SETUP

Battery Installation and Initial Power-On

The Tamagotchi Smart device requires 1 Lithium Polymer battery (included). The device is battery-powered and rechargeable via a USB cable.

1. Locate the battery compartment on the back of the device.
2. Unscrew the battery cover using a small screwdriver.
3. Insert the Lithium Polymer battery, ensuring correct polarity.
4. Replace the battery cover and secure it with the screw.
5. To power on, press any button. The device will display a loading screen.

Setting Time and Date

Upon initial power-on or after a reset, you will be prompted to set the current time and date. Use the navigation buttons to adjust the values and the confirm button to set them.

OPERATING INSTRUCTIONS

Basic Navigation

The Tamagotchi Smart features a touch-sensitive screen and three physical buttons for navigation:

- **Left Button:** Scrolls through menu options or moves left.

- **Center Button:** Confirms selection or interacts with the Tamagotchi.
- **Right Button:** Goes back to the previous screen or moves right.

Caring for Your Tamagotchi

Your Tamagotchi requires daily care to grow and thrive:

- **Feeding:** Select the food icon to feed your Tamagotchi when it's hungry.
- **Cleaning:** If your Tamagotchi makes a mess, select the bathroom icon to clean up.
- **Playing:** Engage in various mini-games to keep your Tamagotchi happy.
- **Medicine:** Administer medicine if your Tamagotchi becomes sick.

FEATURES

Sanrio Characters Integration

This special set allows you to interact with beloved Sanrio characters. The included TamaSma Card unlocks exclusive Sanrio characters, items, and clock styles for your device.

MAINTENANCE

Cleaning Your Device

To maintain the longevity and appearance of your Tamagotchi Smart, regularly wipe the screen and body with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials.

Charging

Use the provided USB charging cable to recharge the device. Connect the cable to the charging port on the Tamagotchi Smart and a compatible USB power source. The battery indicator on the screen will show charging status.

TROUBLESHOOTING

Device Not Responding

- Ensure the device is charged. Connect it to the USB charger for at least 30 minutes.
- Perform a soft reset by pressing and holding the three buttons simultaneously for a few seconds.

Screen Issues

- Adjust the brightness settings in the device menu.
- If the screen is unresponsive, try restarting the device.
