# LEGO Marvel Miles Morales Figure Set (76225) Instruction Manual

Model: 76225 | Brand: LEGO

## INTRODUCTION

---

This instruction manual provides detailed guidance for assembling and interacting with your LEGO Marvel Miles Morales Figure Set (76225). Designed for builders aged 8 and over, this set allows you to construct a fully articulated action figure of Miles Morales from the Marvel Spider-Man Universe. Please read through these instructions carefully to ensure a complete and enjoyable building experience.

## PRODUCT OVERVIEW

---

The LEGO Marvel Miles Morales Figure (76225) is a buildable action figure featuring the iconic character. Once assembled, the figure stands approximately 9 inches (23 cm) tall and is fully jointed, allowing for a wide range of dynamic poses. It includes realistic web elements to enhance play and display possibilities.

## OPERATING: POSING AND PLAY

The Miles Morales figure is designed for dynamic play and display. Its fully jointed limbs, including the head, shoulders, elbows, hips, and knees, allow for a wide array of dynamic poses. The included web elements can be attached to the figure's hands to simulate web-slinging action.

- **Posing:** Gently manipulate the joints to position the figure in various action stances. The robust design ensures stability for display.
- **Web Elements:** Attach the translucent blue web accessories to the designated points on the figure's hands to recreate iconic Spider-Man moves.

## MAINTENANCE

To ensure the longevity of your LEGO Miles Morales figure, follow these simple maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth to gently wipe away dust. For deeper cleaning, use a mild soap solution and rinse thoroughly with clean water. Allow all parts to air dry completely before reassembly.
- **Storage:** Store the figure in a cool, dry place away from direct sunlight and extreme temperatures to prevent material degradation or color fading.
- **Handling:** Avoid excessive force when posing or disassembling parts to prevent breakage.

## TROUBLESHOOTING

If any parts of your Miles Morales figure become detached during play, they can typically be reattached by carefully aligning the studs and pressing them firmly into place. Refer to the original building instructions if you are unsure about the correct placement of a specific piece.
