

Lamshaw Smartwatch Band for TouchElex Venus / Deeprio PASCUA

Lamshaw Smartwatch Band Instruction Manual

For TouchElex Venus and Deeprio PASCUA Smart Watches

INTRODUCTION

This manual provides instructions for the Lamshaw Breathable Nylon Woven Fabric Replacement Accessory Strap, designed for compatibility with the TouchElex Venus 1.2" Smart Watch and Deeprio PASCUA Smart Watch. Please read these instructions carefully to ensure proper installation, usage, and maintenance of your new smartwatch band.

PRODUCT FEATURES

- **Material:** Made from premium woven fabric, offering moderate softness and fine craftsmanship.
- **Comfort:** Soft, flexible, and skin-friendly design. The breathable fabric allows for increased airflow, reducing wrist perspiration and enhancing comfort.
- **Compatibility:** Specifically designed for TouchElex Venus 1.2" Smart Watch and Deeprio PASCUA Smart Watch.
- **Adjustable Sizing:** Suitable for various wrist sizes, accommodating women, men, boys, and girls.
- **Design:** Fashionable woven fabric design that reduces weight and allows the wrist to "breathe".

COMPATIBILITY

This Lamshaw replacement band is compatible with the following smartwatch models:

- TouchElex Venus 1.2" Smart Watch
- Deeprio PASCUA Smart Watch

Note: The smartwatch tracker itself is not included with the band.

INSTALLATION AND SETUP

Follow these steps to properly install your new Lamshaw smartwatch band:

1. **Remove Existing Band (if applicable):** Locate the quick-release pins or spring bars on your current smartwatch band. Gently slide the pin inwards to detach the band from the watch lugs. Repeat for the other side.
2. **Identify Band Orientation:** Ensure you have the correct orientation for the new band. Typically, one end of the band has the buckle, and the other has the holes for adjustment.

3. **Attach First Half:** Insert one end of the new Lamshaw band into the watch lug. Align the spring bar (or quick-release pin) with the holes on the watch lugs. Push the pin inwards and slide the band into place until the pin snaps securely into both holes. Give a gentle tug to ensure it's locked.
4. **Attach Second Half:** Repeat the process for the second half of the band on the other watch lug.
5. **Verify Security:** Once both halves are attached, gently pull on each side of the band to confirm it is securely fastened to the smartwatch.

Video: This video demonstrates various color options of the Lamshaw breathable nylon woven fabric straps and shows them being worn on a wrist, highlighting their fit and appearance.

USAGE AND ADJUSTMENT

To wear and adjust your Lamshaw smartwatch band:

1. **Put on the Watch:** Place the smartwatch on your wrist.
2. **Fasten the Buckle:** Thread the end of the band through the buckle and secure the pin into one of the adjustment holes.
3. **Adjust for Comfort:** Ensure the band is snug but not too tight. A comfortable fit allows for proper sensor readings (if applicable to your smartwatch) and prevents skin irritation. The breathable fabric is designed for extended wear.
4. **Secure Excess Strap:** If your band has keeper loops, slide the excess strap through them to keep it neat and secure.

CARE AND MAINTENANCE

To prolong the life and maintain the appearance of your Lamshaw smartwatch band:

- **Cleaning:** Gently wipe the band with a soft, damp cloth. For deeper cleaning, use a mild soap solution and rinse thoroughly with clean water. Allow the band to air dry completely before reattaching to your smartwatch.
- **Avoid Harsh Chemicals:** Do not use strong detergents, solvents, or abrasive cleaners, as these can damage the fabric.
- **Storage:** Store the band in a clean, dry place away from direct sunlight when not in use.
- **Avoid Excessive Moisture:** While the fabric is durable, prolonged exposure to excessive moisture (e.g., swimming) may affect its longevity.

TROUBLESHOOTING

Issue	Possible Solution
Band does not attach securely.	Ensure the quick-release pins or spring bars are correctly aligned with the watch lug holes and fully engaged. Check for any obstructions.
Discomfort or skin irritation.	Adjust the band for a looser fit. Ensure the band is clean and dry. If irritation persists, discontinue use and consult a healthcare professional.
Band appears dirty or stained.	Refer to the "Care and Maintenance" section for cleaning instructions.

SPECIFICATIONS

Feature	Detail
Product Type	Smartwatch Replacement Band
Material	Nylon Woven Fabric
Clasp Type	Tang Buckle
Metal Type	No metal type (referring to the band material, buckle is metal)
Compatibility	TouchElex Venus 1.2" Smart Watch, Deeprio PASCUA Smart Watch
