JVC HA-Z330T-B

JVC HA-Z330T-B Compact Wireless Earbuds User Manual

Model: HA-Z330T-B

Brand: JVC

1. Introduction

The JVC HA-Z330T-B earbuds are designed to provide a high-quality audio experience with active noise cancellation in a compact and lightweight form factor. These earbuds are ideal for music listening, gaming, and telework, offering stable wireless connectivity and a comfortable fit.

Image 1.1: The JVC HA-Z330T-B Compact Wireless Earbuds.

2. Key Features

- **Ultra-Lightweight Design:** Each earbud weighs only 4.2g, making them comfortable for extended wear. The charging case is also very light at 28g, ensuring portability.
- **Active Noise Cancellation (ANC):** Reduces ambient noise for an immersive listening experience. Features a special JVC earpiece design for enhanced physical noise reduction.
- **Clear Call Quality:** Equipped with a high-power microphone and a metallic accent element that minimizes wind noise, ensuring crystal-clear voice communication even outdoors.
- **Low Latency Mode:** Reduces audio-visual delay, making it suitable for gaming and watching videos.
- **Bluetooth 5.2:** Provides stable and efficient wireless connectivity with optimized antenna placement.
- **Telework Functions:** Includes a microphone mute function for web conferences and supports unilateral operation for hands-free calls.
- **IPX4 Water Resistance:** Protects against splashes and sweat, making them suitable for workouts and outdoor use.

3. Components Included

The JVC HA-Z330T-B package includes the following components:

- JVC HA-Z330T-B Wireless Earbuds (Left and Right)

- Wireless Charging Case
- USB Charging Cable
- Multiple Sizes of Eartips (S, M, L)

4. Setup Guide

4.1 Charging the Earbuds and Case

1. Place both earbuds into the charging case. Ensure they are correctly seated.
2. Connect the provided USB charging cable to the charging port on the case and plug the other end into a USB power source (e.g., computer USB port, USB wall adapter).
3. The indicator light on the charging case will show the charging status. A full charge provides up to 21 hours of total playback time (earbuds + case).

4.2 Pairing with a Bluetooth Device

1. Ensure the earbuds are charged.
2. Open the charging case. The earbuds will automatically enter pairing mode, indicated by a flashing LED light on the earbuds.
3. On your device (smartphone, tablet, computer), go to the Bluetooth settings.

4. Select "JVC HA-Z330T-B" from the list of available devices.
5. Once connected, the LED indicator on the earbuds will stop flashing.
6. For subsequent use, the earbuds will automatically connect to the last paired device when removed from the case.

5. Operating Instructions

5.1 Touch Controls

The HA-Z330T-B earbuds feature intuitive touch controls on each earbud. Specific functions may vary slightly, but common controls include:

- **Play/Pause:** Single tap on either earbud.
- **Next Track:** Double tap on the right earbud.
- **Previous Track:** Double tap on the left earbud.
- **Answer/End Call:** Single tap on either earbud.
- **Reject Call:** Press and hold on either earbud.
- **Activate Voice Assistant:** Triple tap on either earbud.

5.2 Active Noise Cancellation (ANC)

To activate or deactivate Active Noise Cancellation, refer to your device's Bluetooth settings or the specific touch control gesture outlined in the full product manual (if available). ANC helps reduce ambient sounds for a more focused listening experience.

