Ensure that all bricks are fully pressed together. Sometimes, a slight gap can cause instability. Re-examine the relevant steps in the instruction manual.
- **Feature Malfunction:** For features like the spring-loaded shooters or movable parts, ensure they are assembled correctly according to the instructions. Small misalignments can affect functionality.

SPECIFICATIONS

Product Dimensions	22.91 x 14.88 x 3.43 inches
Item Weight	5.8 pounds
Item Model Number	6379150
Manufacturer Recommended Age	9 years and up
Release Date	August 1, 2022
Manufacturer	LEGO
Number of Pieces	1,022
