HAUSHOF 20 Ounces

HAUSHOF 20 oz Stainless Steel Vacuum Insulated Tumbler Instruction Manual

Model: 20 Ounces | Brand: HAUSHOF

1. PRODUCT OVERVIEW

The HAUSHOF 20 oz Stainless Steel Vacuum Insulated Tumbler is designed to maintain beverage temperatures for extended periods. Its double-wall vacuum insulation keeps drinks hot for over 6 hours and cold for over 18 hours. Constructed from durable 18/8 stainless steel, it features a BPA-free Tritan lid for secure and convenient use.

2. KEY FEATURES

- **Double-Wall Vacuum Insulation:** Engineered to prevent temperature loss, keeping hot beverages warm for over 6 hours and cold beverages chilled for over 18 hours.
- **18/8 Stainless Steel Construction:** Ensures durability, meets hygiene standards, and provides a long service life. The inner wall is smooth and polished for easy cleaning.
- **BPA-Free Tritan Lid:** The tough and durable lid is resistant to dirt and odors, offering impact resistance. It features a large drinking port suitable for direct sipping or straw insertion.
- **Sweat-Free Exterior:** Prevents condensation on the outer wall when holding cold drinks, keeping surfaces dry.
- **Cup Holder Friendly Design:** The tumbler's shape is designed to fit most standard car cup holders for convenient travel.

Product quality and functionality
are tested multiple times

DOUBLE WALL VACUUM INSULATED

-  Copper Liner
-  BPA-Free for Lid
-  Sweat-Free Exterior

3. USAGE INSTRUCTIONS

3.1 Filling the Tumbler

1. Ensure the tumbler is clean and dry before use.
2. For hot beverages, carefully pour the liquid into the tumbler. Do not overfill; leave space for the lid.
3. For cold beverages, add ice and then your desired drink.

3.2 Securing the Lid

1. Place the Tritan lid onto the tumbler opening.
2. Press down firmly and twist clockwise until the lid is securely sealed.
3. Ensure the flip-top closure is in the closed position to prevent spills during transport.

2 WAYS TO DRINK

Figure 4: The Tritan lid allows for direct sipping or straw use.

3.3 Transport and Compatibility

The tumbler's design is compatible with most vehicle cup holders, making it suitable for travel. Always ensure the lid is tightly sealed before placing it in a bag or vehicle.

4. CARE AND MAINTENANCE

- **Hand Wash Only:** To preserve the insulation properties and finish, hand wash the tumbler and lid with warm, soapy water.
- **Avoid Abrasive Cleaners:** Do not use bleach or cleaners containing chlorine, as these can damage the stainless steel and finish.
- **Lid Cleaning:** The lid is removable for thorough cleaning. Ensure all parts are dry before reassembling.
- **Storage:** Store the tumbler with the lid off to allow for air circulation and prevent odor buildup.

Figure 6: Removable lid design facilitates easy cleaning.

5. TROUBLESHOOTING

Problem	Possible Cause	Solution
Beverage not staying hot/cold	Lid not sealed properly; extreme ambient temperature.	Ensure lid is tightly secured. Note that extreme temperatures can affect retention times.
Lid leaking	Lid not aligned or sealed; gasket issue.	Re-seat the lid, ensuring it's properly aligned and twisted on. Check the silicone gasket for damage or misalignment.
Metallic taste	New product residue; improper cleaning.	Wash thoroughly with warm, soapy water before first use. Ensure complete rinsing after each wash.

6. SPECIFICATIONS

Feature	Detail
Capacity	20 Fluid Ounces
Material	18/8 Stainless Steel (Body), Tritan (Lid)
Insulation	Double-Wall Vacuum Insulated with Copper Liner
Dimensions (W x H)	2.5" x 7"
Weight	12 ounces
Care Instructions	Hand Wash Only
Special Features	BPA-Free Lid, Sweat-Free Exterior, Cup Holder Friendly

7. IMPORTANT SAFETY INFORMATION

- Do not use in microwave, on stovetop, or in any type of oven.
- Keep out of reach of children when filled with hot liquids.
- Do not use carbonated beverages as pressure buildup can cause the lid to eject forcefully.
- Ensure the lid is securely fastened before drinking or transporting to prevent spills.

Ask about setup, troubleshooting, compatibility, parts, safety, or missing instructions. Manuals+ will review the question and use this page's manual context to help answer it.
