OPERATING INSTRUCTIONS

Lift Top Function:

The lift top desktop can be raised to a comfortable height of 27 inches, providing an ergonomic workspace or dining surface while seated on your sofa. The lifting device features a soft-closing design for quiet, safe, and shock-absorbing operation.

Hidden Storage Compartments:

The coffee table includes two hidden storage compartments. One is located under the lift-top, and the other is accessible via a sliding cover. These compartments are ideal for storing laptops, magazines, remote controls, gamepads, and other items, helping to keep your living space tidy and organized.

LARGE STORAGE CAPACITY

Meet different storage needs

MAINTENANCE AND CARE

To maintain the appearance and longevity of your WLIVE coffee table, follow these simple care instructions:

- **Cleaning:** Wipe the surface with a damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Spills:** The tabletop is coated with water-resistant paint, making it waterproof and wear-resistant. Promptly wipe up any spills to prevent staining.
- **Weight Capacity:** Do not exceed the maximum weight recommendation of 200 lbs (Desktop when not lifted) to ensure stability and prevent damage.
- **Stability:** Periodically check and tighten all screws and connections to ensure the table remains stable and does not wobble.

TROUBLESHOOTING

Here are some common issues and their potential solutions:

- **Lift Mechanism Feels Stiff or Faulty:**
 - Ensure the gas lift mechanism is properly installed and all screws are securely tightened.
 - Check for any obstructions preventing smooth operation.
 - If the issue persists, contact customer support for assistance.
- **Gap Between Sliding and Lifting Parts:**
 - This can sometimes occur due to minor assembly misalignments. Recheck the assembly steps for the sliding and lifting components.
 - Ensure all parts are correctly seated and tightened.
- **Table Wobbles:**
 - Verify that all screws connecting the metal frame legs and the main body are fully tightened.
 - Ensure the table is placed on a flat, even surface.
