

## RBX 4RBRR0261U0G7

# RBX Vibra Heal Percussion Massage Gun

Model: 4RBRR0261U0G7

## INTRODUCTION

The RBX Vibra Heal Percussion Massage Gun is a portable, handheld device designed to provide deep tissue massage for muscle recovery, pain relief, and relaxation. It features multiple speed settings and interchangeable attachments to target various muscle groups effectively.

## IMPORTANT SAFETY INFORMATION

Please read all instructions carefully before using the RBX Vibra Heal Percussion Massage Gun. Failure to follow these safety guidelines may result in injury or device damage.

- Do not immerse the device in water or other liquids.
- Keep away from heat sources and direct sunlight.
- Do not use on injured, inflamed, or swollen areas of the body. Consult a physician before use if you have any medical conditions, are pregnant, or have a pacemaker.
- Keep out of reach of children.
- Use only the provided charging cable.
- Do not operate continuously for more than 15 minutes. Allow 30 minutes of rest before re-using.
- Avoid using the device on the head, bony areas, or directly on joints.

## PACKAGE CONTENTS

- RBX Vibra Heal Percussion Massage Gun
- 4 Interchangeable Massage Attachments (Flat Head, Ball Head, Forked Head, Bullet Head)
- Charging Cable
- User Manual

## PRODUCT OVERVIEW

Familiarize yourself with the components of your massage gun:

The image above displays the RBX Vibra Heal Percussion Massage Gun. Key features include the charging port, the on/off button, and four LED indicators that show the current speed setting. The device is cordless and rechargeable.

## SETUP

1. **Charge the Device:** Before first use, fully charge the massage gun using the provided charging cable. The LED indicators will show charging status.
2. **Attach a Massage Head:** Select the desired massage head. Align the head with the opening on the front of the massage gun and push it firmly into place. Ensure it is securely attached before use.

## OPERATING INSTRUCTIONS

To operate your RBX Vibra Heal Percussion Massage Gun:

