ODK ODK Mobile Printer and PC Tower Stand

ODK Mobile Printer and PC Tower Stand with Lockable Drawer Instruction Manual

Model: ODK Mobile Printer and PC Tower Stand

1. Introduction

Thank you for choosing the ODK Mobile Printer and PC Tower Stand. This versatile unit is designed to optimize your workspace by providing a dedicated platform for your printer, PC tower, and other office essentials. It features lockable wheels for mobility and stability, and a secure drawer for storing personal items or documents. This manual provides essential information for the safe assembly, operation, and maintenance of your new stand.

2. Safety Information

- Read all instructions carefully before assembly and use.
- Keep all small parts and packaging materials away from children.
- Ensure all screws and fasteners are securely tightened before use. Periodically check for tightness.
- Do not overload the stand. Refer to the specifications section for weight limits.
- Use the stand on a level surface to prevent tipping.
- Engage the wheel locks when the stand is in a desired stationary position.
- Avoid exposing the stand to excessive moisture or direct sunlight.

3. Package Contents

Please verify that all components are present before beginning assembly. If any parts are missing or damaged, contact customer support.

- Instruction Manual

4. Assembly Instructions

Follow these steps carefully to assemble your ODK Mobile Printer and PC Tower Stand. It is recommended to assemble the unit on a soft, clean surface to prevent scratches.

1. **Attach Caster Wheels:** Insert the four caster wheels into the designated holes on the bottom shelf panel. Ensure they are securely fastened. Two of the wheels have locking mechanisms.
2. **Connect Vertical Supports to Bottom Shelf:** Attach the four vertical support frames to the bottom shelf panel using the provided screws and Allen wrench. Ensure the frames are oriented correctly.
3. **Install Middle Shelf with Drawer:** Slide the drawer unit into the middle shelf panel. Then, attach the middle shelf panel to the vertical support frames. Ensure the drawer slides smoothly before tightening all screws.
4. **Attach Top Shelf:** Place the top shelf panel onto the upper ends of the vertical support frames and secure it with the remaining screws.
5. **Final Check:** Verify that all screws are tightened and the stand is stable. Test the drawer and wheel locking mechanisms.

5.2 Using the Lockable Wheels

- **To Move:** Unlock the two lockable wheels by pushing the lever upwards. Gently push the stand to its desired location.
- **To Secure:** Once the stand is in position, push the lever downwards on both lockable wheels to engage the brakes. This will prevent the stand from moving unintentionally.

6. Maintenance

- **Cleaning:** Wipe the stand with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these may

damage the finish.

- **Hardware Check:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten if necessary to maintain stability.
- **Wheel Care:** Keep the caster wheels free of debris (hair, dust, etc.) to ensure smooth movement.

7. Troubleshooting

Problem	Possible Cause	Solution
Stand is wobbly or unstable.	Loose screws or uneven surface.	Ensure all assembly screws are tightened. Move the stand to a level surface.
Wheels do not roll smoothly.	Debris caught in wheels or locks engaged.	Check for and remove any debris from the wheels. Ensure wheel locks are disengaged.
Drawer is difficult to open or close.	Drawer rails obstructed or misaligned.	Ensure nothing is blocking the drawer rails. Check that the drawer is properly seated on its tracks.
Key does not turn in lock.	Incorrect key or obstruction in lock.	Ensure you are using the correct key. Do not force the key. Contact customer support if the issue persists.
