1. SAFETY INFORMATION

Warning: This product requires assembly. Follow the provided assembly instructions carefully to ensure the stability and durability of the product. Do not use the product until it is completely assembled and stable.

- Ensure all parts are present and undamaged before assembly.
- Keep small parts away from children during assembly.
- Place the chair on a flat, stable surface.
- Avoid standing on the chair or using it as a step stool.
- Do not allow children to play with the reclining mechanism.

2. PRODUCT OVERVIEW

The HOMCOM Manual Recliner Chair is designed for comfort and relaxation in various settings, including living rooms, bedrooms, and offices. It features a plush velvet upholstery, thick padding, and a high backrest for ergonomic support. The integrated footrest extends and retracts manually, allowing you to easily switch between upright and reclined positions.

Key Features:

- **Manual Reclining:** Reclines up to 135° with an integrated footrest for enhanced comfort. The footrest can be closed to save space when not in use.
- **Ergonomic Design:** High backrest and armrests provide excellent support for your back and arms, ensuring comfortable relaxation in any position. The integrated headrest offers exceptional comfort.
- **Comfortable and Durable:** Upholstered in soft, skin-friendly velvet fabric with thick, high-density foam padding and a sturdy metal frame for durability.
- **Side Pockets:** Practical side pockets are ideal for keeping essential items like remote controls, phones, or magazines within easy reach.

3. SETUP (ASSEMBLY)

This recliner chair requires assembly. Please follow the detailed instructions provided in the separate assembly guide included with your product. Ensure all components are accounted for before beginning assembly. Tools for assembly are typically included.

General Assembly Steps:

1. Unpack all components and verify against the parts list in your assembly guide.
2. Attach the base and legs according to the instructions.
3. Connect the backrest to the seat frame.
4. Attach the armrests.
5. Ensure all bolts and fasteners are securely tightened.
6. Test the reclining mechanism for smooth operation before first use.

4. OPERATING INSTRUCTIONS

Reclining the Chair:

1. To recline, locate the lever on the side of the chair (typically on the right side when seated).
2. Pull the lever to release the footrest.
3. Lean back gently to recline the backrest to your desired angle, up to 135 degrees. The footrest will extend simultaneously.

Returning to Upright Position:

1. To return to the upright position, push down on the footrest with your legs until it locks into place.
2. Simultaneously, lean forward to bring the backrest to its upright position.

Video 4.4: This video illustrates the manual reclining mechanism and the chair's stability. It also provides a closer look at the chair's construction and features, including the footrest operation.

5. MAINTENANCE

Cleaning the Velvet Fabric:

- **Regular Cleaning:** Vacuum the chair regularly using a soft brush attachment to remove dust and loose debris.
- **Spot Cleaning:** For spills, blot immediately with a clean, dry cloth. Do not rub, as this can spread the stain and damage the velvet pile.
- **Deep Cleaning:** For tougher stains, use a mild fabric cleaner specifically designed for velvet. Test the

cleaner on an inconspicuous area first to ensure it does not cause discoloration. Follow the cleaner's instructions carefully.

- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, solvents, or harsh detergents, as these can damage the fabric.

Frame and Mechanism Care:

- Periodically check all bolts and screws to ensure they are tight. Retighten if necessary.
- Keep the reclining mechanism free from obstructions.
- Avoid exposing the chair to direct sunlight or extreme temperatures, which can cause fading or material degradation.

6. TROUBLESHOOTING

Issue: Chair does not recline smoothly or footrest is stuck.

- **Solution:** Check for any obstructions around or under the footrest and reclining mechanism. Ensure all assembly bolts are securely tightened. If the issue persists, gently apply pressure to the footrest while pulling the lever.

Issue: Chair feels unstable or wobbly.

- **Solution:** Verify that all legs are firmly on the ground and that all assembly fasteners are tightened. Ensure the chair is placed on a level surface.

Issue: Fabric appears flattened or matted.

- **Solution:** Gently brush the velvet pile with a soft brush or a clean, damp cloth to restore its texture.

7. SPECIFICATIONS

Feature	Detail
Brand	HOMCOM
Model Number	ES839-339BK0731
Color	Black
Material	Polyester (Velvet), Foam, Metal
Overall Dimensions (Upright)	88L x 91W x 108H cm
