COSTWAY 66719US-WH

COSTWAY Dual Motor Electric Standing Desk Frame User Manual

Model: 66719US-WH

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your COSTWAY Dual Motor Electric Standing Desk Frame. This ergonomic desk frame is designed to support flexible working postures, allowing users to switch between sitting and standing positions. It features a powerful dual-motor system for smooth height adjustments, an intelligent controller with memory presets, and advanced anti-collision technology for enhanced safety.

Humanized Cable Management Tie
Keep messy wires well organized

Sturdy T-shaped Steel Legs
Ensure great stability and load capacity

Adjustable Foot Pads
Enhance stability even on uneven ground

Solid Double Beam
Provide stronger support to your office supplies

SETUP AND ASSEMBLY

The COSTWAY Electric Standing Desk Frame requires assembly. Please ensure all components are present before beginning. The frame's width is adjustable, allowing compatibility with various tabletop sizes. A detailed instruction manual is included in the package to guide you through the assembly process.

Tabletop Compatibility

The desk frame's width can be adjusted from 43 inches to 67 inches, accommodating a wide range of tabletop dimensions. This allows for customization to suit your specific workspace needs.

Key Structural Components

The desk frame is constructed from heavy-duty steel, featuring sturdy T-shaped steel legs, a solid double beam for support, and adjustable foot pads for stability on uneven surfaces. Integrated cable management ties help organize wires.

OPERATING INSTRUCTIONS

The desk frame is controlled by an intelligent LED digital controller, providing easy and precise height adjustments.

Height Adjustment

Use the **Up** and **Down** arrow buttons on the controller to raise or lower the desk to your desired height. The current height is displayed on the LED screen.

Memory Presets

The controller allows you to store up to three preferred height settings for quick recall:

1. Adjust the desk to your desired height using the Up/Down buttons.
2. Press the 'S' button. The LED display will show 'S-'.
3. Press one of the number buttons (1, 2, or 3) within 5 seconds to save the current height to that preset. The display will show 'S-1', 'S-2', or 'S-3' to confirm.

4. To recall a saved height, simply press the corresponding number button (1, 2, or 3). The desk will automatically move to the stored position.

Anti-Collision System

The desk frame is equipped with an advanced anti-collision technology. If the desk encounters an obstruction during movement, it will automatically stop and reverse slightly to prevent damage or injury.

CARE AND MAINTENANCE

To maintain the appearance and functionality of your COSTWAY Electric Standing Desk Frame, follow these simple care instructions:

- **Cleaning:** Wipe the steel surfaces with a dry cloth. Avoid using abrasive cleaners or harsh chemicals that may damage the finish.
- **Inspection:** Periodically check all screws and connections to ensure they are secure. Tighten if necessary.
- **Cable Management:** Ensure cables are neatly organized and not interfering with the desk's movement.

TROUBLESHOOTING GUIDE

If you encounter any issues with your standing desk frame, please refer to the following common troubleshooting steps:

- **Desk not moving:** Check if the power cord is securely plugged into both the desk frame and a working power outlet. Ensure no obstructions are blocking the desk's path.
- **Uneven movement:** Verify that the desk is placed on a level surface and that the adjustable foot levelers are properly adjusted.
- **Controller not responding:** Unplug the desk from the power source for 10-15 seconds, then plug it back in to perform a soft reset.
- **Error codes:** If an error code appears on the LED display, consult the detailed instruction manual provided with your product for specific solutions or contact customer support.

PRODUCT SPECIFICATIONS

Below are the technical specifications for the COSTWAY Dual Motor Electric Standing Desk Frame:

Feature	Specification
Model Number	66719US-WH
Material	Steel
Overall Dimensions (L x W x H)	43-67" x 27" x 27.5-45"
Adjustable Height Range	27.5" - 45"
Adjustable Width Range	43" - 67"
Lifting Speed	1.5"/second
Weight Capacity	220 lbs
Noise Level	≤40db
Power Input	120V, 60Hz
Net Weight	86.5 lbs

2 Powerful Motors for Faster Response and Stronger Bearing Capacity

1.5"/s
Lifting Speed
