4. SETUP

4.1 First Use & Charging

Before first use, fully charge your headphones. Connect the provided USB-C charging cable to the charging port on the headphones and a compatible USB power source. The LED indicator will show charging status.

4.2 Bluetooth Pairing

1. Ensure the headphones are powered off.
2. Press and hold the Power button until the LED indicator flashes blue and red, indicating pairing mode.
3. On your device (smartphone, tablet, etc.), enable Bluetooth and search for available devices.
4. Select "Bingozones 520" from the list.
5. Once connected, the LED indicator will turn solid blue or flash blue slowly.

5. OPERATING INSTRUCTIONS

5.1 Button Functions

- **Power Button:** Press and hold to power on/off. Short press to play/pause music or answer/end calls.
- **Volume Up / Next Track Button:** Short press to increase volume. Long press to skip to the next track.
- **Volume Down / Previous Track Button:** Short press to decrease volume. Long press to go to the previous track.
- **Multi-function Button:** (Refer to specific product diagram for exact location and function, typically for voice assistant activation or call management.)

5.2 Voice Assistant

Activate your device's voice assistant (Siri, Google Assistant) by pressing the designated multi-function button (refer to the product diagram for exact button). This allows for hands-free control.

5.3 Wearing the Headphones

Place the headphones over your ears with the speakers resting in front of your ear canals, not inside them. The flexible band should sit comfortably around the back of your neck. Adjust for a secure and comfortable fit.

6. CHARGING

The Bingozones Model 520 headphones feature a USB-C charging port. A full charge takes approximately 2 hours and provides up to 8 hours of playtime, depending on usage and volume levels. The charging port has a cover to maintain its IPX6 waterproof rating.

7. MAINTENANCE

- **Cleaning:** Wipe the headphones with a soft, damp cloth. Do not use abrasive cleaners or immerse them in water.
- **Storage:** Store in a cool, dry place away from direct sunlight and extreme temperatures.
- **Water Resistance:** The IPX6 rating means the headphones are resistant to strong water jets. Do not submerge them in water. Ensure the charging port cover is securely closed when not charging.

8. TROUBLESHOOTING

- **No Power:** Ensure the headphones are fully charged.
- **Cannot Pair:** Make sure the headphones are in pairing mode (flashing blue/red LED). Turn off and on your device's Bluetooth, then try pairing again.
- **Poor Sound Quality/Disconnection:** Ensure the headphones are within the Bluetooth range of your device (typically 10 meters/33 feet) and there are no significant obstructions.
- **Controls Not Responding:** Try restarting the headphones and your connected device.
