Image 4.4: Top view of the device, showing the 3.5mm headphone jack, speaker, and IR blaster.

5. MAINTENANCE

5.1. Software Updates

Regularly check for and install software updates to ensure your device has the latest features, security patches, and performance improvements. Go to Settings > About phone > MIUI version to check for updates.

5.2. Cleaning Your Device

Use a soft, lint-free cloth to clean the screen and body of your phone. Avoid using harsh chemicals or abrasive materials, which can damage the display or finish. For stubborn smudges, slightly dampen the cloth with water.

5.3. Storage Management

Your device comes with 128GB of internal storage. To optimize performance, regularly clear unnecessary files, uninstall unused apps, and consider using cloud storage for photos and videos. You can also expand storage using a MicroSD card.

6. TROUBLESHOOTING

If you encounter issues with your device, try the following common solutions:

- **Device not powering on:** Ensure the battery is charged. Connect the device to the charger for at least 15 minutes, then try powering it on again.
- **Apps crashing or freezing:** Close the problematic app and reopen it. If the issue persists, restart your phone.
- **Network connectivity issues:** Check if Wi-Fi or mobile data is enabled. Restart your router for Wi-Fi issues or toggle Airplane Mode on/off for mobile data problems. Ensure your SIM card is properly inserted.
- **Slow performance:** Clear cache, uninstall unused apps, and free up storage space. Restarting the device can also help.
- **Fingerprint sensor not working:** Ensure your finger is clean and dry. Re-register your fingerprints in Settings > Password & security.

For more complex issues, refer to the official XIAOMI support website or contact customer service.
