Assembly Instructions

Follow these steps to assemble your flower bouquet:

1. **Unpack Components:** Carefully open the packaging and lay out all numbered bags containing the building blocks.
2. **Identify Parts:** Each flower's pieces are typically contained in a numbered bag. Refer to the detailed building manual to identify the specific parts for each flower.
3. **Follow Manual:** The set comes with a detailed building manual. Follow the step-by-step instructions provided for each individual flower. The instructions are designed to be clear and straightforward.
4. **Assemble Individual Flowers:** Construct each of the 18 unique flowers according to the manual. Pay attention to the specific connections to ensure stability.
5. **Adjust Flower Shape and Height:** Many flowers in this botanical collection allow for free DIY adjustment of their shape and height. This feature enables customization to fit various vase sizes and aesthetic preferences.
6. **Arrange Bouquet:** Once all flowers are assembled, arrange them into a bouquet. While a vase is not included, the

adjustable stems allow for versatile display options.

Maintenance

To maintain the appearance of your HOGOKIDS Flower Bouquet, periodically dust the blocks with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials, as these may damage the plastic or alter the color. The blocks are designed to be durable and colorfast.

Troubleshooting

Missing Pieces:

If you find any missing pieces during assembly, please refer to the contact information in the "Support" section to reach the manufacturer for assistance. While the set is designed to include all necessary parts, occasional discrepancies may occur.

Difficulty Assembling:

Ensure you are following the step-by-step instructions in the provided manual. Verify that you are using the correct pieces for each step. If a piece does not fit easily, do not force it, as this may cause damage. Double-check the manual for proper orientation and connection points.
