# Farberware Classic Traditions Stainless Steel Roaster/Roasting Pan with Rack User Manual

Model: 48563

## INTRODUCTION

---

Thank you for choosing the Farberware Classic Traditions Stainless Steel Roaster with Rack. This durable and versatile roasting pan is designed to help you prepare delicious meals with ease, from large roasts to holiday turkeys. Crafted from high-quality stainless steel, it offers excellent heat distribution and is built for long-lasting performance. Please read this manual carefully before first use to ensure proper handling and care of your new roaster.

## SETUP

---

1. **Unpacking:** Carefully remove all packaging materials and labels from the roaster and rack.
2. **Initial Cleaning:** Before first use, wash the roaster and rack thoroughly with warm, soapy water. Rinse well and dry completely to prevent water spots.
3. **Assembling the Rack:** Place the removable stainless steel rack inside the roasting pan. Ensure it sits securely at the bottom of the pan. The rack is designed to elevate food, allowing for even cooking and browning, and to collect drippings for gravies.

## OPERATING INSTRUCTIONS

---

- **Oven Safety:** The Farberware Roaster is oven safe up to 500°F (260°C). Always ensure your oven temperature does not exceed this limit.
- **Preheating:** For best results, preheat your oven to the desired temperature before placing the roaster inside.
- **Food Placement:** Place your roast, poultry, or other food items directly on the rack. The rack allows air to circulate around the food, promoting even cooking and browning on all sides.
- **Collecting Drippings:** The space beneath the rack is ideal for collecting flavorful drippings, which can be used to make gravies, sauces, or simply to baste your food.
- **Handling:** The roaster features wide, sturdy handles for a secure grip. Always use oven mitts or heat-resistant gloves when handling the hot pan.

## MAINTENANCE AND CARE

---

- **Dishwasher Safe:** For convenient and effortless cleanup, the Farberware Roaster and rack are dishwasher safe.
- **Hand Washing:** If hand washing, use warm, soapy water and a non-abrasive sponge or cloth. For stubborn food residue, soak the pan in warm water before cleaning. Avoid using steel wool or harsh abrasive cleaners, as they can scratch the stainless steel surface.
- **Drying:** Dry the roaster and rack immediately after washing to prevent water spots and maintain their mirror-polished finish.
- **Storage:** Store the roaster and rack in a dry place. You can store the rack inside the pan to save space.

# EASY CLEAN DISHWASHER SAFE

FOR CONVENIENT AND  
EFFORTLESS CLEANUP

**FARBERWARE®**

Image: Various Farberware stainless steel cookware items, including the roasting pan, being cleaned inside a dishwasher, illustrating its dishwasher-safe feature.

## TROUBLESHOOTING

- **Food Sticking:** Ensure you are using appropriate cooking fats or non-stick sprays as needed for your recipe. Stainless steel is not inherently non-stick.
- **Discoloration:** High heat can sometimes cause a slight blue or brown tint on stainless steel. This is normal and does not affect performance. It can often be removed with a stainless steel cleaner.
- **Water Spots:** To avoid water spots, dry the pan immediately after washing. For existing spots, a solution of vinegar and water can help, followed by thorough drying.

## SPECIFICATIONS

**17 x 12.25 inch Stainless Steel  
Roaster with Rack**

**FARBERWARE®**
