# Awei T36 TWS Wireless Earbuds User Manual

Model: **T36** | Brand: **Awei**

## INTRODUCTION

Welcome to the user manual for your Awei T36 TWS Wireless Earbuds. This manual provides essential information for setting up, operating, and maintaining your earbuds to ensure optimal performance and longevity. Please read this manual thoroughly before using the product.

## SAFETY INFORMATION

- Do not expose the earbuds or charging case to extreme temperatures (above 45°C or below 0°C).
- Keep away from water, moisture, and corrosive liquids.
- Do not disassemble, modify, or attempt to repair the product yourself. This will void the warranty.
- Use only approved charging cables and adapters to prevent damage.
- Avoid prolonged listening at high volumes to prevent potential hearing damage.
- Keep out of reach of children and pets.

## PACKAGE CONTENTS

- Awei T36 TWS Wireless Earbuds (Left and Right)
- Charging Case
- USB Charging Cable
- User Manual

## PRODUCT OVERVIEW

Familiarize yourself with the components and design features of your Awei T36 earbuds.

The image displays the Awei T36 TWS Wireless Earbuds securely placed within their open charging case. Both earbuds are black, sleek, and fit perfectly into their designated slots, indicating they are ready for charging or storage.

# Eye-Catching Design All Styles are Trendsetters

Mini size, light weight, exquisite appearance, excellent tactile sensation, and pure tone quality... which is just like a thrush in valley chirping in your ears.

*This image highlights the aesthetic design of the Awei T36 earbuds, showing them in various colors (black, white, purple, blue, green) alongside their respective charging cases. The design emphasizes portability and style.*

# Bluetooth 5.1 Faster & More Stable

Bluetooth 5.1 chip for HiFi original sound with stronger anti-interference performance and more stable signal transmission

This image illustrates the Bluetooth 5.1 capability of the Awei T36 earbuds, promising a faster and more stable connection. The earbuds and case are shown next to a smartphone, suggesting seamless integration.

