## WLIVE AD SG025DK

# WLIVE TV Stand User Manual

Model: AD SG025DK | Brand: WLIVE

## PRODUCT OVERVIEW

The WLIVE TV Stand is a modern entertainment center designed for TVs up to 60 inches. It features ample storage with cabinets, a mid-century design, and practical elements for organizing your living space.

## Key Features:

- **Tapered Legs:** Provides extra stability and sturdiness with a stylish design. Includes foot pads to prevent floor scratching.
- **Cable Management:** Features cable holes behind the cabinet for easy organization of wires, maintaining a neat and tidy appearance.
- **Stable and Durable:** Constructed from engineered wood, ensuring long-lasting use.
- **Modern Design:** Classic design with unique wood grain, suitable for various home decor styles.
- **Adjustable Shelf:** Accommodates items of various sizes, tall or short, within the central open compartments.
- **Soft Close Hinges:** Ensures safe and silent closing of cabinet doors.

## SAFETY INFORMATION

---

Please read and understand all safety warnings before assembly and use. Always prioritize safety to prevent injury or damage to the product.

- Always use appropriate safety gear, such as gloves, when assembling the unit.
- Be cautious of pinch points when operating the soft-close hinges during assembly and daily use.
- Ensure all screws and fasteners are securely tightened before placing any items on the TV stand.
- Do not exceed the maximum weight capacity of 150 pounds for the tabletop.
- Place the TV stand on a flat, stable surface to prevent tipping.

A comprehensive PDF installation manual is also available for download: [Download Installation Manual \(PDF\)](#)

### General Assembly Tips:

- Unpack all components and verify against the parts list in the manual.
- Assemble on a soft, clean surface to prevent scratches.
- Do not overtighten screws to avoid damaging the wood.

- Seek assistance for lifting and positioning heavy components.

## OPERATING INSTRUCTIONS

---

The WLIVE TV Stand is designed for straightforward use as a media console and storage unit.

- **Placement:** Position the TV stand on a level, stable floor surface. Ensure there is adequate space around the unit for ventilation of electronic devices.
- **Television Placement:** Carefully place your television centrally on the top surface, ensuring it is stable and does not exceed the recommended size (up to 60 inches) and weight capacity (150 lbs).
- **Storage:** Utilize the two side cabinets and the central open shelves for storing media devices, books, decorative items, or other belongings. The adjustable shelf in the central section can be moved to accommodate items of varying heights.
- **Cable Management:** Route all power and signal cables through the designated cable holes in the back panels of the cabinets to maintain a tidy appearance and prevent tangling.

## MAINTENANCE

---

Proper care will extend the life and maintain the appearance of your WLIVE TV Stand.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the finish.
- **Spills:** Immediately wipe up any spills to prevent moisture damage to the engineered wood.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight to prevent fading or discoloration of the finish.
- **Heat and Moisture:** Keep the unit away from direct heat sources and areas of high humidity.
- **Fasteners:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary.

## TROUBLESHOOTING

---

If you encounter any issues with your TV stand, refer to the common problems and solutions below.

Problem	Possible Cause	Solution
Stand is wobbly or unstable.	Uneven floor; loose fasteners; incorrect assembly.	Ensure the stand is on a level surface. Check and tighten all screws and bolts. Review assembly steps.
Cabinet doors do not close properly.	Hinges are misaligned or loose; obstruction.	Adjust the soft-close hinges as per the assembly manual. Check for any items obstructing the door's path.
Scratches on the floor.	Foot pads are missing or damaged.	Ensure all foot pads are securely attached to the legs. Replace damaged pads if necessary.
