LEGO Friends 2022 Advent Calendar 41706 Building Toy Set Instruction Manual

Model: 41706

INTRODUCTION

This instruction manual provides essential information for the assembly, operation, and care of your LEGO Friends 2022 Advent Calendar (Model 41706). Designed for ages 6 and up, this set offers a daily building experience leading up to the holidays. Please read these instructions carefully to ensure a complete and enjoyable experience.

SETUP AND ASSEMBLY

The LEGO Friends Advent Calendar is designed for daily discovery. Each day from December 1st to 24th, a new door can be opened to reveal a mini-build or character.

- Unboxing:** Carefully remove the Advent Calendar box from its packaging.
- Calendar Orientation:** Place the calendar on a flat, stable surface. The front of the box features numbered doors (1-24).
- Daily Opening:** Starting on December 1st, locate and gently open the door corresponding to the current date. Inside, you will find a small bag containing LEGO bricks and a mini-instruction sheet for that day's build.
- Assembly:** Follow the step-by-step instructions provided on the mini-sheet to assemble the day's model. Each model is designed to be a quick and engaging build.
- Display:** Once assembled, place the model on the fold-out playmat integrated into the calendar box, or any desired display area, to build your festive scene.

OPERATING AND PLAY

The LEGO Friends Advent Calendar encourages imaginative play and storytelling with its festive theme.

- **Role-Play:** Use the mini-dolls (Olivia, Santa, etc.) and mini-builds (sleigh, market stalls, snowman, ice rink) to create various holiday scenarios.
- **Interactive Elements:** Some models may feature small interactive elements, such as a spinning game-of-chance wheel or detachable accessories. Explore these features during play.
- **Combine with other LEGO sets:** The pieces are compatible with other LEGO building sets, allowing for expanded creative play.

MAINTENANCE

Proper care ensures the longevity of your LEGO bricks.

- **Cleaning:** To clean LEGO bricks, use a mild soap solution and lukewarm water (not exceeding 40°C or 104°F). Rinse thoroughly with clear water and air dry at room temperature. Avoid hot water, direct sunlight, or high heat, as this can damage the bricks.
- **Storage:** Store LEGO bricks in a clean, dry place away from direct sunlight and extreme temperatures. Keeping them organized can prevent loss and make future play easier.
- **Handling:** Avoid excessive force when connecting or disconnecting bricks to prevent damage.

TROUBLESHOOTING

If you encounter any issues with your LEGO Friends Advent Calendar, please refer to the following common solutions:

- **Missing Pieces:** In the rare event of a missing piece, please visit the official LEGO Customer Service website to request replacement parts.
- **Difficulty Assembling:** Double-check the mini-instruction sheet for the specific day's build. Ensure all pieces are correctly oriented and connected. Sometimes, a small piece might be overlooked.
- **Damaged Parts:** If any parts are damaged upon opening, contact LEGO Customer Service for assistance.
