mlogiroa LashFan / EyelashFan

mlogiroa Mini Portable Eyelash Fan Instruction Manual

Model: LashFan / EyelashFan

1. INTRODUCTION

The mlogiroa Mini Portable Eyelash Fan is designed to provide a gentle, cooling airflow, ideal for drying eyelash extension glue, mascara, or nail polish. Its compact and lightweight design makes it convenient for personal use at home, in the office, or while traveling. This fan features a built-in sponge for optional humidification and cooling, a T-shaped bracket for desktop use, and a Type-C rechargeable battery for extended operation.

Image: The mlogiroa Mini Portable Eyelash Fan is versatile, suitable for drying eyelash extensions, mascara, and nail polish, as well as for general personal cooling.

2. PRODUCT FEATURES

- **Material:** Constructed from durable ABS material with a soft sponge for comfort.
- **Eyelash Extension Application:** Effectively removes smoke and steam from eyes, reducing sensitivity risks and speeding up glue drying.
- **Built-in Sponge:** Absorbs cold water to generate cool air. Can be refrigerated or moistened with perfume for enhanced cooling.
- **Multi-purpose Use:** Functions as an eyelash extension dryer, mascara glue dryer, nail polish dryer, and a daily portable mini fan.
- **Type-C Charging:** Upgraded Type-C interface for broader compatibility and faster charging.
- **Battery Life:** 500mAh battery provides 2-3 hours of operation on a full charge. Can be charged via PC USB, USB charger, or other USB devices.
- **T-shaped Bracket:** Integrated stand allows the fan to be placed on a flat surface, optimizing airflow for adhesive drying and promoting stronger bonds.

- **One-Button Operation:** Simple single-button control for easy power on/off.
- **Portability:** Lightweight and fashionable design with a proper lanyard for convenient carrying in a purse or pocket.

3. PACKAGE CONTENTS

- 1 x mlogiroa Mini Portable Eyelash Fan
- 1 x USB Type-C Charging Cable
- 1 x Black Lanyard
- 1 x Water-cooler Sponge (pre-installed or separate)

Image: The standard package includes the eyelash fan, a USB Type-C charging cable, and a black lanyard for easy carrying.

4. SETUP

1. **Initial Charge:** Before first use, fully charge the fan using the provided USB Type-C cable. Connect the cable to the fan's Type-C port and a compatible USB power source (e.g., computer, wall adapter). The indicator light will show charging status.
2. **Sponge Preparation (Optional for enhanced cooling):**

- Gently slide open the back cover of the fan.
- Remove the water-cooler sponge.
- Soak the sponge in cold water or drizzle with perfume. For maximum cooling, place the wet sponge in a refrigerator for a short period.
- Insert the prepared sponge back into its compartment and close the cover securely.

3. **Attaching Lanyard (Optional):** Thread the black lanyard through the designated loop on the fan for convenient portability.

Image: The fan is easily rechargeable via its Type-C port, compatible with various USB power sources.

5. OPERATING INSTRUCTIONS

1. **Power On/Off:** Press the single button on the front of the fan to turn it on. Press it again to turn it off.
2. **Using the T-shaped Bracket:** The fan features a retractable T-shaped bracket on the back. Pull it out to stand the fan upright on a flat surface, such as a desk or table. This allows for hands-free operation, particularly useful during beauty applications.
3. **Drying Eyelash Extensions:** Hold the fan approximately 6-8 inches away from the eyes and direct the airflow towards the freshly applied lashes. The gentle, even wind speed helps to quickly dry the adhesive, reducing fumes and irritation.
4. **Drying Mascara or Nail Polish:** Position the fan to direct airflow over mascara or nail polish to accelerate drying time.
5. **Personal Cooling:** Use the fan handheld or on its stand to provide a refreshing breeze for personal cooling.

6. MAINTENANCE

- **Cleaning the Sponge:** Regularly remove and clean the water-cooler sponge with mild soap and water. Ensure it is thoroughly rinsed and dried before reinserting to prevent mold or odor.
- **Exterior Cleaning:** Wipe the exterior of the fan with a soft, dry cloth. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the fan in a cool, dry place away from direct sunlight and extreme temperatures when not in use.
- **Charging:** To prolong battery life, avoid completely draining the battery frequently. Charge the fan when the power is low.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Fan does not turn on.	Battery is depleted.	Charge the fan fully using the provided Type-C cable.

Problem	Possible Cause	Solution
Weak airflow.	Low battery.	Recharge the fan.
Fan does not provide cool air (when sponge is used).	Sponge is dry or not cold.	Remove, wet, and optionally refrigerate the sponge before reinserting.
Unusual noise during operation.	Obstruction in the fan blades.	Turn off the fan and carefully check for any debris. Do not force removal.

8. SPECIFICATIONS

- **Product Dimensions:** 4.33 x 3.15 x 1.18 inches (1.18"D x 2.75"W x 4.72"H)
- **Weight:** 3.63 ounces
- **Model Number:** LashFan or EyelashFan
- **Battery:** 500mAh (Rechargeable via USB Type-C)
- **Power Source:** Battery Powered
- **Electric Fan Design:** Blower
- **Special Feature:** Lightweight, Portable
- **Recommended Uses:** Lash drying, mascara drying, nail polish drying, personal cooling
- **Material:** ABS
