

FAMOO S22

FAMOO Wireless Bluetooth 5.3 Headphones User Manual

Model: S22

INTRODUCTION

Thank you for choosing FAMOO Wireless Bluetooth 5.3 Headphones. This manual provides detailed instructions on how to set up, operate, and maintain your new earbuds to ensure optimal performance and longevity. Please read this manual thoroughly before use.

PRODUCT OVERVIEW

The FAMOO S22 Wireless Earbuds are designed for superior audio experience and convenience, featuring advanced Bluetooth technology and a comfortable, lightweight design.

Key Features:

- **Bluetooth 5.3 Technology:** Ensures a stable connection, faster transmission speed, and quick 1-second pairing.
- **High Stereo Sound:** Equipped with 13mm powerful speakers that boost bass by 43% for pure sound quality and rich music details.
- **Ultralight Design:** Each earbud weighs just 3.3g, providing a comfortable wearing experience. The compact charging case fits easily into any pocket.
- **Extended Playtime:** Offers up to 5 hours of playback on a single charge, with the charging case providing an additional 6 charges for a total of 35 hours of listening time.
- **IPX7 Waterproof:** Features IPX7 nano-coating technology to protect internal components from liquids, ensuring a longer service life.
- **Clear Calls:** Built-in microphones provide HD voice quality for clear communication.

Product Components:

Figure 1: FAMOO S22 Wireless Earbuds in their charging case.

This image displays the FAMOO S22 wireless earbuds securely placed within their compact charging case. The earbuds are black with a sleek design, and the case is also black, indicating a ready-to-use or charging state with a small green indicator light visible.

Figure 2: Illustrating the lightweight and comfortable design of the earbuds.

This image highlights the lightweight nature of the earbuds, showing a hand holding the small charging case with one earbud appearing to float above it, emphasizing its minimal weight of 3.3g. The text "Lightweight & Comfortable" reinforces this feature.

PACKAGE CONTENTS

- FAMOO S22 Wireless Earbuds (Left and Right)
- Wireless Charging Case
- USB-C Charging Cable
- User Manual
- Multiple sizes of ear tips (if applicable, not explicitly stated but common for earbuds)

SETUP

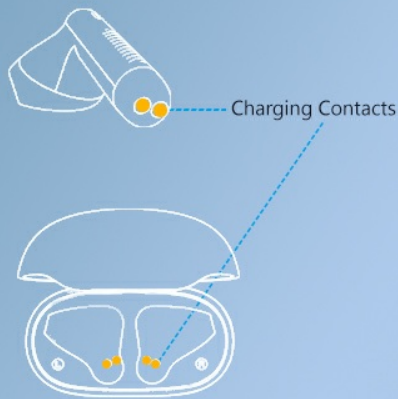

1. Charging the Earbuds and Case

Before first use, ensure both the earbuds and the charging case are fully charged.

- Place the earbuds into the charging case.
- Connect the USB-C charging cable to the charging port on the case and to a power source.
- The charging case takes approximately 1 hour to fully charge.
- The earbuds will charge automatically when placed in the case.

Earbuds Charging Failure

Use alcohol to clean the charging contacts.

Light of Charging Case

- **Light:** Charge the earbuds
- **Flash:** Earbuds low battery
- **Flash:** Charge the case
- **Light:** Case be full Charge

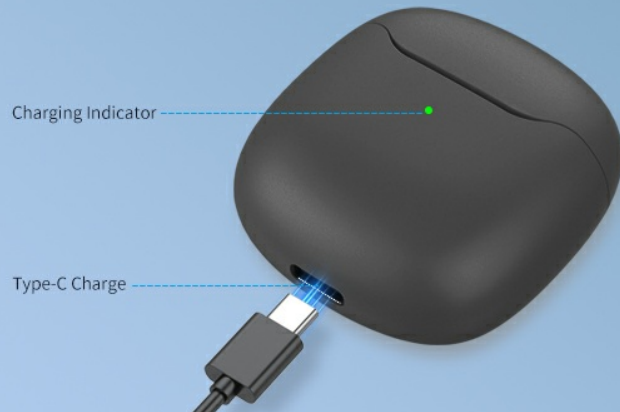

Figure 3: Charging indicators for the case and earbuds.

