SETUP

1. Connecting Your Headphones

The ELECDER i45 headphones connect via a standard 3.5mm audio jack. Simply plug the 3.5mm connector into the audio output port of your device.

- **Compatible Devices:** Smartphones, laptops, desktops, Kindle, computers, PCs, MP3/MP4 players, tablets, and other devices with a 3.5mm audio jack.
- **Note:** For devices like iPhone 7, iPad Pro 11, and newer models that lack a 3.5mm jack, a Lightning to 3.5mm jack adapter (not included) is required.

2. Adjusting the Headband

The headband is adjustable to ensure a comfortable and secure fit for various head sizes. Gently slide the earcups up or down along the headband until they rest comfortably over your ears.

STEREO BASS HEADPHONES

Choose your favorites, enjoy music and life

Image: Detail of the adjustable headband, highlighting its flexibility.

3. Folding for Portability

The headphones feature a foldable design for easy storage and portability. Fold the earcups inwards towards the headband to reduce their size when not in use or for travel.

OPERATING INSTRUCTIONS

1. Audio Playback

Once connected to your device, audio will play through the headphones. Control playback (play/pause, skip tracks) and volume directly from your connected device.

- **Hi-Fi Stereo Sound:** Enjoy clear audio with moderate bass and crisp midrange, provided by the built-in 40mm audio drivers.
- **Sound Isolation:** The on-ear design offers basic sound isolation to reduce ambient noise.

2. Using the Built-in Microphone

The headphones include an in-line microphone for communication. Use the integrated control button on the cord to manage calls and media playback.

- **Answering/Ending Calls:** Press the control button once to answer an incoming call or end an active call.
- **Playing/Pausing Music:** Press the control button once to play or pause audio.
- **Skipping Tracks:** Press the control button twice to skip to the next track. Press three times to go to the previous track.

SOFT PROTEIN EARPADS

Reduce stress, More comfort

Maintenance

1. Cleaning

To clean your headphones, use a soft, dry cloth. Avoid using harsh chemicals or abrasive materials, as these can damage the finish and components. Gently wipe the earcups and headband.

2. Storage

When not in use, fold the headphones and store them in a safe place to prevent damage. The tangle-free nylon braided cord helps maintain its condition.

TROUBLESHOOTING

- **No Sound:**

  - Ensure the 3.5mm audio jack is fully inserted into both the headphone port and your device's audio output.
  - Check the volume settings on your connected device.
  - Test the headphones with another device to rule out device-specific issues.

- **Microphone Not Working:**

  - Verify the 3.5mm jack is securely connected.
  - Ensure your device's microphone settings are correctly configured and the correct input device is selected.

- **Cord Tangling:**

  - The ELECDER i45 features a tangle-free nylon braided cord designed to minimize tangles. If minor tangles occur, gently untwist the cord.
