IRALAN ILCL

IRALAN Modern Lotus Ceiling Lamp User Manual

Model: ILCL

Safety Instructions Package Contents Setup & Installation Operating Instructions Maintenance Troubleshooting Specifications Warranty & Support

Introduction

Thank you for purchasing the IRALAN Modern Lotus Ceiling Lamp, Model ILCL. This manual provides essential information for safe installation, operation, and maintenance of your new lighting fixture. Please read this manual thoroughly before installation and retain it for future reference.

Safety Instructions

WARNING: To reduce the risk of fire, electric shock, or personal injury, always follow these safety precautions:

- Always turn off the main power supply at the circuit breaker before beginning installation or maintenance.
- Installation must be performed by a qualified electrician in accordance with all local electrical codes.
- Ensure the mounting surface can support the weight of the fixture.
- Do not connect the fixture to an ungrounded electrical system.
- Do not attempt to modify the fixture in any way.
- Keep flammable materials away from the lamp.
- This fixture is designed for indoor use only.
- Do not look directly into the LED light source when illuminated.

Package Contents

Carefully unpack the fixture and inspect for any damage. Ensure all components are present before discarding packaging materials.

- IRALAN Modern Lotus Ceiling Lamp (Model ILCL)
- Remote Control
- Mounting Hardware (screws, anchors)
- User Manual (this document)

Image: Contents of the IRALAN Modern Lotus Ceiling Lamp package, including the lamp body and remote control.

Setup & Installation

Tools Required: Screwdriver, Wire Strippers, Drill, Ladder, Voltage Tester.

1. **Turn off Power:** Before starting, ensure the power supply to the installation area is completely OFF at the circuit breaker.
2. **Prepare Mounting Surface:** Mark the drilling points for the mounting bracket on the ceiling. Drill pilot holes and insert wall anchors if necessary.
3. **Attach Mounting Bracket:** Secure the mounting bracket to the ceiling using the provided screws.
4. **Electrical Connections:** Connect the fixture's wires to the household electrical wires.
    - Connect the **Live (L)** wire from the fixture to the household Live wire.
    - Connect the **Neutral (N)** wire from the fixture to the household Neutral wire.
    - Connect the **Ground (GND)** wire from the fixture to the household Ground wire.

    Ensure all connections are secure with wire nuts.
5. **Mount the Fixture:** Carefully lift the lamp body and attach it to the mounting bracket, securing it with the provided

screws.

6. **Restore Power:** Once the fixture is securely installed and all connections are checked, restore power at the circuit breaker.

Note: This lamp is designed for ceiling-mounted installation. Professional installation is recommended.

Operating Instructions

Remote Control Operation

The IRALAN Ceiling Lamp can be controlled using the included remote control. Insert 2x AAA batteries (not included) into the remote control.

- **Power On/Off:** Press the **ON/OFF** button to turn the lamp on or off.
- **Brightness Adjustment:** Use the **+** and **-** buttons to increase or decrease brightness.
- **Color Temperature Adjustment:** Use the **Warm White** and **Cool White** buttons to adjust the color temperature.
- **Scene Modes:** Some remotes may include preset scene modes (e.g., Night Light, Reading). Refer to the remote's specific buttons.

Smartphone App Control (Bluetooth)

For advanced control, download the dedicated smartphone application. The app allows for adjustable brightness and color temperature.

1. **Download App:** Scan the QR code or visit http://new.zscbled.com/app/neutral to download the application.
2. **Enable Bluetooth:** Ensure Bluetooth is enabled on your smartphone.
3. **Pairing:** Open the app and follow the on-screen instructions to pair with your IRALAN ceiling lamp. The lamp should be powered on during pairing.
4. **App Functions:**
    - Adjust brightness levels.
    - Change color temperature (warm white to cool white).
    - Set timers or schedules (if available in app).

Note: Models without remote control functionality do not support the phone app.

Maintenance

- **Cleaning:** Always turn off the power before cleaning. Use a soft, dry cloth to wipe the fixture. Do not use abrasive cleaners, solvents, or polishes as they may damage the finish.
- **Bulb Replacement:** The IRALAN Ceiling Lamp uses integrated LED chips with a lifespan of approximately 50,000 hours. These are not user-replaceable. If the LEDs fail, contact customer support.
- **Inspection:** Periodically check the fixture for any loose connections or signs of damage.

Troubleshooting

Problem	Possible Cause	Solution
Lamp does not turn on.	No power supply. Loose wiring connection. Remote control batteries are dead.	Check circuit breaker. Verify all electrical connections are secure (power off first!). Replace remote control batteries.
Remote control not working.	Batteries are dead or incorrectly inserted. Remote is too far from the lamp. Obstruction between remote and lamp.	Replace batteries, ensure correct polarity. Move closer to the lamp. Remove any obstructions.
App cannot connect to the lamp.	Bluetooth is off on phone. Lamp is not powered on. Incorrect pairing procedure.	Enable Bluetooth on your phone. Ensure the lamp is powered on. Follow app pairing instructions carefully.
Light flickers or dims unexpectedly.	Unstable power supply. Loose wiring. Faulty LED driver.	Consult an electrician to check power supply. Check wiring connections (power off first!). Contact customer support.

Specifications