This diagram illustrates the charging process and indicator lights. A green light indicates earbuds are charging, a flashing green light indicates low earbud battery, a flashing orange light indicates the case is charging, and a solid orange light indicates the case is fully charged. It also shows the Type-C charging port.

2. Bluetooth Pairing

The earbuds feature one-step pairing for quick and easy connection.

1. Open the charging case. The earbuds will automatically enter pairing mode.
2. On your device (smartphone, tablet, laptop), enable Bluetooth.
3. Search for "S22" in the list of available Bluetooth devices.
4. Select "S22" to connect. Once connected, you will hear a confirmation tone, and the earbuds will be ready for use.

Video 1: Demonstrating the quick pairing process of the FAMOO S22 earbuds.

This video illustrates the seamless one-step pairing of the FAMOO S22 wireless earbuds with a mobile device. It shows the earbuds being taken out of the case, automatically connecting, and a checkmark appearing on the phone's Bluetooth settings, indicating a successful connection. Note: The video mentions Bluetooth 5.2, but the product features Bluetooth 5.3 for enhanced performance.

OPERATING INSTRUCTIONS

Smart Touch Controls:

The FAMOO S22 earbuds feature intuitive touch controls for easy management of calls and music playback.

Smart Touch Control

Figure 4: Overview of touch control functions.

This diagram illustrates the various touch control functions available on the earbuds. It shows how to perform actions such as Pause/Play (double clicks), Switch Song (long press on R/L earbud), Reject Call (click once on R/L), Answer/End Call (double click), Volume +/- (double click on R/L), and Activate Siri (triple click on R/L).

- **Play/Pause:** Double-click either earbud.
- **Next Song:** Long press the Right earbud.
- **Previous Song:** Long press the Left earbud.
- **Answer/End Call:** Double-click either earbud.
- **Reject Call:** Single-click either earbud.
- **Volume Up:** Double-click the Right earbud (after a short pause from previous action).
- **Volume Down:** Double-click the Left earbud (after a short pause from previous action).
- **Activate Voice Assistant (Siri/Google Assistant):** Triple-click either earbud.

MAINTENANCE

Proper maintenance ensures the longevity and optimal performance of your earbuds.

- **Cleaning:** Regularly clean the earbuds, especially the charging contacts and ear tips, with a soft, dry cloth. For charging contacts, use alcohol to clean if charging issues occur.
- **Storage:** When not in use, store the earbuds in their charging case to protect them and keep them charged.
- **Avoid Extreme Conditions:** Do not expose the earbuds to extreme temperatures, humidity, or corrosive liquids. While IPX7 waterproof, avoid prolonged submersion.

TROUBLESHOOTING

If you encounter any issues with your FAMOO S22 earbuds, please refer to the following common solutions:

Problem	Possible Solution
---------	-------------------

Problem	Possible Solution
Earbuds not charging	<p>Ensure the charging cable is securely connected to both the case and the power source.</p> <p>Clean the charging contacts on both the earbuds and inside the case with a cotton swab lightly dampened with alcohol.</p> <p>Verify the charging case has sufficient power.</p>
Earbuds not pairing/connecting	<p>Ensure Bluetooth is enabled on your device.</p> <p>Turn off and on your device's Bluetooth.</p> <p>Forget "S22" from your device's Bluetooth list and attempt to re-pair.</p> <p>Ensure earbuds are fully charged.</p> <p>Place earbuds back in the case, close the lid, wait a few seconds, then open to re-initiate pairing mode.</p>
Low volume or poor sound quality	<p>Adjust the volume on both your device and the earbuds.</p> <p>Ensure earbuds are properly seated in your ears.</p> <p>Clean any debris from the earbud speakers.</p> <p>Move closer to your connected device to avoid interference.</p>
Only one earbud working	<p>Place both earbuds back into the charging case, close the lid, and then open it again.</p> <p>Ensure both earbuds are charged.</p> <p>Try re-pairing the earbuds with your device.</p>
