Cipres Herbal/Tea Product Manual

Model: B09ZVB7ZC7

INTRODUCTION

This manual provides essential information for the safe and effective use of Cipres Herbal/Tea. Please read all instructions carefully before use.

Cipres Herbal/Tea is intended for use as a herbal tea, primarily featuring Cypress. It is presented in teabag form for convenient preparation.

PRODUCT OVERVIEW

This image displays two transparent bags containing dried cypress leaves, marketed as 'Cypress Wood CIPRES'. The bags feature a green label with product information and a natural, earthy aesthetic.

The Cipres Herbal/Tea product consists of dried cypress leaves packaged in teabags. Each unit contains 4.0 fluid ounces (though measured by weight as 3.99 ounces) of the herbal blend. The primary flavor is Cypress, and it is categorized as a Chamomile tea variety.

USAGE INSTRUCTIONS

Follow these steps for preparing Cipres Herbal/Tea:

1. Place one tea bag in a cup.
2. Pour hot water over the tea bag.
3. Allow the tea to steep for a few minutes to achieve desired strength.
4. Remove the tea bag before consuming the tea.

While the product title mentions "Inhale to Relieve Congestion," this typically refers to the aromatic vapors from the steeped tea, not direct inhalation of the dry product.

IMPORTANT SAFETY INFORMATION AND WARNINGS

- **WARNING:** Do not ingest or inhale the raw, unprepared product. This warning refers to direct consumption or inhalation of the dry herb, not the prepared tea.
- Keep out of reach of children and pregnant women.
- Statements regarding dietary supplements have not been evaluated by the FDA and are not intended to diagnose, treat, cure, or prevent any disease or health condition.
- Consult with a healthcare professional before use if you have any pre-existing medical conditions or are taking any medications.

STORAGE AND MAINTENANCE

Store Cipres Herbal/Tea in a cool, dry place away from direct sunlight and strong odors to maintain its freshness and potency. Ensure the packaging is sealed properly after each use.
