2. PRODUCT FEATURES

- **High-Quality Material:** Constructed from reinforced heavy-duty cold-rolled steel plate, ensuring durability, scratch resistance, and rust resistance.
- **Practical Design:** Features 4 swing doors with a 180° opening angle and 2 adjustable shelves for customizable storage.
- **Lockable Security:** Equipped with a high-grade lock and includes two keys for securing valuables and ensuring privacy.
- **Weight Capacity:** Each of the 2 adjustable shelves can hold up to 180 lbs, with a total cabinet weight limit of 600 lbs.
- **Multiple Uses:** Suitable for offices, garages, basements, shops, homes, kitchens, warehouses, and school classrooms.
- **Easy Assembly:** Designed as a knock-down structure with detailed assembly instructions provided.

3. PACKAGE CONTENTS

The cabinet is shipped as a knock-down structure and includes all necessary components for assembly. Please verify all parts are present before beginning assembly.

- Metal panels for cabinet frame (sides, top, bottom, back)
- 4 swing doors
- 2 adjustable shelves
- Locking mechanism with 2 keys
- Metal handles
- Assembly hardware (screws, nuts, bolts)
- Detailed assembly instructions

4. SETUP AND ASSEMBLY INSTRUCTIONS

The Yizosh Metal Storage Locking Cabinet is designed for straightforward assembly. Follow these steps carefully to ensure proper construction and stability.

4.1. Preparation

- Clear a spacious, flat, and clean area for assembly.
- Unpack all components and verify against the parts list in the manual.
- Gather necessary tools: a screwdriver (preferably a power drill for efficiency).

4.2. Assembly Steps

1. Begin by connecting the base panels as indicated in the manual.
2. Attach the side panels to the base, ensuring all screws are securely fastened.
3. Install the back panels, aligning them with the pre-drilled holes.
4. Secure the top panel to complete the main cabinet frame.
5. Insert the adjustable shelf supports into the desired slots on the side panels.
6. Place the adjustable shelves onto the supports.
7. Attach the door hinges to the cabinet frame and then mount the 4 swing doors.
8. Install the metal handles and the locking mechanism on the doors.

5. OPERATING INSTRUCTIONS

5.1. Locking Mechanism

The cabinet is equipped with a secure locking mechanism. Insert one of the provided keys into the lock on the door and turn to secure or unlock the cabinet. Two keys are included for convenience.

5.2. Adjustable Shelves

The cabinet features 2 adjustable shelves. To adjust a shelf's height, remove the shelf and its supports from the current position. Reinsert the supports into the desired slots along the side panels, then place the shelf back onto the supports. This allows for flexible storage configurations to accommodate items of various sizes.

6. MAINTENANCE

- **Cleaning:** Wipe surfaces with a soft, damp cloth and mild detergent. Avoid abrasive cleaners that may damage the powder-coated finish.
- **Rust Prevention:** The cabinet features an environmental protection powder coating for scratch and rust resistance. Regularly inspect for any damage to the coating and address promptly to prevent rust.
- **General Care:** Ensure the cabinet is placed on a level surface to maintain door alignment and overall stability.

7. TROUBLESHOOTING

- **Wobbly Cabinet:** Ensure all screws and bolts are tightened. Verify the cabinet is on a level surface; adjust the feet if necessary.
- **Doors Not Aligning:** Check that the cabinet frame is square and level. Adjust hinges if needed,

following the assembly instructions.

- **Difficulty with Assembly:** Re-read the detailed assembly instructions carefully. Ensure all parts are correctly oriented before fastening.

8. SPECIFICATIONS

Specification	Detail
Brand	Yizosh
Model Name	TSJ-GW
Item Model Number	4DC-GW
Color	White
