# Shuffle Escape The Island Card Game User Manual

Brand: Shuffle | Model: 10028288

## PRODUCT OVERVIEW

The Shuffle Escape The Island Card Game is an exciting game based on the Jurassic World movie, designed for 2 to 4 players aged 6 years and up. This portable card game challenges players to navigate dangerous terrain and rescue dinosaurs.

**Safety Warning: Not suitable for children under 36 months due to small parts.**

## COMPONENTS

The game includes the following components:

- 60 Game Cards
- 24 Tokens
- 1 Multilingual Game Guide

Image: Back of the game box, detailing the included components (60 cards, 24 tokens, game guide) and the game's objective.

## SETUP

Follow these steps to set up the game before playing:

1. Unpack all game components from the box.
2. Familiarize yourself with the different types of cards and tokens.
3. Arrange the game cards to form the island path as described in the game guide. This typically involves creating a grid or path using the various terrain cards.
4. Place the tokens nearby, ready for use during gameplay.

Image: An example of the game setup, showing multiple game cards laid out to form the island path and various tokens placed around the playing area.

## OPERATING (GAMEPLAY)

The objective of "Escape The Island" is to make your way through the dangerous terrain of Isla Nublar and reach the safety of the helicopter, rescuing as many dinosaurs as possible. The game guide provides detailed rules, but here's a general overview:

- Players take turns moving across the island path, drawing cards, and encountering various challenges.
- Use strategy to avoid roadblocks and dangerous areas.
- Collect tokens by rescuing dinosaurs or completing objectives.
- The game ends when players reach the helicopter or specific conditions are met.
- The player who successfully escapes with the most rescued dinosaurs wins.

Image: The game box alongside several game cards and tokens, illustrating the visual style of the game components used during play.

## MAINTENANCE

To ensure the longevity of your Shuffle Escape The Island game, follow these maintenance tips:

- **Storage:** Always store cards and tokens back in their original box after use to prevent loss or damage. Keep the box in a cool, dry place away from direct sunlight.
- **Cleaning:** If components become dirty, gently wipe them with a dry, soft cloth. Avoid using water or chemical cleaners, as this can damage the cardboard material.
- **Handling:** Handle cards and tokens with clean, dry hands to prevent smudges and wear. Avoid bending or creasing

the cards.

## TROUBLESHOOTING

Here are some common issues and their solutions:

| Problem                 | Solution                                                                                                                                                             |
|-------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Missing components      | Carefully check the box and packaging. If components are genuinely missing, contact the manufacturer (Cartamundi) for assistance.                                    |
| Unclear rules           | Refer to the multilingual game guide provided. If still unclear, search for official gameplay videos or FAQs online from Shuffle or Cartamundi.                      |
| Cards or tokens damaged | Handle components with care. For significant damage, replacement parts may not be available (as per product info), but you can contact the manufacturer for options. |
