## IMPORTANT SAFETY INFORMATION

---

Please read all instructions carefully before using the CERAGEM M2 Massage Chair. Retain this manual for future reference. Improper use can lead to injury or damage to the product.

- Always ensure the chair is placed on a stable, level surface.
- Do not use the chair if the power cord is damaged or if the plug is loose.
- Keep children and pets away from the chair during operation.
- Consult a physician before use if you have pre-existing medical conditions, are pregnant, or have a pacemaker.
- Do not attempt to disassemble or repair the chair yourself. Contact authorized service personnel.
- Unplug the chair from the power outlet when not in use or before cleaning.

## SETUP AND ASSEMBLY

---

The CERAGEM M2 Massage Chair requires minimal assembly. Follow these steps to set up your chair:

1. **Unpacking:** Carefully remove all components from the packaging. Ensure all parts are present: main chair unit, ottoman, power cord, and remote control.
2. **Placement:** Position the chair in a desired indoor location, ensuring sufficient space around it for reclining. The chair dimensions are 44.1"D x 25.6"W x 39.7"H.
3. **Power Connection:** Connect the power cord to the chair's power input port, then plug it into a standard electrical outlet.
4. **Ottoman Assembly (if separate):** If the ottoman base is separate, attach it securely according to the included quick-start guide.

## OPERATING INSTRUCTIONS

---

Familiarize yourself with the chair's functions using the remote control.

### Power On/Off

Press the **Power** button on the remote control to turn the chair on or off.

### Automatic Massage Modes

The M2 offers 6 automatic modes, each designed for specific relaxation needs. Select your desired mode using the corresponding buttons on the remote:

- **Whole-body concentration mode**
- **Neck and shoulder concentration mode**
- **Hip and pelvis concentration mode**
- **Back and hip concentration mode**
- **Upper body concentration mode**
- **Deep massage mode**

### Reclining Function

Adjust the chair's recline angle up to 120° for optimal comfort. Use the recline buttons on the remote control to find your perfect position.

## THE BEST ANGLE FOR MAXIMUM RELAXATION

Ceragem Well-Life Medical Research Center suggests the optimal massage reclining angle. A study was conducted to identify the most comfortable position for the body.

Image: A woman comfortably reclined in the CERAGEM M2 Massage Chair, demonstrating the chair's ability to adjust to an optimal angle for relaxation.

## WIDE RANGE OF USES

There is an ottoman provided in the CERAGEM M2 and a function for adjusting houlder heights.

## Thermal Heating

Activate the thermal heating function to enhance your massage experience. The heat helps loosen tight muscles and promote blood circulation, particularly around the waist and hips. The temperature can be controlled up to 140°F (60°C).

### HEALING MODE

## CERAGEM M2

By applying a warming function at the waist and hips, a more relaxing massage is enabled.

Image: A close-up view of the lumbar area of the CERAGEM M2 chair, highlighting the integrated warming function for enhanced relaxation.

## Bluetooth Speaker & USB Port

Enhance your relaxation with integrated multimedia features:

- **Bluetooth Speaker:** Pair your device with the chair's built-in Bluetooth speaker to enjoy music or guided meditations during your massage.
- **USB Port:** Use the convenient USB port to charge your mobile devices while you relax.

## Trending Design & Colors

The three automatic modes provide an effective massage for your condition from neck to thigh.

-  **Camel Brown**
-  **Oatmeal Beige**
-  **Natural Gray**

## Designed for Your Convenience

### Bluetooth Speaker

Create your own space while listening to music.

### USB Port

For a variety of devices.

### Intuitive Interface Remote Control

A variety of features at the touch of a button.

## MAINTENANCE AND CARE

Proper maintenance ensures the longevity and optimal performance of your CERAGEM M2 Massage Chair.

- **Cleaning:**
  - Wipe the chair's surface with a soft, damp cloth.
  - Do not use abrasive cleaners, solvents, or harsh chemicals.
  - For leather parts, use a specialized leather cleaner if necessary, following the product instructions.
- **Storage:** When not in use for extended periods, unplug the chair and store it in a cool, dry place away from direct sunlight and extreme temperatures.
- **Inspection:** Periodically check the power cord and plug for any signs of damage.

## TROUBLESHOOTING

If you encounter any issues with your CERAGEM M2 Massage Chair, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Chair does not power on.	Power cord not properly connected; power outlet issue.	Ensure power cord is securely plugged into both the chair and a working electrical outlet. Check circuit breaker.
Massage function not working.	Chair is not powered on; mode not selected.	Turn on the chair and select an automatic massage mode or manual setting.
Bluetooth speaker not connecting.	Bluetooth on device is off; chair not in pairing mode.	Ensure Bluetooth is enabled on your device. Refer to your device's manual for pairing instructions. Restart the chair.

Problem	Possible Cause	Solution
Thermal heating not felt.	Heating function not activated.	Activate the thermal heating function via the remote control. Allow a few minutes for the heat to build up.

If the problem persists after attempting these solutions, please contact customer support.

### The Advantage of CERAGEM M2 Premium SL Frame

The more you use it the more you love it

#### STANDARD STRAIGHT FRAME

Creates space where rollers cannot provide massage.

#### PREMIUM SL FRAME

Follows body contours for a better massage.

Image: A diagram illustrating the advantage of the CERAGEM M2's Premium SL Frame, showing how it follows body contours more effectively than a standard straight frame for a better massage.

## WARRANTY AND SUPPORT
