Philips Hue R574202-2

Philips Hue Lucca Outdoor Smart Wall Light User Manual

Model: R574202-2
Brand: Philips Hue

1. PRODUCT OVERVIEW

The Philips Hue Lucca Outdoor Smart Wall Light offers a sophisticated lighting solution for your outdoor spaces. With its round shape and black bands, it provides wide distribution of light in brilliant color. This smart light allows you to personalize your outdoor ambiance with millions of shades of colorful light and various white light tones, controllable via the Hue app and voice commands. Designed for outdoor use, the Lucca light fixture is weatherproof with an IP44 rating, ensuring durability against the elements.

2. WHAT'S IN THE BOX

Your Philips Hue Lucca Outdoor Smart Wall Light package includes the following components:

- Two (2) Philips Hue Lucca Outdoor Wall Lights (black finish)
- Two (2) E26 White and Color Ambiance LED Color-Changing Bulbs

Please ensure all components are present and undamaged before proceeding with installation.

3. SETUP & INSTALLATION

To get started with your Philips Hue Lucca Outdoor Smart Wall Light, follow these steps:

1. **Install Your Lighting:** Physically install the Lucca wall lights in your desired outdoor location. Ensure proper electrical connections are made according to local building codes and safety guidelines. If you are unsure, consult a qualified electrician.
2. **Connect the Philips Hue Bridge:** The Philips Hue Lucca Outdoor Smart Wall Light requires a Philips Hue Bridge (sold separately) for full functionality, including automations, control from anywhere, and a stable connection.

Connect your Hue Bridge to your Wi-Fi router.

3. **Download the Philips Hue App:** Download the official Philips Hue app from the App Store (iOS) or Google Play Store (Android) on your smartphone or tablet.
4. **Pair Lights with Bridge:** Open the Hue app and follow the on-screen instructions to discover and pair your new Lucca outdoor lights with your Hue Bridge.

4. OPERATING INSTRUCTIONS

The Philips Hue Lucca lights offer versatile control options to enhance your outdoor environment.

App Control

Use the Philips Hue app to:

- **Change Colors and Brightness:** Access 16 million colors and various shades of white light (warm to cool) to set the perfect mood for any occasion.
- **Create Scenes:** Apply pre-set or custom lighting scenes for different activities or times of day.
- **Set Routines and Automations:** Schedule lights to turn on/off, dim, or change color based on time, presence detection, or other triggers. For example, have lights welcome you home automatically.
- **Sync with Media:** Experience immersive lighting by syncing your lights with movies, games, and music (requires additional Hue accessories).

Voice Control

Integrate your Philips Hue lights with popular voice assistants for convenient hands-free control:

- **Amazon Alexa:** Set up voice control in the Hue app and use commands like "Alexa, turn off the porch lights."
- **Google Assistant:** Control your lights with simple voice commands through Google Assistant.
- **Apple HomeKit:** Integrate with Apple HomeKit for control via Siri.

Extend voice control outdoors

Works with Amazon Alexa and the Google Assistant

5. MAINTENANCE

The Philips Hue Lucca Outdoor Smart Wall Light is designed for durability and minimal maintenance.

- **Weatherproof Design:** This light fixture is specifically designed for outdoor use and has undergone rigorous testing to withstand various weather conditions, including rain. It is UL Wet Location rated.
- **Cleaning:** To clean the fixture, ensure power is off. Wipe gently with a soft, damp cloth. Avoid abrasive cleaners or solvents that could damage the finish.
- **Bulb Replacement:** The E26 LED bulbs are designed for long life. If replacement is necessary, use only compatible Philips Hue E26 White and Color Ambiance LED bulbs.

Weather resistant,
Made for outdoor use

6. TROUBLESHOOTING

If you encounter issues with your Philips Hue Lucca Outdoor Smart Wall Light, consider the following common solutions:

- **Light Not Responding:**

- Check the power supply to the fixture.
- Ensure the Philips Hue Bridge is powered on and connected to your network.
- Verify the light is within range of the Hue Bridge.
- Restart the Hue Bridge by unplugging it for 10 seconds and plugging it back in.

- **App Connectivity Issues:**

- Ensure your smartphone/tablet is connected to the same Wi-Fi network as the Hue Bridge.
- Update the Philips Hue app to the latest version.
- Clear the app cache or reinstall the app if problems persist.

- **Lights Not Changing Color/Brightness:**

- Confirm the bulbs are Philips Hue White and Color Ambiance bulbs.
- Check the settings in the Hue app for the specific light.

For more detailed troubleshooting or persistent issues, please refer to the Philips Hue support website or contact customer service.

7. SPECIFICATIONS