## SETUP

### Charging the Earbuds and Case

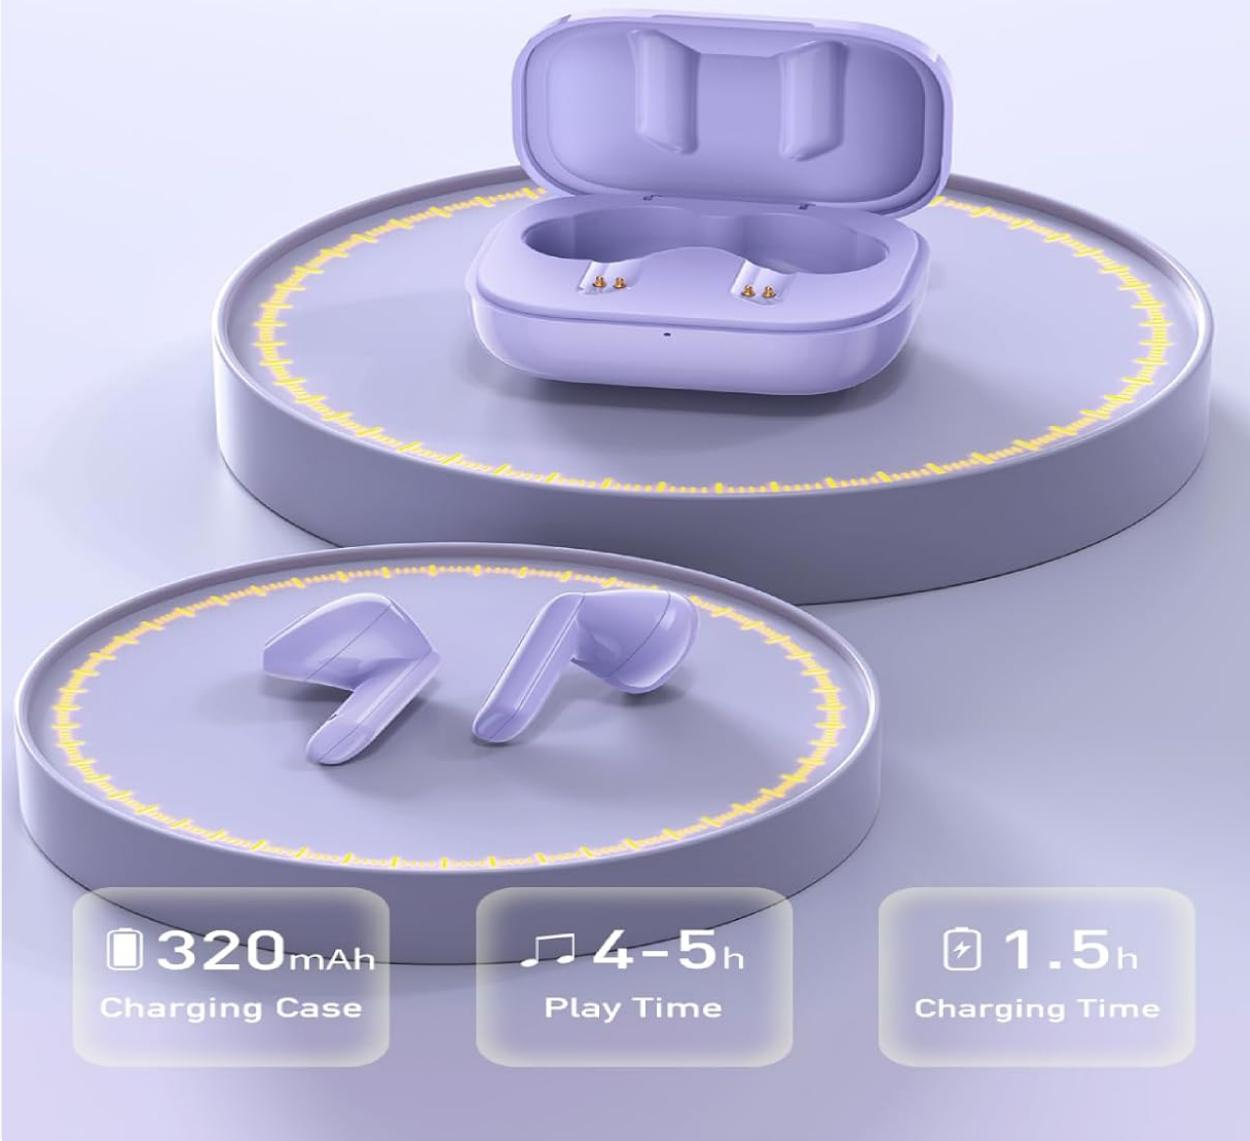

Before first use, it is recommended to fully charge the earbuds and charging case.

1. Place the earbuds into the charging case, ensuring they are properly seated.
2. Connect the USB charging cable to the charging port on the case and then to a power source (e.g., USB wall adapter, computer USB port).

3. The indicator lights on the case will illuminate to show the charging status. Once fully charged, the lights may change or turn off.

## 210H Standby Time Enjoy Oneself to the Full

By virtue of large-capacity battery, longer battery life, and lower power consumption, there is no need for long and frequent charging

This image illustrates the charging capabilities and battery life of the Awei T36 earbuds. It shows the earbuds and case on a wireless charging pad, with text indicating a 210-hour standby time, 320mAh charging case capacity, 4-5 hours of play time, and 1.5 hours for a full charge.

### Pairing with a Device

The earbuds automatically enter pairing mode when removed from the case.

1. Open the charging case and remove both earbuds. They will automatically power on and enter pairing mode.
2. On your device (smartphone, tablet, etc.), enable Bluetooth.

3. Search for "Awei T36" in the list of available Bluetooth devices.
4. Select "Awei T36" to connect. Once connected, a voice prompt will confirm the successful pairing.

## Both Earbuds are Hosts Both Earbuds are Main Engines

The both earbuds are equipped with Airoha chips, which can be used in series or separately

*This image demonstrates the 'Both Earbuds are Hosts' feature, indicating that either earbud can be used independently. It highlights the 'Instant Fetch and Connect' when the case is opened and 'Close Auto OFF' when the case is closed, simplifying the user experience.*

*This video demonstrates the process of taking the Awei T36 earbuds out of their charging case, placing them into the ears, and interacting with their touch controls for music and calls. It showcases the product's design and ease of use.*

## OPERATING INSTRUCTIONS

## Touch Controls

The Awei T36 earbuds feature intuitive touch controls for managing audio playback and calls.

# IPX4 Waterproofness For Unfettered Exercises

Effectively prevent the erosion from sweat & rain in entire exercise process

A visual guide detailing the touch controls for the Awei T36 earbuds. It shows how to pause/play, skip tracks, answer/reject calls, and activate voice assistant with simple taps on the earbud's touch sensitive area.

Action	Left Earbud	Right Earbud
Play/Pause	Short tap	Short tap
Next Track	N/A	Double tap
Previous Track	Double tap	N/A

Action	Left Earbud	Right Earbud
Answer/End Call	Short tap	Short tap
Reject Call	Tap for 2 seconds	Tap for 2 seconds
Activate Voice Assistant (Siri/Google Assistant)	Triple tap	Triple tap

## Calling Noise Cancellation

The Awei T36 earbuds are equipped with calling noise cancellation technology to ensure clearer conversations by reducing ambient noise during calls.

## One-Touch Operation Mini & Handy

By tapping the earbuds, you can easily switch music, adjust volume, answer/ring off the phone, etc.

### When Playing

- ▶⏸️ Short tap to pause  
Tap again to replay
- ◀◀️ Tap left twice to PREV  
▶▶️ Tap right twice to NEXT

### When Voice

- 📞 Short tap to answer
- 📞 Tap for 2s to reject
- 🎙 Tap thrice to wake Siri

*This image shows a user wearing the Awei T36 earbuds, emphasizing the calling noise cancellation feature for improved call clarity in various environments.*

## MAINTENANCE

- Clean the earbuds and charging case regularly with a soft, dry, lint-free cloth.
- Do not use abrasive cleaners, solvents, or strong chemicals.
- Ensure the charging contacts on both the earbuds and the case are clean and free of dust or debris.
- Store the earbuds in their charging case when not in use to protect them and keep them charged.
- Avoid exposing the product to extreme temperatures or direct sunlight for extended periods.

## TROUBLESHOOTING

### Earbuds not pairing or connecting

- Ensure both earbuds are sufficiently charged.
- Place both earbuds back into the charging case, close the lid, wait a few seconds, then open it again and remove them to reset.
- Turn off and then turn on Bluetooth on your device.
- If the issue persists, forget or unpair "Awei T36" from your device's Bluetooth list and then attempt to re-pair.

### No sound from one earbud

- Ensure both earbuds are charged.
- Place both earbuds back in the case and take them out again to re-establish the connection between them.
- Re-pair the earbuds with your device.

### Low volume

- Adjust the volume on both your connected device and, if applicable, via the earbud's touch controls.
- Ensure the earbuds are properly seated in your ears for optimal sound delivery.
