OSOTEK S9 Pro

OSOTEK S9 Pro Cordless Vacuum Cleaner Replacement Battery User Manual

1. Introduction

This user manual provides comprehensive instructions for the safe and effective use of your OSOTEK 25.2V 2500mAh Replacement Battery, designed specifically for the OSOTEK S9 Pro Cordless Vacuum Cleaner. Please read this manual thoroughly before installation and operation to ensure optimal performance and longevity of your battery.

2. Safety Information

Observe the following safety precautions to prevent damage to the battery, vacuum cleaner, or personal injury:

- Use only the original OSOTEK S9 Pro charger to charge this battery.
- Do not expose the battery to extreme temperatures (above 60°C or below 0°C) or direct sunlight.
- Avoid short-circuiting the battery terminals.
- Do not disassemble, puncture, or modify the battery.
- Keep the battery away from water and moisture.
- If the battery shows signs of damage, leakage, or overheating, discontinue use immediately and dispose of it properly.
- The battery features built-in protection against overcharge, over-discharge, over-voltage, overheating, and short-circuits for safe operation.

3. Product Overview

The OSOTEK 25.2V 2500mAh Replacement Battery is a genuine lithium-ion power source designed to seamlessly integrate with your OSOTEK S9 Pro cordless vacuum cleaner. It provides reliable power for extended cleaning sessions.

4. Installation

Follow these steps to replace the battery in your OSOTEK S9 Pro Cordless Vacuum Cleaner:

1. Ensure the vacuum cleaner is powered off and disconnected from its charger.
2. Locate the battery compartment on your OSOTEK S9 Pro vacuum cleaner. Refer to your vacuum cleaner's manual for the exact location and removal procedure.
3. Carefully remove the old battery according to the vacuum cleaner's instructions. This may involve pressing a release button or unscrewing a cover.
4. Insert the new OSOTEK 25.2V 2500mAh Replacement Battery into the compartment, ensuring it clicks securely into place or is properly fastened.
5. Close the battery compartment cover, if applicable.

5. Operating Instructions

5.1 Initial Charge

Before first use, fully charge the new battery. Connect your OSOTEK S9 Pro vacuum cleaner with the new battery installed to its charging dock or power adapter. The charging indicator on the vacuum cleaner will show the charging status.

5.2 Usage

Once fully charged, the battery provides power to your OSOTEK S9 Pro vacuum cleaner. The 2500mAh capacity offers up to 60 minutes of uninterrupted runtime in Eco mode, allowing for thorough cleaning of your home.

6. Maintenance

Proper maintenance extends the life of your battery:

- **Regular Charging:** For optimal battery health, avoid completely draining the battery before recharging.
- **Storage:** If storing the vacuum cleaner for an extended period, ensure the battery is partially charged (around 50%) and store it in a cool, dry place. Recharge it every 3-6 months to prevent deep discharge.
- **Cleaning:** Keep the battery contacts clean and free from dust or debris. Use a dry cloth to wipe them if necessary.

7. Troubleshooting

If you encounter issues with your replacement battery, consider the following:

- **Battery Not Charging:**
  - Ensure the charger is properly connected to both the vacuum and a working power outlet.
  - Verify that the battery is correctly installed in the vacuum cleaner.
  - Check for any visible damage to the charger or battery.
- **Reduced Runtime:**
  - Battery performance can decrease over time with extensive use.
  - Ensure the vacuum cleaner's filters are clean, as clogged filters can increase motor strain and battery consumption.
  - Operating in Max power mode will consume battery faster than Eco mode.

If problems persist, refer to the OSOTEK S9 Pro vacuum cleaner's main user manual or contact customer support.

8. Specifications

Brand	OSOTEK
Model Compatibility	OSOTEK S9 Pro Cordless Vacuum Cleaner
Battery Type	Lithium-ion
Voltage	25.2 Volts
Capacity	2500 mAh (Milliampere-hour)
Estimated Runtime	Up to 60 minutes (in Eco mode)
Weight	453 Grams
Reusability	Rechargeable

9. Warranty and Support

For warranty information regarding your OSOTEK replacement battery, please refer to the documentation included with your original OSOTEK S9 Pro vacuum cleaner or visit the official OSOTEK website. For technical support or service inquiries, please contact OSOTEK customer service through their official channels.
