podofo SB-A2969A3MI2

podofo Android Car Radio Stereo User Manual

For Honda Accord 2003-2007 (Model: SB-A2969A3MI2)

1. INTRODUCTION

This manual provides comprehensive instructions for the installation, operation, and maintenance of your podofo 10.1-inch Android Car Radio Stereo. This unit is specifically designed for Honda Accord models manufactured between 2003 and 2007. Please read this manual thoroughly before installation and use to ensure proper functionality and to maximize your experience with the device.

2. KEY FEATURES

- **10.1-inch Capacitive HD Touch Screen:** Provides a clear and responsive interface for all functions.
- **Wireless CarPlay & Android Auto:** Seamlessly integrate your smartphone for navigation, communication, and entertainment. Access via the Zlink app.
- **WiFi & GPS Navigation:** Connect to Wi-Fi or a mobile hotspot for online services and real-time navigation. Supports offline maps for navigation without an internet connection.
- **Bluetooth Handsfree Call & FM Radio:** Enjoy stable Bluetooth connectivity for hands-free calling with an external microphone and stream music. Tune into your favorite FM radio stations with RDS support.
- **HiFi Audio with 16-band EQ:** Experience high-fidelity sound with extensive equalization options to customize your listening experience.
- **Steering Wheel Control (SWC):** Retain control of essential functions directly from your vehicle's steering wheel.

- **Full HD Rear View Camera Support:** Enhance parking safety with compatible rear view cameras.
- **Mirroring Link:** Display your smartphone screen directly on the car stereo.
- **Dual USB Ports:** Connect multiple USB devices for media playback or charging.
- **Split Screen Functionality:** Run two applications simultaneously on the display.

3. SETUP AND INSTALLATION

3.1 Compatibility Check

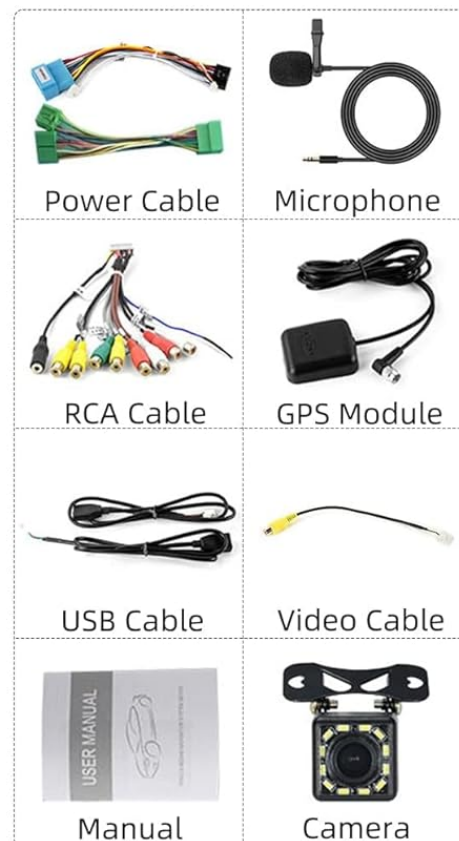

This unit is designed for Honda Accord models from 2003 to 2007. Before installation, please confirm your vehicle's model, year, and compare your center console with product images to ensure compatibility. If unsure, contact customer support with a photo of your vehicle's center console.

3.2 Package Contents

Verify that all components are present in the package:

- 1 x Car Radio for Honda Accord
- 3 x Power Cables
- 1 x GPS Antenna
- 1 x Backup Camera
- 1 x Camera Input Cable
- 1 x RCA Input and Output Cable
- 2 x USB Cables
- 1 x User Manual

3.3 Wiring Instructions

Refer to the following diagrams for correct wiring connections. Professional installation is recommended if you are unfamiliar with car audio system wiring.

3.3.1 Rear Camera Wiring

Connect the backup camera as shown. Ensure the reverse trigger cable (labeled 'back' or 'reverse') is correctly connected. The black cable (D) connects to ground (GND), and the red cable (E) connects to the backup light's positive (+) terminal.

