## Ollny HG-29V609C

# Ollny Christmas Lights (Model HG-29V609C)

User Instruction Manual

### PRODUCT OVERVIEW

The Ollny Christmas Lights (Model HG-29V609C) offer a versatile lighting solution for both indoor and outdoor festive decorations. This set includes 600 LED lights spread across a 197-foot string, featuring both warm white and multicolor options. Designed for convenience, it comes with a spool for easy handling and storage, a remote control for effortless operation, and a UL-listed plug for safety.

Key features include 11 distinct lighting modes, 4 adjustable brightness levels, and a memory function that retains your last selected settings. With an IP67 waterproof rating, these lights are built to withstand various weather conditions, making them suitable for year-round use.

## PACKAGE CONTENTS

---

Please ensure all items are present in the package:

- 1x 600 LED Holiday String Lights with Spool
- 1x Remote Control
- 1x Controller Box
- 1x UL Listed Plug
- 1x User Manual

## SAFETY INFORMATION

---

- Always connect to the power supply first to ensure the lights work before installation.
- Do not attempt to open or modify the adapter.
- Keep the string lights away from excessive heat or corrosive liquids.
- The light source is not replaceable. If the light source reaches its end of life, the entire luminaire should be replaced.
- Ensure the transparent tab is removed from the remote control before use.

## SETUP AND INSTALLATION

---

The Ollny Christmas Lights are designed for easy setup thanks to the included spool. Simply unroll the lights as you install them to prevent tangling. The extra 9.8ft extension cord provides flexibility for placement.

1. **Unpack:** Carefully remove the string lights from the packaging. The lights are wound on a spool to prevent tangling during setup.
2. **Connect Power:** Connect the string lights to the UL listed plug.
3. **Initial Test:** Before permanent installation, plug the lights into a power outlet to ensure they function correctly.
4. **Placement:** Decide on your desired location. These lights are IP67 waterproof, making them suitable for both indoor and outdoor use, including exposure to rain, snow, sun, and wind.
5. **Installation:** Unroll the lights from the spool as you secure them in place. Avoid overstretching wires.

## OPERATING INSTRUCTIONS

---

The Ollny Christmas Lights are operated using the included remote control. Ensure the transparent tab is removed from the remote before first use.

### Remote Control Functions:

- **ON/OFF:** Press the green 'ON' button to turn the lights on, and the red 'OFF' button to turn them off.
- **Modes:** Cycle through 11 different lighting modes using the mode buttons. These include 4 steady lighting modes and 7 flashing modes.
- **Brightness:** Adjust the brightness to one of 4 levels (25%, 50%, 75%, 100%) using the 'DIM' buttons.
- **Timer:** Set a timer for automatic operation. Press '4H', '6H', or '8H' to activate the timer. The lights will automatically turn on at the same time each day for the selected duration.
- **Memory Function:** The lights feature a memory function that remembers your last selected lighting mode and brightness settings, so you don't need to reset them each time.

## MAINTENANCE AND CARE

To ensure the longevity and optimal performance of your Ollny Christmas Lights, follow these maintenance guidelines:

- **Storage:** When not in use, carefully re-wrap the string lights onto the provided spool. Store them in a cool, dry place to prevent damage and tangling.
- **Cleaning:** Gently wipe the lights with a soft, dry cloth if they become dirty. Do not use harsh chemicals or abrasive cleaners.
- **Water Resistance:** The lights are IP67 waterproof, meaning they are protected against immersion in water up to 1 meter for 30 minutes. However, ensure the power adapter and controller box are protected from prolonged heavy rain or submersion if not specifically rated for such conditions.
- **Inspection:** Periodically inspect the lights and wiring for any signs of wear, damage, or loose connections. Discontinue use if any damage is found.

## TROUBLESHOOTING

If you encounter any issues with your Ollny Christmas Lights, please refer to the following common

solutions:

- **Lights Not Turning On:**

- Ensure the power plug is securely inserted into a working electrical outlet.
- Check if the remote control's transparent tab has been removed.
- Verify that the lights are not set to the 'OFF' mode on the remote or controller box.

- **Remote Control Not Responding:**

- Ensure there are no obstructions between the remote and the controller box.
- Check the battery in the remote control and replace it if necessary (1 CR2032 battery included).

- **Partial Lights Out:**

- While the lamp beads are fully wrapped, inspect the string for any visible damage to individual LEDs or wiring.

If the problem persists after attempting these troubleshooting steps, please contact Ollny customer service with your order number for further assistance. We are available 24 hours via email and offer a 12-month friendly customer service.
