Nautica 5-Position Reclining Beach Chair Instruction Manual

Model: 2XNTBC22E-CHR-FBM

INTRODUCTION

Thank you for choosing the Nautica 5-Position Reclining Beach Chair. This manual provides essential information for the safe and effective use, setup, and maintenance of your beach chair. Please read it thoroughly before use and retain it for future reference.

PRODUCT FEATURES

- **5-Position Recline:** Easily adjust the backrest to one of five comfortable reclining positions for optimal relaxation.
- **Padded Comfort Pillow:** Provides additional head and neck support.
- **Double Cup Holders:** Conveniently located to keep beverages, phones, or sunglasses within reach.
- **Lightweight & Portable:** Designed with padded shoulder straps for easy transportation.
- **Umbrella Sling:** Allows for easy attachment of any standard-size beach umbrella (umbrella sold separately).
- **Durable Construction:** Heavy-duty design supports up to 300 pounds per chair.

SETUP INSTRUCTIONS

1. **Unfolding the Chair:**

Place the folded chair on a flat, stable surface. Gently pull the armrests outwards to begin unfolding the chair. Continue to open the chair until the seat and backrest fabric are taut and the frame is fully extended and locked into place. Ensure all locking mechanisms are engaged before use.

OPERATING INSTRUCTIONS

1. Adjusting Recline Positions:

To adjust the recline, slightly lift the armrests. This disengages the backrest from its current position. Lean the backrest forward or backward to your desired position. Once the desired angle is achieved, lower the armrests to lock the backrest into one of the five available positions. Ensure the backrest is securely locked before leaning back.

2. **Using Cup Holders:**

Each chair is equipped with double cup holders located on the side. These are suitable for holding beverages, small personal items, or sunscreen.

ELEVATE YOUR CLASS

Pair your chair set with a matching Nautica beach umbrella for the ultimate upgraded beach day set up.

3. **Folding for Transport:**

To fold the chair, ensure the backrest is in its most upright position. Lift the seat slightly and push the front and back legs together until the chair collapses into a compact form. Secure any straps if present to keep it folded.

4. **Using Backpack Straps:**

Once folded, the chair features padded shoulder straps. Adjust these straps to comfortably carry the chair on your back, freeing your hands for other items.

MAINTENANCE

- **Cleaning:** Wipe the chair clean with a damp cloth. Avoid using harsh chemicals or submerging the chair in water.
- **Storage:** Store the chair in a dry place when not in use to prevent rust or mildew.
- **Inspection:** Periodically inspect the frame, fabric, and moving parts for any signs of wear or damage.

SAFETY INFORMATION

- Do not exceed the maximum weight recommendation of 300 pounds.
- Be cautious when adjusting the reclining position to prevent injury. Ensure fingers and other body parts are clear of moving parts.
- Always ensure the chair is fully open and all locking mechanisms are engaged before sitting.
- Do not stand on the chair.
- Keep away from open flames or extreme heat sources.