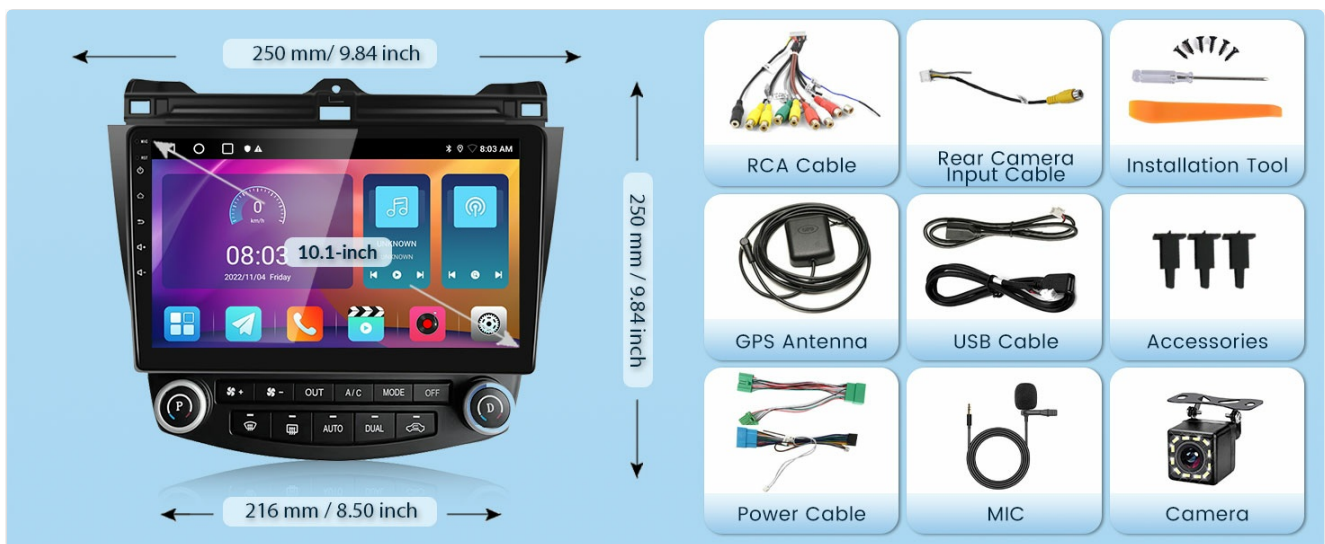

Figure 3.2: Rear camera wiring diagram.

3.3.2 Air Conditioning (AC) Wiring

Wiring varies based on whether your Honda Accord has a single or dual zone AC system.

- **Single AC:** Plug the green AC plugs into the designated ports (A & B) on the unit. Ensure connections 1-1, 2-2, and 3-3 are made.
- **Dual AC:** Do not use the green AC wire from the package. Directly plug your original AC plugs into the 2 ports (A & B) on the unit. Ensure connections 1-1 and 2-2 are made.

4. OPERATING INSTRUCTIONS

4.1 Wireless CarPlay & Android Auto

Connect your smartphone wirelessly or via a wired connection to access CarPlay or Android Auto. Open the 'Zlink' application on the stereo to initiate the connection. This allows access to navigation, phone contacts, emails, and music directly from your phone's interface on the stereo screen.

Wireless Carplay / Android Auto

Hey, Siri, Call Jack.

Goo-gle, Open Navigation.

5. MAINTENANCE

To ensure the longevity and optimal performance of your car stereo, follow these maintenance guidelines:

- **Screen Cleaning:** Use a soft, lint-free cloth specifically designed for electronic screens. Dampen the cloth slightly with water or a screen cleaner, then gently wipe the screen. Avoid harsh chemicals or abrasive materials.
- **Software Updates:** Periodically check for available software updates through the unit's settings menu. Updates can improve performance, add new features, and resolve bugs.
- **Environmental Care:** Avoid exposing the unit to extreme temperatures, direct sunlight for prolonged periods, or

excessive moisture.

6. TROUBLESHOOTING

If you encounter issues with your podofo car stereo, refer to the following common problems and solutions:

- **AC Control Screen Interruption:** If the AC control screen frequently interrupts other functions, check the unit's system settings for options to manage or bypass this feature. Some settings may allow you to adjust its behavior.
- **AC Non-Functional After Installation:** This is often due to incorrect wiring. Re-verify all AC wiring connections according to the diagrams in Section 3.3.2. Ensure the correct plugs are used for single or dual AC systems.
- **Apps Not Working / Offline Maps Not Downloading:** Ensure the unit is properly connected to a stable Wi-Fi network or mobile hotspot. Check internet connectivity. For offline maps, ensure sufficient storage space is available and the download process completes without interruption.
- **Reverse Camera Not Working:** Inspect all camera wiring connections, especially the reverse trigger cable and its connection to the backup light. Ensure the camera itself is powered and functioning.
- **General Unresponsiveness:** Try restarting the unit. If the issue persists, check all power connections to ensure they are secure.

For persistent issues or problems not listed here, please contact technical support.

7. SPECIFICATIONS

Feature	Detail
Item Weight	4.44 pounds
Product Dimensions	10.83 x 9.84 x 8.5 inches
Item Model Number	SB-A2969A3MI2
