edihome Donkey Clothes Hanger Instruction Manual

Model: EDIH-0198-W

INTRODUCTION

Thank you for choosing the edihome Donkey Clothes Hanger. This manual provides essential information for the safe assembly, operation, and maintenance of your new clothes rack. Please read these instructions carefully before use and retain them for future reference.

SAFETY INFORMATION

- Ensure all parts are securely fastened before use.
- Do not exceed the maximum load capacity of 20 kg (44 lbs). Overloading can cause instability and damage.
- Keep children away during assembly to prevent access to small parts.
- Place the clothes hanger on a flat, stable surface to prevent tipping.
- Avoid hanging excessively heavy or unevenly distributed items.

PACKAGE CONTENTS

Before assembly, verify that all components are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Top Hanging Bar
- Side Support Frames (2) with integrated hooks
- Bottom Support Bars (2)
- Connecting Screws/Bolts
- Assembly Tool (e.g., Allen wrench)
- Instruction Manual

SETUP AND ASSEMBLY

The edihome Donkey Clothes Hanger is designed for simple assembly. A tool is included for your convenience.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, flat surface.
2. **Attach Side Frames to Bottom Bars:** Connect the two bottom support bars to the base of the side support frames using the provided screws/bolts and assembly tool. Ensure they are aligned correctly and tightened securely.
3. **Attach Top Hanging Bar:** Connect the top hanging bar to the upper section of the side support frames. Secure with the remaining screws/bolts.
4. **Final Check:** Once assembled, gently shake the unit to ensure all connections are stable and secure.

OPERATING INSTRUCTIONS

The edihome Donkey Clothes Hanger is designed for convenient clothing storage.

- **Hanging Clothes:** Use the top bar to hang clothes on hangers. The integrated safety stops on the bar prevent hangers from slipping off.
- **Accessory Hooks:** Utilize the side hooks for hanging bags, scarves, hats, or other accessories.
- **Shoe Storage:** The bottom bars can be used to store shoes or small storage boxes.
- **Portability:** Due to its lightweight design, the rack can be easily moved when empty or with light items.

MAINTENANCE

To ensure the longevity and appearance of your clothes hanger, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the painted steel tubes and ABS plastic parts with a damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.

- **Regular Checks:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- **Corrosion Resistance:** The painted steel is corrosion-resistant, but avoid prolonged exposure to excessive moisture to maintain its condition.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Hanger is wobbly or unstable.	Loose connections; uneven surface; overloaded.	Ensure all screws are tightened. Place on a flat, level surface. Reduce load to within 20 kg capacity.
Hangers slip off the bar.	Not using the integrated safety stops; excessive movement.	Position hangers between the safety stops. Avoid sudden movements of the rack.
Difficulty during assembly.	Incorrect part orientation; missing tool.	Refer to the assembly steps and diagrams. Ensure parts are oriented correctly. Use the provided assembly tool.

SPECIFICATIONS

- Model:** EDIH-0198-W
- Brand:** edihome
- Color:** White
- Material:** Painted Steel Tubes, ABS Plastic Parts
- Product Dimensions (D x W x H):** 39 x 118 x 148 cm (15.35 x 46.46 x 58.27 inches)
