SCOORNEST FDA MASK 95

SCOORNEST Wireless Security Camera User Manual

Model: FDA MASK 95
Brand: SCOORNEST

1. INTRODUCTION

This manual provides detailed instructions for the installation, operation, and maintenance of your SCOORNEST Wireless Security Camera. This compact, battery-operated camera is designed for indoor use, offering 1080P HD video, night vision, and remote monitoring capabilities via a mobile application. Please read this manual thoroughly before using the product to ensure proper function and safety.

2. PRODUCT FEATURES

The SCOORNEST Wireless Security Camera offers a range of features for effective home monitoring:

- **1080P HD Video:** Captures clear and detailed footage.
- **Wireless & Battery Operated:** Flexible placement without the need for constant power outlets.
- **Night Vision:** Provides clear monitoring in low-light or dark conditions.
- **Motion Detection:** Alerts you to detected movement, enhancing security.
- **Remote App Control:** Monitor and control the camera from your smartphone or tablet.
- **Multi-Scenario Use:** Suitable for monitoring homes, babies, pets, elderly care, and office spaces.

3. SETUP GUIDE

Follow these steps to set up your SCOORNEST Wireless Security Camera:

1. **Charge the Camera:** Before first use, fully charge the camera using the provided USB cable. A red indicator light typically signifies charging, turning off or changing color when complete.

2. **Download the App:** Search for "HDwifiCamPro" in the App Store (iOS) or Google Play Store (Android) and install it on your smartphone.

3. **Power On the Camera:** Press and hold the power button until the indicator light turns on.

4. **Connect to Phone:** Open the HDwifiCamPro app. Follow the in-app instructions to connect the camera to your phone. This usually involves connecting to the camera's temporary Wi-Fi hotspot first, then configuring it to connect to your home 2.4GHz Wi-Fi network.

5. **Position the Camera:** Place the camera in your desired monitoring location. Its wireless design allows for flexible placement. Ensure it has a clear line of sight to the area you wish to monitor.

4. OPERATING INSTRUCTIONS

Once your camera is set up, you can begin monitoring:

- **Live View:** Open the HDwifiCamPro app and select your camera to view the live video feed.
- **Recording:** The camera supports continuous recording or motion-activated recording. Ensure a microSD card (not included) is inserted for local storage, or utilize cloud storage options if available through the app.
- **Motion Alerts:** Enable motion detection in the app settings to receive notifications on your phone when movement is detected.
- **Night Vision Activation:** Night vision typically activates automatically in low-light conditions.
- **Remote Access:** As long as your camera is connected to Wi-Fi and your phone has internet access, you can view the live feed and manage settings from anywhere.

Image: Example of using the camera for pet monitoring via the mobile app.

Image: The camera feed can be viewed on multiple devices, including laptops, tablets, and smartphones.

5. MAINTENANCE

To ensure the longevity and optimal performance of your camera:

- **Cleaning:** Gently wipe the camera lens and body with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials.
- **Battery Care:** Recharge the camera regularly, especially if it's not connected to a continuous power source. Avoid fully depleting the battery frequently to prolong its lifespan.
- **Software Updates:** Check the HDwifiCamPro app periodically for firmware updates for your camera. Keeping the software updated can improve performance and security.
- **Storage:** If storing the camera for an extended period, ensure it is fully charged and stored in a cool, dry place.

6. TROUBLESHOOTING

If you encounter issues with your camera, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Camera not connecting to Wi-Fi	Incorrect Wi-Fi password; camera too far from router; 5GHz Wi-Fi network used.	Ensure correct 2.4GHz Wi-Fi password; move camera closer to router; ensure router supports 2.4GHz.
Poor picture quality	Dirty lens; insufficient lighting; weak Wi-Fi signal.	Clean the lens; ensure adequate lighting or rely on night vision; improve Wi-Fi signal strength.
Battery drains quickly	Frequent live viewing; continuous recording; high motion detection sensitivity.	Reduce live viewing time; use motion-activated recording; adjust motion detection sensitivity; keep camera plugged in if possible.
App not receiving notifications	App notifications disabled; motion detection off; phone in Do Not Disturb mode.	Check app notification settings; enable motion detection; disable Do Not Disturb.

If problems persist, please refer to the Warranty and Support section for contact information.

7. SPECIFICATIONS

Feature	Detail
Product Dimensions	3.98 x 2.4 x 1.46 inches
Item Weight	2.08 ounces
Model Number	FDA MASK 95
Brand	SCOORNEST
Lens Type	Wide Angle
Lens Design	Zoom
Focus Type	Manual Focus
Lens Coating Description	HD Coating
Date First Available	May 10, 2022

8. WARRANTY AND SUPPORT

SCOORNEST is committed to providing quality products and customer satisfaction. Your SCOORNEST Wireless Security Camera comes with a **one-year warranty** from the date of purchase. Additionally, we offer **lifetime after-sales service**. For any product-related inquiries, technical support, or warranty claims, please contact our customer service team. Refer to the product packaging or the official SCOORNEST website for the most current contact information.
