

## Meble Furniture PAFOS-4D-SIDE-OAK

# Meble Furniture Pafos 4D 75-inch Sideboard Instruction Manual

Model: PAFOS-4D-SIDE-OAK

## 1. INTRODUCTION

---

This manual provides essential instructions for the assembly, operation, maintenance, and troubleshooting of your Meble Furniture Pafos 4D 75-inch Sideboard. Please read this manual thoroughly before assembly and use to ensure safe and correct handling of the product. Retain this manual for future reference.

## 2. SAFETY INFORMATION

---

Observe the following safety precautions to prevent injury or damage to the product:

- **Assembly:** Always assemble the sideboard on a soft, clean surface to prevent scratches. Ensure all hardware is securely tightened before use. Do not overtighten screws.
- **Stability:** This sideboard is designed for freestanding installation. For added stability and safety, especially in households with children or pets, consider securing the unit to a wall using appropriate anti-tip hardware (not included).
- **Weight Capacity:** Do not exceed the recommended weight capacity for shelves and the top surface. Distribute weight evenly to maintain stability.
- **Placement:** Place the sideboard on a level surface to prevent wobbling and potential tipping. Keep away from direct sunlight, heat sources, and excessive moisture.
- **Moving:** When moving the sideboard, empty all contents and lift the unit. Do not drag, as this may damage the legs or structure.

### 3. PACKAGE CONTENTS

---

Before beginning assembly, verify that all components are present and undamaged. If any parts are missing or damaged, contact customer support.

- Sideboard panels (top, bottom, sides, back, shelves, doors)
- Legs (4-6 pieces, depending on design)
- Hinges and door hardware
- Assembly hardware (screws, dowels, cam locks, etc.)
- Assembly instructions (this manual)

### 4. SETUP AND ASSEMBLY

---

Assembly is required for this product. It is recommended that two adults assemble the sideboard. Please follow the steps below carefully.

1. **Prepare Workspace:** Clear a spacious area and lay out a blanket or cardboard to protect the components and your floor.
2. **Identify Parts:** Unpack all components and identify them using the provided parts list (if separate).
3. **Assemble Base/Frame:** Attach the side panels to the bottom panel, ensuring proper alignment. Secure with the provided hardware.
4. **Install Back Panel:** Slide or fasten the back panel into place.
5. **Insert Shelves:** Place the adjustable shelves into the desired positions.
6. **Attach Legs:** Securely attach the legs to the bottom of the sideboard.
7. **Mount Doors:** Attach hinges to the doors and then mount the doors to the sideboard frame. Adjust hinges as needed for proper door alignment.
8. **Final Check:** Ensure all connections are tight and the sideboard is stable.

## 5. OPERATING INSTRUCTIONS

---

The Pafos 4D Sideboard is designed for versatile storage and display. To operate and utilize its features:

- **Storage:** Utilize the multiple shelves and compartments for organizing various items. The design includes 8 shelves and 8 compartments for efficient storage.
- **Door Operation:** The four doors open smoothly to provide access to the interior. Ensure doors are closed gently to prevent wear and tear.
- **Surface Use:** The top surface can be used for displaying decorative items, serving food, or as a functional workspace. Avoid placing excessively hot or wet items directly on the surface without protection.

## 6. MAINTENANCE

---

To maintain the appearance and longevity of your sideboard, follow these simple care instructions:

- **Cleaning:** Wipe the engineered wood surface with a soft, damp cloth. Avoid abrasive cleaners, harsh chemicals, or excessive moisture, as these can damage the finish.
- **Spills:** Clean spills immediately to prevent staining.
- **Protection:** Use coasters or placemats under hot dishes, glasses, or items that may scratch the surface.
- **Hardware:** Periodically check and tighten all assembly hardware to ensure stability.

## 7. TROUBLESHOOTING

If you encounter any issues with your sideboard, refer to the following common solutions:

- **Wobbly Sideboard:**
  - Ensure the sideboard is placed on a level surface.
  - Check and tighten all assembly screws and connections.
  - If applicable, adjust the leveling feet on the legs.
- **Doors Not Aligning:**
  - Adjust the hinges. Most furniture hinges allow for vertical, horizontal, and depth adjustments using screws on the hinge mechanism.
  - Ensure the sideboard frame is square and level.
- **Scratches/Minor Damage:**
  - For minor scratches, furniture repair pens or wax sticks matching the black finish may be used.

## 8. SPECIFICATIONS

Feature	Detail
Brand	Meble Furniture
Model Name	Pafos 4D 75" Sideboard
Model Number	PAFOS-4D-SIDE-OAK
