6. MAINTENANCE

To ensure the longevity and optimal performance of your Ambrane Twistand:

- **Cleaning:** Wipe the stand with a soft, dry cloth. For stubborn marks, a slightly damp cloth can be used, followed by immediate drying. Avoid abrasive cleaners or solvents.
- **Storage:** Store the stand in a cool, dry place when not in use. Fold it to protect moving parts.
- **Avoid Overloading:** Do not place devices heavier than recommended on the stand to prevent damage to the mechanism.

7. TROUBLESHOOTING

If you encounter any issues with your Ambrane Twistand, please refer to the following:

- **Stand is unstable:** Ensure the stand is fully unfolded and placed on a flat, stable surface. Check that the device is centered on the holding panel.
- **Adjustments are stiff:** Apply gentle, even pressure when adjusting height or angle. Avoid forcing the

mechanisms. If stiffness persists, ensure no debris is obstructing the moving parts.

- **Device slips:** Verify that the anti-skid pads are clean and free from dust or oil. Ensure your device is placed correctly within the holders.
