ESR BI24-120200-AdU

ESR HaloLock 3-in-1 Wireless Charger Stand User Manual

Model: BI24-120200-AdU | Brand: ESR

1. PRODUCT OVERVIEW

The ESR HaloLock 3-in-1 Wireless Charger Stand is a versatile charging solution designed for iPhone 15/14/13/12 series, AirPods Pro/3/2, and Apple Watch. It features CryoBoost fast charging technology with a phone-cooling fan and heat-dissipating design to maintain optimal charging speeds. This magnetic wireless charging station provides a secure and adjustable view for your devices, supporting both portrait and landscape orientations. It also includes a sleep-friendly dark charging mode for uninterrupted rest.

The ESR HaloLock 3-in-1 Wireless Charger Stand in Arctic White, shown with its included power adapter.

2. WHAT'S IN THE BOX

- HaloLock 3-in-1 wireless charger with CryoBoost
- Power adapter with 5ft (1.5m) charging cable
- Manual

3. SETUP

1. Connect the provided power adapter to the charging stand and plug it into a wall outlet.
2. To enable Apple Watch charging, insert your own Apple Watch USB-A or USB-C charging cable into the designated slot on the stand. Route the cable neatly through the integrated cable management channels.
3. Ensure all connections are secure before placing devices on the charger.

The Fastest Magnetic Charging

Charging iPhone 13 While Watching Videos

ESR Charger with CryoBoost		3 hrs
Official MagSafe Charger		7 hrs 30 min
3rd-Party MagSafe Charger		4 hrs 50 min

Detailed steps for installing your Apple Watch charging cable into the stand.

4. OPERATING INSTRUCTIONS

4.1 Charging Your Devices

- **iPhone:** Place your MagSafe-compatible iPhone (iPhone 16/15/14/13/12 series) onto the magnetic charging pad. The powerful magnets will automatically align your device for optimal charging.
- **AirPods:** Place your AirPods Pro/3/2 (with wireless charging case) onto the base charging pad. Ensure proper alignment for charging to begin.

- **Apple Watch:** Once your Apple Watch charging cable is installed, place your Apple Watch onto the integrated watch charger.

Strong Magnetic Lock

Powerful magnets keep your phone securely attached

*Combine with a HaloLock case for the strongest magnetic lock

Instant magnetic attachment and charging for your devices.

Sleep-Friendly

Dark charging mode ensures uninterrupted sleep

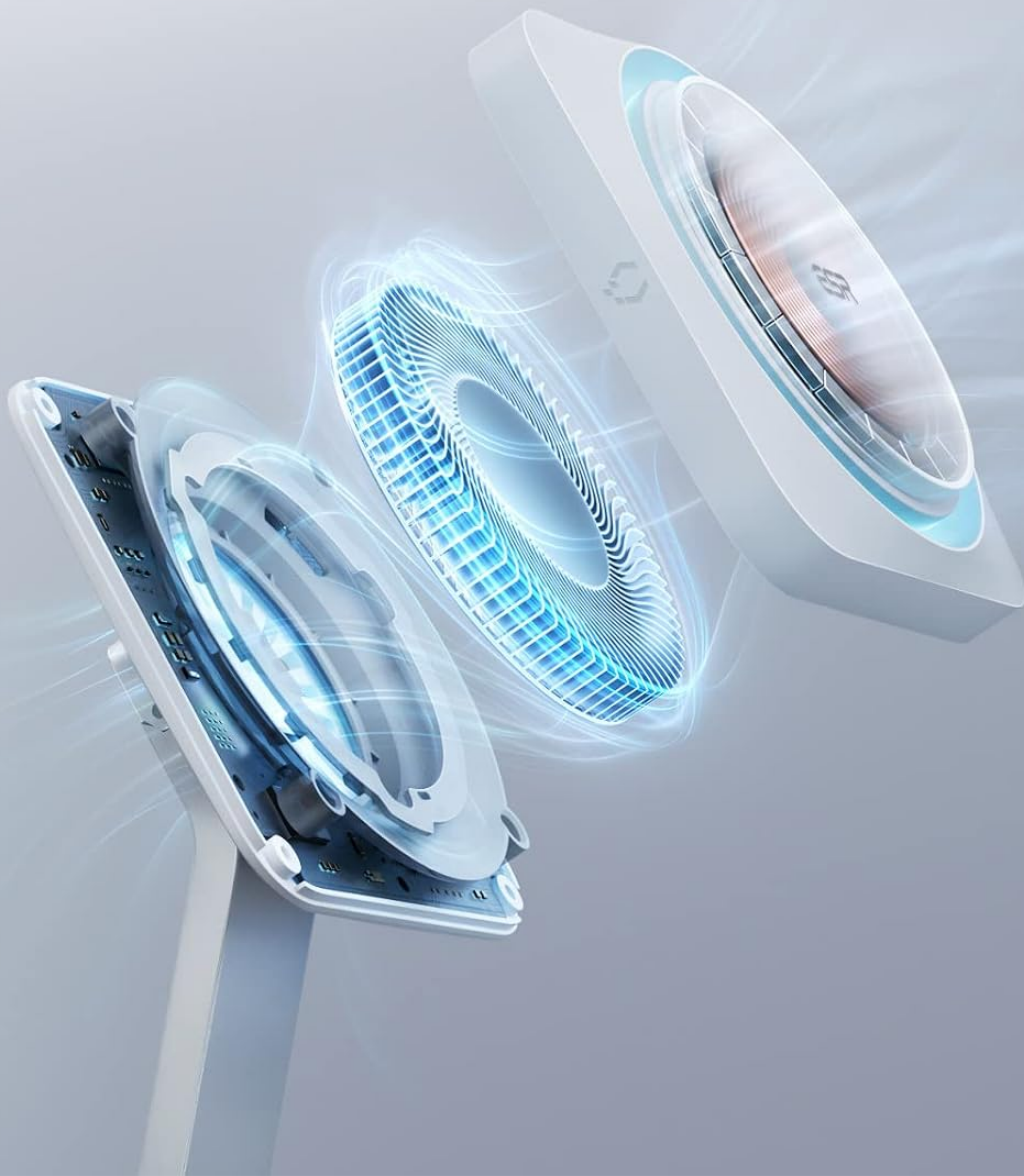

Powerful magnets ensure a strong and secure hold for your iPhone.

