

JBL WIND3S

JBL WIND3S Slim Handlebar Bluetooth Speaker User Manual

Model: WIND3S

1. INTRODUCTION

The JBL WIND3S is a portable Bluetooth speaker designed for use on bicycles and motorcycles. It offers robust audio performance and features tailored for outdoor activities, including a handlebar mount, multiple playback options, and a durable, waterproof design.

Key features include:

- **Dock/Handlebar Mount:** Designed for easy attachment and detachment from bicycle and motorcycle handlebars.
- **Two EQ Modes:** 'Sport' mode for outdoor listening and 'Bass' mode for indoor use.
- **Multiple Playback Sources:** Bluetooth connectivity, FM Radio, TF/Micro SD card support, and AUX input.
- **LED Display:** Provides clear information for convenient operation.
- **Hands-free Phone Call:** Integrated microphone for calls while on the go.
- **IP67 Waterproof and Dustproof:** Ensures durability in various outdoor conditions.

2. PACKAGE CONTENTS

The JBL WIND3S package includes:

- JBL WIND3S Speaker
- Handlebar Mounting Bracket
- Rubber Inserts for Handlebar Mount
- USB Charging Cable (Type-C)
- Auxiliary Cable
- User Manual (this document)

Image: The JBL WIND3S speaker shown with its handlebar mount, including the main bracket and various rubber inserts for different handlebar sizes.

3. SETUP

3.1 Charging the Speaker

1. Connect the USB charging cable to the charging port on the JBL WIND3S.
2. Connect the other end of the USB cable to a compatible USB power adapter (5V-1A recommended).
3. The LED display will indicate charging status. A full charge takes approximately 2.5 hours.

3.2 Attaching the Handlebar Mount

1. Select the appropriate rubber insert(s) for your bicycle or motorcycle handlebar diameter.
2. Place the rubber insert(s) around the handlebar.
3. Position the mounting bracket over the rubber insert(s) on the handlebar.
4. Secure the bracket tightly using the provided screw mechanism. Ensure it is stable and does not rotate freely.

Image: The JBL WIND3S speaker securely attached to a bicycle handlebar, ready for use.

3.3 Mounting the Speaker

1. Align the speaker's clip with the slot on the handlebar mounting bracket.
2. Slide the speaker into the bracket until it clicks securely into place.
3. To remove, press the release tab on the bracket and slide the speaker out.

Image: A close-up view of the JBL WIND3S speaker, highlighting its compact design and integrated controls.

4. OPERATING INSTRUCTIONS

4.1 Power On/Off

Press and hold the Power button to turn the speaker on or off.

4.2 Bluetooth Pairing

1. With the speaker powered on, it will automatically enter Bluetooth pairing mode (indicated by a flashing Bluetooth icon on the LED display).
2. On your smartphone or other Bluetooth device, enable Bluetooth and search for available devices.
3. Select "JBL WIND3S" from the list to connect. A confirmation tone will sound upon successful pairing.

4.3 Playback Modes

The JBL WIND3S supports multiple playback sources. Press the Mode button to cycle through:

- **Bluetooth Mode:** Connect wirelessly to your device.
- **FM Radio Mode:** Automatically scan and save FM stations. Use the volume buttons to change stations.
- **TF/Micro SD Card Mode:** Insert a TF/Micro SD card with audio files. The speaker will automatically play content.
- **AUX Input Mode:** Connect an external audio device using the auxiliary cable.

4.4 EQ Modes

Press the EQ button to switch between two sound profiles:

- **Sport Mode:** Optimized for outdoor listening, providing clear audio in open environments.
- **Bass Mode:** Enhances bass frequencies, suitable for indoor listening or when a richer bass response is desired.

4.5 Hands-free Phone Calls

When connected via Bluetooth to a smartphone:

- **Answer/End Call:** Press the Play/Pause button to answer an incoming call or end an ongoing call.
- **Reject Call:** Press and hold the Play/Pause button to reject an incoming call.

5. MAINTENANCE AND CARE

- **Cleaning:** Wipe the speaker with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners.
- **Waterproof Rating:** The JBL WIND3S is IP67 waterproof and dustproof. This means it can be submerged in up to 1 meter of water for 30 minutes. Ensure all port covers are securely closed before exposure to water.
- **Storage:** Store the speaker in a cool, dry place when not in use. Avoid extreme temperatures.
- **Battery Care:** To prolong battery life, fully charge the speaker before first use and recharge it regularly. Avoid completely draining the battery frequently.

6. TROUBLESHOOTING

Problem	Solution
Speaker does not power on.	Ensure the battery is charged. Connect the speaker to a power source using the USB cable.

Problem	Solution
Cannot pair via Bluetooth.	• Ensure the speaker is in Bluetooth pairing mode (flashing Bluetooth icon). • Make sure Bluetooth is enabled on your device. • Move the speaker closer to your device. • Forget "JBL WIND3S" from your device's Bluetooth list and try pairing again.
No sound or low volume.	• Increase the volume on both the speaker and your connected device. • Ensure the correct playback mode (Bluetooth, FM, TF/SD, AUX) is selected. • Check cable connections if using AUX input.
FM Radio reception is poor.	• Move to an open area away from obstructions. • Try rescanning for stations.

7. TECHNICAL SPECIFICATIONS

Feature	Detail
Model Name	WIND3S
Transducer	43 x 47mm / 1.5"
Output Power	5W RMS
Frequency Response	110Hz – 20kHz
