5. TROUBLESHOOTING

This section addresses common concerns and provides solutions for maintaining your kurta.

5.1. Color Fading

If you notice some color fading after washing, ensure you are washing dark colors separately and turning the garment inside out. Using a mild detergent and cold water can also help preserve color vibrancy.

5.2. Fitting Issues

If the fitting is not as expected, please refer to the size guide in Section 6 to ensure you selected the correct size based on your measurements. Garments may require minor alterations for a perfect personalized fit.
