## Sauder 429414

# Sauder Cannery Bridge Executive Desk User Manual

Model: 429414 | Brand: Sauder

## PRODUCT OVERVIEW

The Sauder Cannery Bridge Executive Desk is designed to enhance your home office or workspace with its functional features and stylish Sindoori Mango finish. It offers a spacious work surface with a distinctive herringbone pattern and ample storage, including six drawers with full extension slides, two of which are designed for letter or legal-size hanging files. The desk also incorporates a cord management system to maintain a tidy workspace. Its finished-on-all-sides design ensures a polished appearance from any angle.

## SAFETY INFORMATION

Always follow all assembly instructions carefully. Ensure all hardware is securely fastened before use. Do not overload drawers or desk surface. Keep small parts away from children. For California residents, please note: Warning: Formaldehyde – [www.p65warnings.ca.gov](http://www.p65warnings.ca.gov).

## PARTS LIST

---

The product package includes all necessary materials, hardware, and assembly instructions. Please verify all components are present before beginning assembly.

- Desk panels (top, sides, back, drawer fronts, etc.)
- Drawer slides and rails
- Hardware (screws, dowels, cam locks, etc.)
- Drawer pulls/handles
- Cord management grommets
- Assembly instructions (included in packaging)

## SETUP AND ASSEMBLY

---

This desk is designed for straightforward assembly. It is recommended that **two people** participate in the assembly process due to the size and weight of some components. Please follow the detailed assembly instructions provided in your product packaging. Below are general guidelines and specific tips for drawer slide installation and removal.

### Preparing Drawer Slides

Before installing drawers, you may need to separate the slide from the rail. Sauder products typically use two styles of slides and rails: Slide-Lever Rail and Push-Lever Rail.

- For **Slide-Lever Rails**: Locate the slide release lever. Push the lever up or down as indicated to separate the slide from the rail.
- For **Push-Lever Rails**: Locate the "Push in" release lever. Push the lever in to separate the slide from the rail.

Figure 2: The desk features a spacious design suitable for various room settings.

## Inserting Drawers

To insert a drawer, first ensure the inner cartridge of the drawer slide is clicked into place against the black tab on the rail. Align the drawer's slides with the rails in the desk opening and gently push the drawer in until it clicks securely into place. Do not force the drawer.

## Removing Drawers After Assembly

To remove a drawer after assembly, pull the drawer out fully. Locate the release levers on both sides of the drawer slides. Depending on the rail type:

- For **Slide-Lever Rails**: Push one lever up and the other lever down simultaneously.
- For **Push-Lever Rails**: Push both levers in simultaneously.

While holding the levers, gently pull the drawer straight out from the desk.

## OPERATING INSTRUCTIONS

The Sauder Cannery Bridge Executive Desk is designed for ease of use in a home office environment.

- **Drawers:** The six drawers feature full extension slides for easy access to contents. The two lower drawers are equipped to accommodate letter or legal-size hanging files, allowing for organized document storage.
- **Cord Management:** Utilize the desk top grommet holes to route and organize power cords and cables, keeping your workspace neat and free from clutter.
- **Work Surface:** The spacious top surface provides ample room for your laptop, monitor, and other office essentials.

Figure 3: Drawers provide ample storage, including file organization.

## MAINTENANCE

To maintain the appearance and longevity of your desk, wipe surfaces with a dry cloth. Avoid using harsh chemicals or abrasive cleaners, as these may damage the finish. Regularly check and tighten any loose hardware to ensure stability.

Figure 4: The Sindoori Mango finish and herringbone pattern require gentle care.

## TROUBLESHOOTING

Problem	Possible Cause	Solution
Drawers do not slide smoothly.	Misaligned slides or debris in the tracks.	Ensure drawer slides are properly aligned and free of obstructions. Refer to "Inserting Drawers" section.
Desk feels wobbly.	Loose hardware or uneven floor.	Check and tighten all assembly hardware. Use furniture levelers if the floor is uneven.
Missing parts during assembly.	Packaging error.	Contact Sauder customer support for replacement parts.

## SPECIFICATIONS

Feature	Detail
Brand	Sauder
Model Number	429414
Product Dimensions (L x W x H)	65.98" x 30.20" x 29.76"
Color	Sindoori Mango
Material	Engineered Wood (Base & Top)
Number of Drawers	6 (including 2 file drawers)
Maximum Weight Recommendation	190 Pounds
Required Assembly	Yes
Recommended People for Assembly	2
Product Weight	188.9 Pounds
