Package Contents

The package includes:

- Link Dream Kids Bluetooth Headphones (Model: KH22B)
- Charging Cable (USB-C)
- 3.5mm Audio Cable
- User Manual

Setup Guide

1. Charging the Headphones

Before first use, fully charge the headphones. Connect the provided USB-C charging cable to the Type-C charging port on the headphone and a compatible USB power source. The LED indicator will show charging status. A full charge takes approximately 2 hours.

2. Bluetooth Pairing

1. Ensure the headphones are turned off.
2. Press and hold the power button for 3 seconds until the red and blue lights flash alternately, indicating pairing mode.
3. On your device (phone, tablet, computer), enable Bluetooth and search for available devices.
4. Select "KH22B" from the list of devices.
5. Once connected, the blue LED light will stop flashing and remain solid.

Stable Bluetooth 5.0

Bluetooth 5.0 offers more stable connection
Connection Distance: 49feet / 15m

Image: Visual representation of Bluetooth 5.0 connectivity with a 15-meter (49 feet) connection distance.

3. Wired Mode

For wired use, connect one end of the 3.5mm audio cable to the 3.5mm audio port on the headphone and the other end to your audio device. The headphones will automatically switch to wired mode, and the Bluetooth function will be disabled.

Operating Instructions

Controls and Functions

Buttons and Functions

Image: Detailed diagram showing the location and function of buttons and ports on the headphone, including Volume +, Bluetooth LED Indicator, Multifunctional Button, Volume -, LED Light Control Button, Type-C Charging Port, 3.5mm Audio Jack, and Microphone.

- **Power On/Off:** Press the Multifunctional Button for 3 seconds.
- **Volume Up/Next Track:** Press the '+' button for volume up. Long press for next track.
- **Volume Down/Previous Track:** Press the '-' button for volume down. Long press for previous track.
- **Play/Pause/Answer Call:** Short press the Multifunctional Button.
- **End Call:** Short press the Multifunctional Button during a call.
- **Reject Call:** Long press the Multifunctional Button during an incoming call.
- **LED Lights On/Off:** Press the LED Light Control Button for 1 second to turn lights on/off.
- **Change Light Mode:** Press the LED Light Control Button for 1 second to cycle through light modes (Quick Flash, Music Beat, Breathe Fast).

Usage Scenarios

Maintenance and Care

- Clean the headphones regularly with a soft, dry cloth. Do not use harsh chemicals or abrasive materials.
- Avoid exposing the headphones to extreme temperatures, humidity, or direct sunlight.
- Store the headphones in a cool, dry place when not in use. The foldable design allows for compact storage.
- Do not attempt to disassemble or repair the headphones yourself, as this will void the warranty.

Troubleshooting

Problem	Possible Solution
Headphones do not turn on.	Ensure the headphones are fully charged. Connect to a power source and try again.
Cannot pair with device.	Make sure headphones are in pairing mode (red and blue lights flashing). Turn off Bluetooth on your device and turn it back on. Ensure no other devices are connected to the headphones. Move closer to the device.
No sound in Bluetooth mode.	Check if the headphones are properly paired and connected. Adjust volume on both headphones and the connected device. Ensure the audio source is playing.

Problem	Possible Solution
LED lights are not working.	Press the LED Light Control Button to turn them on. Ensure the headphones have sufficient battery charge.
Microphone not working.	Ensure the headphones are properly connected. Check microphone settings on your device.
