Material: Metal(Iron)

Color: White & Gold

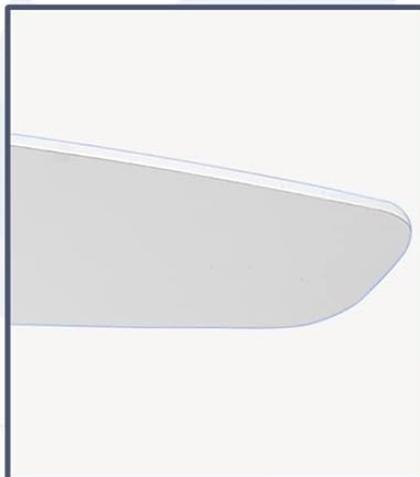

Net Weight: 12.03 LB

Voltage: 110-120V

Wattage: 22W

LED Light Source

White Blade

Iron Material

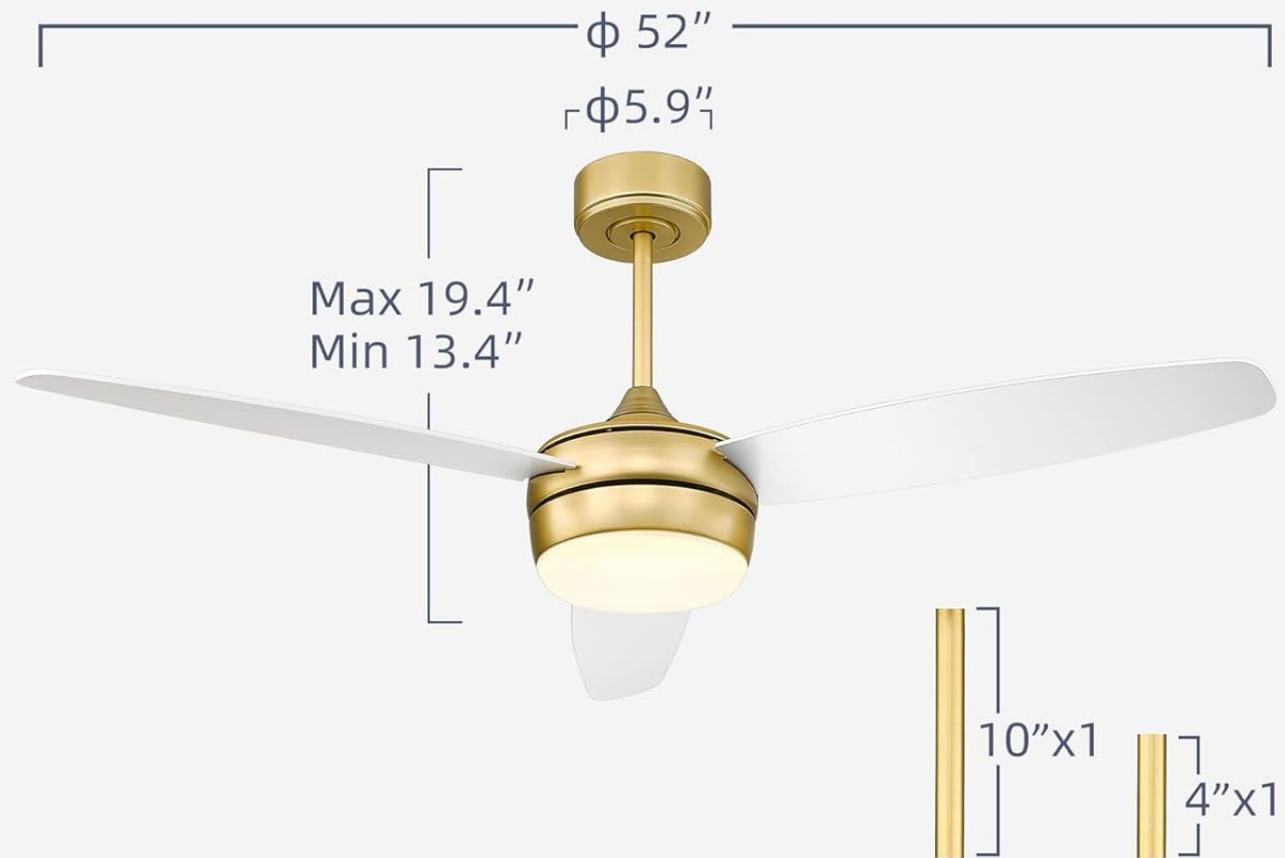

This image displays the various components of the fan neatly organized within its packaging, including the motor, downrods, remote receiver, and blades.