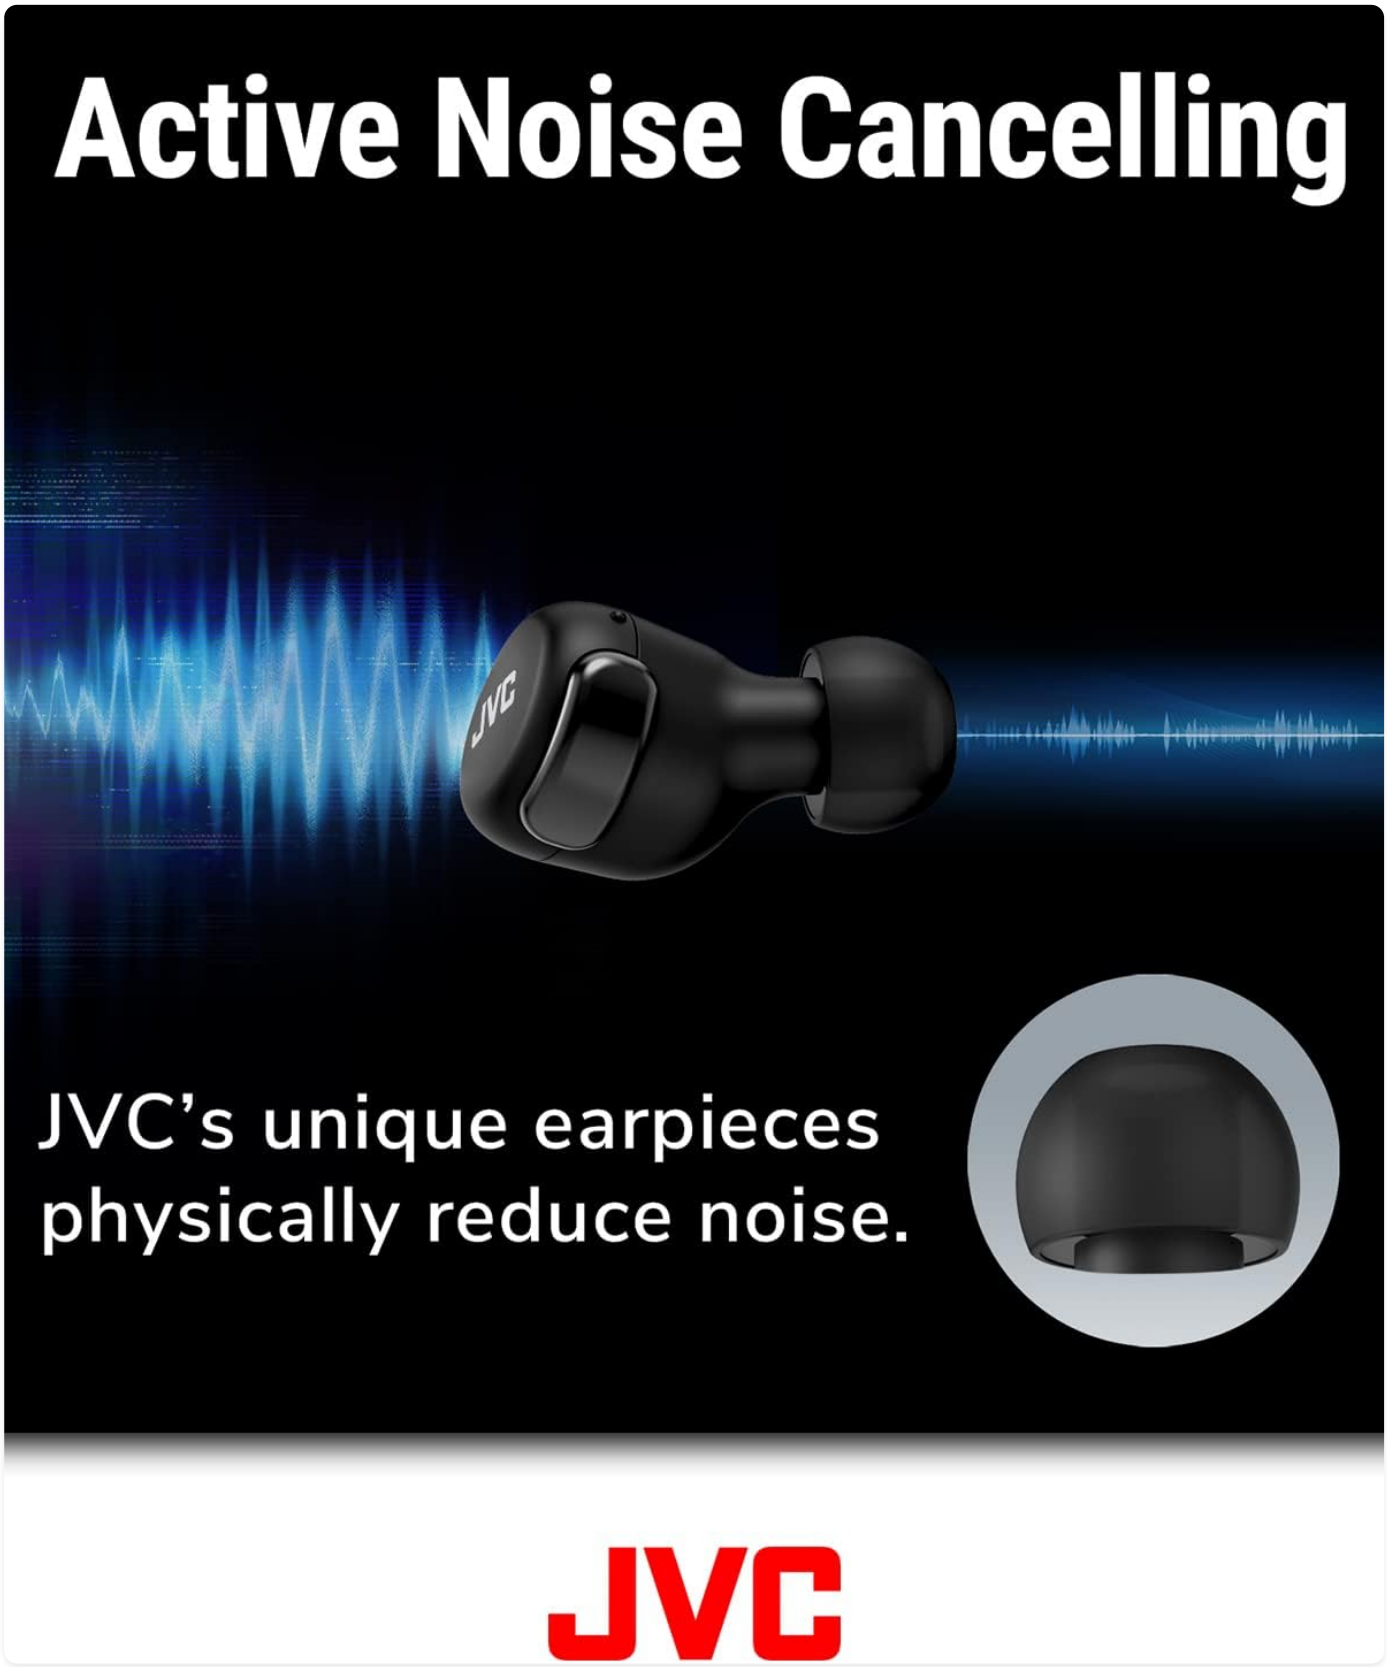

Image 5.1: Visual representation of Active Noise Cancellation technology.

5.3 Low Latency Mode

The Low Latency Mode minimizes audio delay, which is crucial for synchronized sound during gaming or video playback. This mode can typically be toggled via a specific touch control gesture or through a companion app if available.

Image 5.2: Low Latency Mode enhances the gaming and movie watching experience.

5.4 Telework Features

The earbuds support features beneficial for telework and online meetings:

- **Microphone Mute:** A dedicated function allows you to quickly mute your microphone during calls or conferences.
- **Single Side Use:** Either earbud can be used independently for calls or audio, providing flexibility.

Image 5.3: The JVC HA-Z330T-B earbuds offer convenient features for telework.

6. Maintenance

Proper maintenance ensures the longevity and optimal performance of your earbuds.

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Do not use abrasive cleaners or

solvents.

- **Eartips:** Remove and clean the eartips periodically. You can gently wash them with water and mild soap, then ensure they are completely dry before reattaching.
- **Water Resistance (IPX4):** The earbuds are IPX4 water-resistant, meaning they are protected against splashing water from any direction. They are not designed for submersion. Dry them thoroughly if they get wet.
- **Storage:** When not in use, store the earbuds in their charging case to protect them and keep them charged. Store in a cool, dry place away from extreme temperatures.

7. Troubleshooting

If you encounter issues with your JVC HA-Z330T-B earbuds, try the following solutions:

- **No Sound/Low Volume:**
  - Ensure earbuds are properly paired and connected to your device.
  - Check the volume level on both the earbuds and your connected device.
  - Ensure earbuds are fully charged.
  - Try resetting the earbuds (refer to the full manual for specific reset instructions).
- **Cannot Pair:**
  - Ensure Bluetooth is enabled on your device.
  - Make sure the earbuds are in pairing mode (flashing LED).
  - Turn off Bluetooth on other nearby devices to avoid interference.
  - Move the earbuds closer to your device.
  - Forget the device from your Bluetooth list and try pairing again.
- **Charging Issues:**
  - Ensure the charging cable is securely connected to both the case and the power source.
  - Try a different USB cable or power adapter.
  - Clean the charging contacts on the earbuds and inside the case.
- **Active Noise Cancellation Not Working:**
  - Ensure ANC is activated (if applicable via touch control or app).
  - Check that the eartips provide a good seal in your ear canal. Try different eartip sizes.

8. Specifications

Model Name	HA-Z330T-B