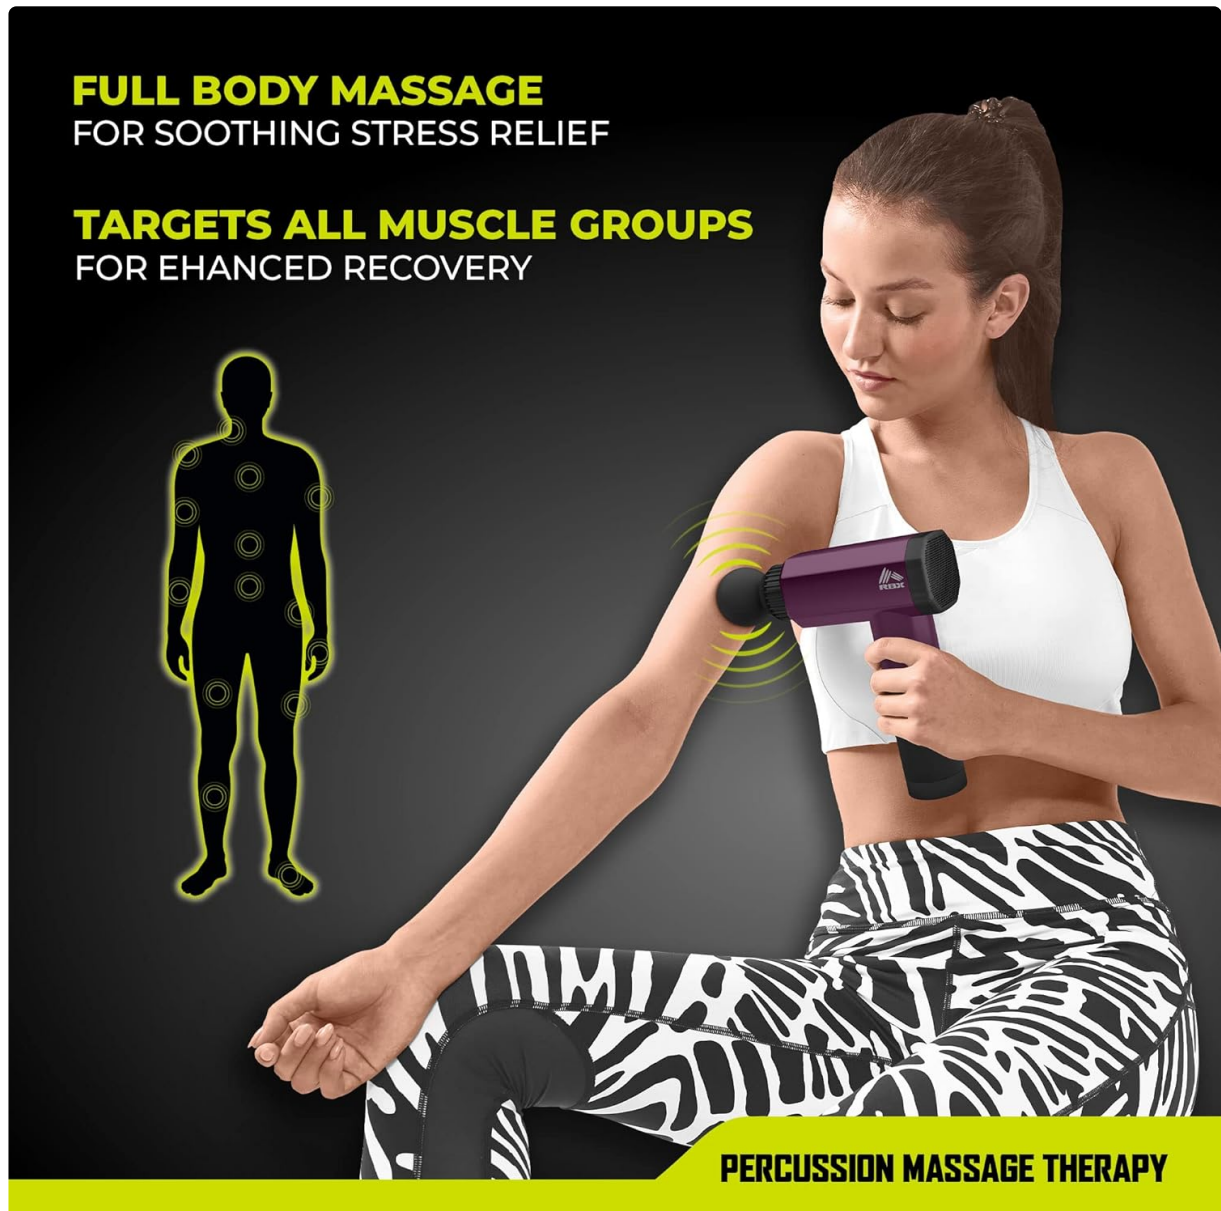

1. **Power On:** Press and hold the power button located at the base of the handle for a few seconds until the device turns on. The LED indicators will light up.

2. **Adjust Speed:** Press the power button repeatedly to cycle through the available speed settings. The LED indicators will show the selected speed level.
3. **Apply to Muscles:** Gently press the massage gun onto the desired muscle area. Move the device slowly over the muscle, applying light to moderate pressure. Do not press too hard or remain in one spot for too long.
4. **Power Off:** Press and hold the power button again for a few seconds to turn off the device.

## **INTERCHANGEABLE ATTACHMENTS**

The device includes four specialized massage heads, each designed for different muscle groups and massage intensities:

## CUSTOMIZE YOUR MASSAGE WITH 4 INTERCHANGEABLE MASSAGE ATTACHMENTS

### FLAT HEAD

Delivers deep muscular impact.  
Use on Glutes, Quads, & Arms.

### BALL HEAD

Relaxes & activates large muscle groups.  
Use on Hamstrings, Glutes, Quads & Chest.

### FORKED HEAD

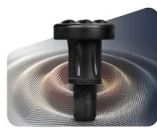

Works out knots & tense muscles.  
Use on Calves, Feet, Traps & Quads.

### BULLET HEAD

Muscular penetration.  
Use on Feet, Forearms & Shoulders.

## PERCUSSION MASSAGE THERAPY

This image illustrates the four distinct massage heads included with your RBX Vibra Heal massage gun, along with their recommended applications.

**Flat Head**

Delivers deep muscular impact. Suitable for glutes, quads, and arms.

**Ball Head**

Relaxes and activates large muscle groups. Ideal for hamstrings, glutes, quads, and chest.

### Forked Head

Works on knots and tense muscles. Recommended for calves, feet, traps, and quads.

### Bullet Head

Provides muscular penetration. Best for use on feet, forearms, and shoulders.

## CHARGING AND BATTERY LIFE

The RBX Vibra Heal Massage Gun is equipped with a rechargeable Lithium Polymer battery.

- **Charging Time:** Approximately 3-4 hours for a full charge.
- **Usage Time:** Up to 3 hours of continuous use on a full charge, depending on speed setting.
- **Charging Indicator:** The LED lights on the device will indicate the charging status.

Use only the provided charging cable. Do not use the device while it is charging.

## MAINTENANCE AND CARE

- **Cleaning:** Wipe the device with a slightly damp cloth. Do not use abrasive cleaners or immerse in water.
- **Storage:** Store the massage gun and its attachments in a cool, dry place, away from direct sunlight and extreme temperatures.
- **Attachment Care:** Clean attachments with mild soap and water, then air dry completely before reattaching or storing.

## TROUBLESHOOTING

Problem	Possible Cause	Solution
Device does not turn on	Low battery; Device not charged	Charge the device fully using the provided cable.
Short battery life	Not fully charged; High speed setting used continuously	Ensure device is fully charged. Lower speed settings consume less power.
Attachment is loose	Attachment not properly inserted	Push the attachment firmly into the device until it clicks into place.
