Xmenha Wireless Earbuds User Manual

Model: Xmenha-F8-F-Green

PRODUCT OVERVIEW

The Xmenha Wireless Earbuds are designed for sports and leisure, offering a seamless audio experience with advanced features. These earbuds provide a stable wireless connection, high-fidelity sound, and long battery life, making them suitable for various activities including workouts, running, and daily use.

Key features include:

- **Bluetooth 5.2 Technology:** Ensures a stable and fast wireless connection.
- **Comfortable Earhook Design:** Soft, flexible, and secure fit for active use.
- **Extended Playtime:** Up to 20 hours of listening or talking time on a single charge.
- **IPX4 Waterproof Rating:** Protects against sweat and splashes, ideal for workouts.
- **Hi-Fi Stereo Sound:** Delivers deep bass and clear treble for an immersive audio experience.
- **Environmental Noise Reduction:** Enhances call clarity by suppressing background noise.

2. Initial Pairing

The earbud is designed for automatic connection. Simply open the earbud to automatically power on and enter pairing mode. It will connect to your phone immediately after the first successful pairing.

1. Ensure your device's Bluetooth is turned on.
2. Take the earbud out of its packaging or charging state to power it on.
3. On your device, search for Bluetooth devices and select "Xmenha F8" (or similar name) from the list.
4. Once paired, the earbud will automatically connect to your device in subsequent uses.

RELAXATION OF SOFT RUBBER EAR HOOK

The real soft rubber ear hook design is adopted, and the ear hook can be shaped according to different ears
Adjusted to fit your ears for comfort

Earbud Touch Control Functions

Action	Function
Single Tap	Play/Pause Music, Answer/End Call
Double Tap (Left/Right)	Previous/Next Track
Long Press	Activate Voice Assistant, Reject Call

Call Functionality

The earbud features environmental noise reduction technology to ensure clear voice transmission during calls. This technology actively suppresses external noise, allowing for smooth communication even in noisy environments.

Audio Experience

Experience high-fidelity stereo sound with enhanced interpretation of human voices in mid and high frequencies. The earbud delivers deep bass and crystal clear treble, providing an immersive audio experience for music and other content.

MAINTENANCE AND CARE

Water Resistance

The earbud is rated IPX4 waterproof, meaning it is resistant to splashes and sweat. This makes it suitable for use during intense workouts or in light rain. **Note:** IPX4 rating does not mean it can be submerged in water. Avoid exposing the earbud to strong jets of water or prolonged submersion.

IPX4 WATERPROOF AND SWEAT PROOF ENJOY YOUR RIDE WITH YOUR PARTNER

The headset supports IPx4 waterproof splash,
all-weather indoor Accompany outside and enjoy
the freedom of sweat

General Care

To maintain the longevity and performance of your earbud:

- Wipe the earbud with a soft, dry cloth after each use, especially after workouts.

- Store the earbud in a cool, dry place away from extreme temperatures.
- Avoid dropping or subjecting the earbud to strong impacts.

TROUBLESHOOTING

If you encounter any issues with your Xmenha Wireless Earbud, please refer to the common solutions below:

Common Issues and Solutions

Problem	Possible Solution
Earbud not pairing/connecting	<ul style="list-style-type: none"> ◦ Ensure the earbud is charged and powered on. ◦ Turn off and on your device's Bluetooth. ◦ Forget the device in your Bluetooth settings and try pairing again. ◦ Ensure the earbud is within the 10-meter Bluetooth range of your device.
Low volume or poor sound quality	<ul style="list-style-type: none"> ◦ Adjust the volume on both the earbud and your connected device. ◦ Ensure the earbud is properly seated in your ear. ◦ Check for any obstructions or debris in the earbud's speaker mesh. ◦ Move closer to your connected device to avoid signal interference.
Battery not holding charge	<ul style="list-style-type: none"> ◦ Ensure the charging cable and power source are working correctly. ◦ Verify the earbud is properly connected to the charging cable. ◦ Allow the earbud to charge for the recommended 1-1.5 hours.
