SEMKY F4U

SEMKY Military Fighter Jet F4U Building Block Set

Model: F4U

Brand: SEMKY

1. Safety Information

Please read all instructions carefully before assembly. This building block set contains small parts and is not suitable for children under 3 years old due to choking hazards. Adult supervision is recommended during assembly, especially for younger users. Keep all packaging materials away from children.

Ensure all pieces are securely connected to prevent accidental detachment during play. Do not modify the product in any way not described in this manual.

2. Package Contents

Your SEMKY Military Fighter Jet F4U building block set includes:

- 440 Building Block Pieces
- Instruction Manual (this document)
- Sticker Sheet (for detailed markings)

Please verify that all pieces are present before beginning assembly. If any pieces are missing, refer to the Troubleshooting section for assistance.

3. Assembly Instructions

Follow the step-by-step instructions provided in the included printed booklet to assemble your F4U Military Fighter Jet. The assembly process is designed to be intuitive, but careful attention to detail will ensure a stable and accurate model.

Key Assembly Tips:

- Sort pieces by color and size before starting to simplify the process.
- Ensure each block is firmly pressed into place. The pieces are designed for a tight fit to ensure durability.
- Refer to the images below for visual guidance on key components and features during assembly.

4. Operating Instructions

Once assembled, your SEMKY F4U Military Fighter Jet model features several interactive components:

- **Propeller Rotation:** The front propeller can be manually rotated.
- **Retractable Landing Gear:** The landing gear wheels can roll forward, simulating movement.
- **Opening Cockpit:** The transparent cockpit canopy can be opened to reveal the interior.
- **Folding Wings:** The wings are designed to fold upwards, mimicking the aircraft's storage configuration.
- **Missile Launch:** Press and hold the designated button to launch the attached missiles.

5. Maintenance

To maintain the appearance and integrity of your SEMKY F4U Military Fighter Jet model:

- Clean the model periodically with a soft, dry cloth to remove dust.
- Avoid using harsh chemicals or abrasive materials, as these can damage the plastic blocks.
- Store the model in a cool, dry place away from direct sunlight to prevent discoloration or warping of the plastic.

6. Troubleshooting

Missing Pieces: All pieces in SEMKY products are sorted and packaged by machine after multiple strict inspections. If your set is still missing pieces, please contact SEMKY customer support directly. We will send the missing parts to you free of charge.

Loose Connections: If blocks do not fit together firmly, ensure they are aligned correctly and apply gentle, even pressure. Some connections may require a slightly firmer press to secure. If a piece consistently remains loose, it may be

defective; contact customer support for a replacement.