4.2 CryoBoost Fast Charging

The CryoBoost technology utilizes a phone-cooling fan and advanced heat-dissipating components to keep your device cool during charging. This allows for faster and more efficient magnetic charging, especially when using your phone for video playback or other demanding tasks.

ryoBoost Fast Charging

Phone-cooling fan and heat-dissipating
tech unlock faster magnetic charging

CryoBoost technology with integrated fan for optimal cooling during charging.

Power in a Snap

Instant magnetic attachment
and charging for 3 devices

*Base charging pad only for AirPods; Apple Watch charger not included

Experience faster charging speeds, even while actively using your device.

4.3 Adjustable Viewing Angle

The 360° magnetic ring allows you to easily switch your iPhone between portrait and landscape modes. The adjustable ball joint provides flexibility to find the perfect viewing angle for your needs.

4.4 Sleep-Friendly Dark Charging Mode

To ensure uninterrupted sleep, press the dedicated button on the stand to activate dark charging mode. This will turn off the status light and the cooling fan. Please note that CryoBoost fast charging is not supported when in dark charging mode.

Watch Your Way

Choose portrait or landscape and the angle you want

Activate dark charging mode for a peaceful night's sleep.

5. COMPATIBILITY

The ESR HaloLock 3-in-1 Wireless Charger Stand is compatible with the following devices:

- **iPhones:** iPhone 16, iPhone 16 Pro, iPhone 16 Pro Max, iPhone 16 Plus, iPhone 15, iPhone 15 Pro, iPhone 15 Pro Max, iPhone 15 Plus, iPhone 14, iPhone 14 Plus, iPhone 14 Pro, iPhone 14 Pro Max, iPhone 13, 13 Pro, 13 Pro Max, 13 mini, iPhone 12, 12 Pro, 12 Pro Max, 12 mini.
- **AirPods:** AirPods Pro, AirPods (3rd generation), AirPods (2nd generation) with wireless charging case.

- **Apple Watch:** All Apple Watch models (requires user's own USB-A or USB-C charging cable).
- For optimal magnetic hold and charging, use with official MagSafe cases or ESR HaloLock cases.

Comprehensive compatibility with various Apple devices and accessories.

6. MAINTENANCE

To ensure the longevity and optimal performance of your charging stand, follow these maintenance guidelines:

- Keep the charging stand clean and free from dust and debris. Use a soft, dry cloth to wipe surfaces.

- Avoid using harsh chemicals or abrasive cleaners, as these can damage the finish.
- Ensure the charging ports and surfaces are clear of obstructions.
- Do not expose the device to extreme temperatures or humidity.

7. TROUBLESHOOTING

7.1 Device Not Charging

- **Check Power Connection:** Ensure the power adapter is securely plugged into the charging stand and a working wall outlet.
- **Proper Placement:** Verify that your device is correctly aligned on the magnetic charging pad (for iPhone) or the base charging pad (for AirPods). For iPhone, ensure it snaps securely into place.
- **Case Compatibility:** If using a case, ensure it is MagSafe-compatible or an ESR HaloLock case. Non-MagSafe cases may interfere with magnetic alignment and charging efficiency.
- **Apple Watch Cable:** Confirm your Apple Watch charging cable is properly inserted and connected within the stand.

7.2 Slow Charging Speed

- **Power Adapter:** Ensure you are using the provided power adapter, which is optimized for the charger's performance.
- **Dark Charging Mode:** CryoBoost fast charging is not active when the sleep-friendly dark charging mode is enabled. Disable dark mode if you require maximum charging speed.
- **Background Apps:** Excessive background app activity on your device can slow down charging.

7.3 Overheating

- The CryoBoost feature is designed to prevent overheating. If your device or the charger feels excessively hot, discontinue use and ensure it is placed in a well-ventilated area.
- Ensure no foreign objects are obstructing the cooling fan or ventilation openings.
- If overheating persists, contact customer support.

7.4 Fan Noise

- The cooling fan is a normal part of the CryoBoost fast charging technology. A low hum is expected during operation.
- If the fan noise is bothersome, activate the sleep-friendly dark charging mode to turn off the fan and status lights.

8. SPECIFICATIONS

Feature	Detail
Product Dimensions	7.28 x 6.3 x 3.54 inches
Item Weight	14.1 ounces
Item Model Number	BI24-120200-AdU
Connectivity Technology	USB

Feature	Detail
Connector Type	USB Type B, USB Type C
Input Voltage	12 Volts (DC)
Special Feature	Fast Charging (CryoBoost)
Color	Arctic White
Mounting Type	Tabletop Mount

9. WARRANTY AND SUPPORT

For warranty information and customer support, please refer to the documentation included with your product or visit the official ESR website. You can also contact ESR customer service directly for assistance with product inquiries, troubleshooting, or warranty claims.
