EGLO Fueva 5 LED Ceiling Light (Model 30761) Instruction Manual

1. PRODUCT OVERVIEW

The EGLO Fueva 5 LED Ceiling Light, Model 30761, is a modern, rounded interior lighting fixture designed for various indoor spaces. It features a black metal frame with a white plastic LED cover, offering a neutral white light output.

Key features include:

- **Splash-Proof Design:** Rated IP44, making it suitable for environments where it may be exposed to splashes, such as bathrooms.
- **Versatile Application:** Its timeless design allows it to integrate seamlessly into various interior styles, including kitchens, hallways, offices, and bathrooms.
- **Easy Installation:** Equipped with a special ceiling bracket for straightforward mounting, eliminating the need for visible screws on the housing sides. Its slim profile (less than 30 mm height) also allows for wall mounting.
- **Efficient LED Lighting:** Provides a bright neutral white light at 4000 Kelvin, with a luminous flux of 2500 lumens and a power consumption of 20.5 watts.
- **Dimmable Functionality:** This fixture supports dimming, allowing adjustment of light intensity.

2. SAFETY INFORMATION

Please read all safety instructions carefully before installation and operation. Failure to follow these instructions may result in electric shock, fire, or other hazards.

- **Electrical Safety:** Always disconnect power at the main circuit breaker before installing, servicing, or cleaning the fixture. Ensure all electrical connections are made by a qualified electrician and comply with local electrical codes.
- **Mounting:** Ensure the mounting surface is structurally sound and can support the weight of the fixture.
- **Handling:** Handle the fixture with care to avoid damage to the LED components or housing.

- **Environment:** This fixture is rated IP44 for splash protection, making it suitable for damp indoor locations. Do not expose it to direct water jets or immerse it in water.
- **Light Source:** The LED light source is integrated. Do not attempt to replace the LEDs yourself. Contact qualified personnel for service.

3. PACKAGE CONTENTS

Verify that all components are present before beginning installation:

- EGLO Fueva 5 LED Ceiling Light fixture (Model 30761)
- Mounting bracket
- Installation hardware (screws, wall plugs, etc.)
- Instruction manual

4. SETUP AND INSTALLATION

Follow these steps for proper installation of your EGLO Fueva 5 LED Ceiling Light:

1. **Prepare for Installation:** Turn off the power supply at the main circuit breaker to prevent electric shock.
2. **Position the Mounting Bracket:** Place the mounting bracket against the ceiling or wall at the desired installation location. Mark the drilling points.
3. **Drill Holes:** Drill holes at the marked points. Insert appropriate wall plugs if necessary.
4. **Secure the Mounting Bracket:** Attach the mounting bracket securely to the ceiling or wall using the provided screws.
5. **Make Electrical Connections:** Connect the household electrical wires to the terminals on the fixture. Ensure correct polarity (Live, Neutral, Earth) according to local wiring regulations.
6. **Attach the Fixture:** Align the light fixture with the mounting bracket. The special design allows the fixture to be easily attached without visible screws on the sides. Gently push and twist or slide the fixture onto the bracket until it clicks securely into place.
7. **Restore Power:** Once the fixture is securely mounted and all connections are made, restore power at the main circuit breaker.

5. OPERATING INSTRUCTIONS

The EGLO Fueva 5 LED Ceiling Light is designed for simple operation.

- **Turning On/Off:** Use a standard wall switch connected to the fixture's power supply to turn the light on or off.
- **Dimming Function:** If connected to a compatible dimmer switch (Style d'interrupteur: Variateur), you can adjust the light intensity by operating the dimmer. Ensure the dimmer switch is suitable for LED lighting.

6. MAINTENANCE

To ensure the longevity and optimal performance of your EGLO Fueva 5 LED Ceiling Light, follow these maintenance guidelines:

- **Cleaning:** Before cleaning, ensure the power is disconnected. Wipe the fixture with a soft, dry, or slightly damp cloth. Do not use abrasive cleaners, solvents, or harsh chemicals, as these can damage the finish or LED components.
- **Inspection:** Periodically check the fixture for any signs of damage or loose connections. If any issues are found, disconnect power and consult a qualified electrician.
- **Light Source:** The LED light source is integrated and not user-replaceable.

7. TROUBLESHOOTING

If you encounter issues with your EGLO Fueva 5 LED Ceiling Light, refer to the following common troubleshooting steps:

- **Light Does Not Turn On:**
 - Check if the power supply at the circuit breaker is on.
 - Ensure the wall switch is in the 'ON' position.

- Verify that electrical connections are secure (only if safe to do so, with power off).
- **Light Flickers or Dims Unexpectedly:**
 - If using a dimmer, ensure it is compatible with LED lighting and properly installed.
 - Check for loose wiring connections (with power off).
- **Unusual Noise or Smell:**
 - Immediately turn off the power at the circuit breaker.
 - Do not attempt to operate the fixture. Contact a qualified electrician for inspection.

For issues not resolved by these steps, contact EGLO customer support or a qualified electrician.

8. SPECIFICATIONS

Brand	EGLO
Model Number	30761
Product Dimensions (L x W x H)	28.5 x 28.5 x 2.8 cm
Item Weight	706 g
Material	Metal (Housing), Plastic (Shade)
Color	Black (Housing), Neutral White (Shade)
Style	Modern
Power Source	AC/DC
Voltage	230 Volts (AC)
Maximum Wattage	20.5 Watts
Luminous Flux	2500 lumens
Color Temperature	4000 Kelvin (Neutral White)
Special Features	Dimmable
IP Rating	IP44 (Splash-proof)
Installation Type	Ceiling Mount
Indoor/Outdoor Use	Indoor
Energy Efficiency Class	E

9. WARRANTY AND SUPPORT

For information regarding warranty, spare parts availability, or technical support, please refer to the documentation provided with your purchase or contact EGLO customer service directly. Specific details on software updates are not available for this product.