Fan Assembly and Mounting

Follow the detailed instructions provided in the manual for assembling the fan motor with the chosen downrod (4-inch or 10-inch). Ensure all wires are correctly pulled through the downrod. The fan's design allows for easy hanging onto the ceiling bracket, providing full support during wiring connections.

This video provides a step-by-step guide on how to install the YOUKAIN 273 Ceiling Fan, covering assembly, wiring, and mounting procedures.

Product details

This diagram provides precise measurements for the fan, indicating a 52-inch diameter, a maximum vertical height of 19.4 inches (with 10-inch downrod) and a minimum of 13.4 inches (with 4-inch downrod). It also shows compatibility for flat and sloped ceilings, and its indoor/outdoor damp rating.

Wiring and Remote Receiver Connection

Connect the fan's wires to the remote control receiver using the provided harnessed connections. Ensure all connections are secure. The receiver then tucks neatly into the mounting bracket, allowing for a clean finish. Once wired, the magnetic canopy cover plate easily attaches to conceal the wiring.

Blade and Light Kit Installation

After the main fan body is securely mounted and wired, attach the three white fan blades. Finally, install the LED light kit by screwing it into place. The LED light is designed for longevity and does not require bulb replacements.

OPERATING INSTRUCTIONS

Remote Control Functions

The included remote control provides full functionality for your ceiling fan. It allows you to:

- Turn the fan ON/OFF and adjust between 5 speed settings.
- Control the LED light ON/OFF, adjust brightness, and change between 3 color temperatures (3000K warm, 4000K neutral, 6000K cool).
- Reverse the fan's direction for optimal air circulation in different seasons (downdraft for cooling in summer, updraft for circulating warm air in winter).
- Set a timer for 1 hour or 4 hours for automatic shut-off.

This image highlights the fan's LED light source, which is dimmable from 1% to 100% and offers three selectable color temperatures: warm white (3000K), neutral white (4000K), and cool white (6000K).

This image illustrates the fan's quiet operation, ideal for bedrooms, featuring a reversible DC motor with 5-speed settings and a convenient 1-hour or 4-hour delay timer for peaceful sleep.

MAINTENANCE

To ensure optimal performance and longevity of your YOUKAIN ceiling fan, regular maintenance is recommended:

- **Cleaning:** Dust the fan blades and motor housing periodically with a soft, damp cloth. Avoid using abrasive cleaners that may damage the finish.
- **Connections:** Annually check all screws and connections on the fan and mounting bracket to ensure they are secure.
- **LED Light:** The integrated LED light kit does not require bulb replacement, offering a long lifespan and lower energy consumption.

TROUBLESHOOTING

If you encounter any issues with your fan, please refer to the following common troubleshooting steps:

- **Fan Not Operating:** Ensure the power supply to the fan is on. Check the remote control battery and ensure the remote receiver is correctly connected and functioning.
- **Light Flickers or Glows When Off:** Verify all wiring connections to the light kit and remote receiver are secure and correctly installed according to the manual.
- **Excessive Noise or Wobbling:** Confirm all blade screws are tightened. Check that the mounting bracket is securely fastened to the ceiling and that the downrod is properly seated. The DC motor is designed for quiet operation (less than 35 dB).

For further assistance, please contact customer support.

WARRANTY AND SUPPORT

The YOUKAIN Modern Gold Ceiling Fan comes with a 2-year warranty, as stated in the product features. For any warranty claims, technical support, or assistance with your product, please refer to the contact information provided in your product packaging or on the official YOUKAIN website.
